Long Way To Fall:

Clint Faraday Mysteries book 17: A Long Way to Fall Collector's edition CD Moulton, *Five Ways to Fall Out of Love* Emily Martin, 2021-03-16 How do I hate thee Let me count the ways Aubrey Cash learned the hard way not to rely on love After all Webster Casey the new boy next door she d been falling for all summer stood her up at homecoming in front of everyone with no explanation Proving her theory that love never lasts seems easy when she s faced with parents whose marriage is falling apart and a best friend who thinks every boy she dates is the one But when sparks fly with a boy who turns out to be Webster s cousin and then Webster himself becomes her lab partner for the rest of senior year Aubrey finds her theory and her commitment to stay single put to the test As she navigates the breakdown of her family the consequences her cynicism has on her relationship with her best friend and her own confusing but undeniable feelings for Webster Aubrey has to ask herself What really happened the night Webster stood her up And if there are five ways to fall out of love could there perhaps be even more ways to fall back in

The Fall of My Life Robert Cantrall, 2013-07 The Fall of My Life Transforming Tragedy Into Triumph The Fall of My Life by Robert Cantrall is the story of a career finance man s journey during the financial crisis of 2008 Through his self exploration and painful discovery it depicts a narrative of introspective analysis and reinvention that mirror arguably the nation s most financially turbulent eras The Fall of My Life illustrates with alarming clarity the moment of peril its emotional challenges and its personal consequences through the eyes of a financial leader Only through acceptance forgiveness and a re evaluation of self worth and personal values can his search for recovery be fulfilled Not to be defined by external circumstances and situations Robert humbly walked through adversity into his authentic self Amazon com Reader Reviews are in It is obvious from the very first chapter that the author is committed to being completely honest in his effort to change his life for the better I am going to recommend this book to anyone who will listen It s one of those books you read once a year Russell P I really enjoyed this book because it rang so true with me I saw myself in many of the pages and it was good to know that I was not alone It has me thinking and it has given me the courage to plan my life s journey with less fear Wendy S

Davis, 2011-08-29 HOW DID THIS BOOK COME ABOUT About ten years ago I sustained a series of downward turns during which I lost everything I considered vital to my existence In the end I came to realize what I'd really lost was me So I began to write daily journals to help myself heal Early in my recovery I had a dream about two celestial creatures Beast and Priest who decided to play The Game to decide which of them would control all men's souls including my own Never did I imagine those first few sentences I wrote in my journal the morning after my dream would result in a two volume book which documented the journey of a tortured soul named Kat Walker into the Great Abyss and beyond When his courage proved to all his heart was pure again he got one last chance at life Kat Walker and I completed this book together to prove to all who enter its pages there is always hope if you believe in the power of love and that miracles are real *The Rise & Fall of the Scandamerican Domestic* Christopher Merkner, 2013-12-20 Christopher Merkner is a Shirley Jackson for the contemporary Midwest where the ties of family and community intersect darkly with suburban American life In these stories an enraged village gaslights unsuspecting vacationers and a young man delays a impending confession fondling the nostrils of his mother's pet pig Sharp and uneasy for these inheritors of tradition that which binds them most closely offering stability and identity and comfort are precisely the qualities that set them back pull them down burden limit and ruin them Merkner's first short story collection provides a voyeuristic vantage point on fractured lives He has the striking ability to turn the familiar into the uncanny and morph the comfortable into the weird and clearly he's at home in that strange realm In most of the stories we witness lives at the moment an individual's identity begins to fray sometimes slowly and sometimes swiftly These changes are both painful and thought provoking to witness through the book's unrelenting first person perspective At times Merkner's prose evokes unease but more often it encourages a chuckle and his plot twists will leave even the most seasoned reader surprised In each story even those that only run for three pages the tension mounts deliciously many times with no foreseeable relief The true beauty of these tales lies in their delicate endings which manage to both tie up loose ends and leave everything hanging so that they are simultaneously satisfying and mysterious Such complexity makes great reading for lovers of short fiction and for all who wish to witness a new master at work Booklist Christopher Merkner teaches creative writing at West Chester University His work has appeared in Black Warrior Review Cincinnati Review Fairy Tale Review
