**True Justice** Robert K. Tanenbaum,2015-04-13 New York Times bestselling author Robert K Tanenbaum has more than seven million copies of his finely crafted and morally complex novels in print In *True Justice* he reaches new heights with a compellingly authentic and penetrating story pulled right from today's most controversial headlines For Butch Karp chief assistant district attorney for New York County the nightmare begins when a shocking act of negligence results in homicide Goaded by the media's sensational publicity the public is screaming for blood and Karp's boss D A Jack Keegan is listening He has ordered the prosecution of a fifteen year old for murder intent on making a very public example of the girl A Hispanic from a poor neighborhood she's an easy mark for big city bureaucracy and bigotry It is Butch Karp's unpleasant job to see that the prosecution gives the public what it wants a quick and thorough administration of hard line justice Complicating matters further is Butch's wife Marlene Ciampi a private investigator who has decided to return to practicing law Her first case takes her a few hundred miles south to a small Delaware town where an equally unspeakable tragedy has taken place Marlene however has the unenviable task of taking on a politically ambitious local prosecutor who is pressing to charge a suburban teenager with capital murder With Butch and Marlene squaring off on opposite sides of an increasingly incendiary national debate things couldn't get any more tense until a shocking turn of events puts their daughter Lucy at the center of a horrifying crime Suddenly everything they believe in is challenged and they are drawn into a maelstrom of big city politics and small town values where justice is sacrificed to the twin gods of

public perception and expediency and Karp must struggle to salvage his self respect his career and his life Yellow Orang-Utan Industries Simon Gray,2020-09-06 Yellow Orang Utan Industries is the most successful of corporations ever not that anyone can say specifically what it is they do The founder and president of Yellow Orang Utan Industries hides from the public using a computer generated fake president to do most of the talking he d ordinarily be doing himself The fake president Piano Smedley is universally liked and attributed to the corporation s success But when news breaks that a body answering Piano Smedley s description has been found problems arise The real president s personal assistant Gertrude finds herself grieving the fake president even when she knows better The task of programming the replacement fake president is based on data from departments who can t make up their mind and the real president becomes even less engaged with business than before The executive board of directors make an appearance to take control but by the time the new fake president appears interest in Yellow Orang Utan Industries is plummeting Gertrude s made some new friends amongst the corporation though One of them is Wellington who interprets the stock market remarkably well and quite loyally thinks he can help the corporation If any of them could get through to the real president Except also Wellington s remarkable skills and this earnest belief may be because Wellington s a prototype android and nobody was supposed to find that out **The Ornithologist and Oölogist** ,1890 **Yellow Bird and Me** Joyce Hansen,2005 Doris becomes friends with Yellow Bird as she helps him with his studies and his part in the school play and discovers that he has a problem known as dyslexia
