Longer Thou Livest Enough Is As Good A

Phoebe S. Spinrad

Longer Thou Livest Enough Is As Good A:

Interludes and Early Modern Society ,2007-01-01 The essays in this collection contributed by an internationally distinguished group of scholars bring up to date many aspects of the criticism of the English Interludes The development of these plays was a significant part of the history of the growth of English drama in the sixteenth century to the extent that they may be regarded as its main stream Arising by means of a felicitous combination of the development of printing and the growth of a professional theatre plays of this type quickly became a forum for the presentation and exploration of many contemporary themes They became a useful means of disseminating a wide variety of opinions and public concerns as well as exhibiting at times the intellectual brilliance of the Renaissance The essays here are concentrated upon power particularly in its religious and political aspects gender and theatricality The political and religious upheavals of the Reformation under the Tudor monarchy form a background as well as a focus at times In particular the position of women in sixteenth century society is examined in essays on several plays There is also discussion of the development of theatrical techniques as playwrights worked closely with small acting companies to reach a wide audience ranging from the royal court to the common streets This was achieved as a number of essays make clear through a variety of entertaining theatrical devices

The Turn of the Soul ,2012-01-06 The religious upheavals of the early modern period and the fierce debate they unleashed about true devotion gave conversion an unprecedented urgency With their rich variety of emotive aesthetic and rhetoric means of expression literature and the visual arts proved particularly well adapted means to address explore and represent the complex nature of conversion At the same time many artists and authors experimented with the notion that the expressive character of their work could cultivate a sensory experience for the viewer that enacted conversion Indeed focusing on conversion as one of early modern Europe s most pressing religious issues this volume demonstrates that conversion cannot be separated from the creative and spiritual ways in which it was given meaning Contributors include Mathilde Bernard John R Decker Xander van Eck Shulamit Furstenberg Levi Lise Gosseye Chlo Houston Philip Major Walter Melion Bart Ramakers E Natalie Rothman Alison Searle Lieke Stelling Jayme Yeo and Federico Zuliani *Nonsense and Other Senses* Elisabetta Tarantino with the collaboration of Carlo Caruso,2020-07-24 This book deals with a topic that is gaining increasing critical attention the literature of nonsense and absurdity The volume gathers together twenty one essays on various aspects of literary nonsense according to criteria that are deliberately inclusive and eclectic Its purpose is to offer a gallery of nonsense practices in literature across periods and countries in the conviction that important critical insights can be gained from these juxtapositions Most of the cases presented here deal with linguistic nonsense but in a few instances the nonsense operates at the higher level of the interpretation of reality on the part of the subject or of the impossibility thereof The contributors to the volume are established and younger scholars from various countries Chronologically the chapters range widely from Dante to V clav Havel and offer a large span of national literatures Czech English Finnish French German

Italian Japanese and literary genres poetry prose and drama inviting the readers to trace their own pathway and draw their own lines of connection One point that emerges with particular force is the notion that what distinguishes literary nonsense is its somehow regulated nature Literary nonsense thus sounds like a deliberate last ditch attempt to snatch order from the jaws of chaos the speech of the Fool as opposed to the tale told by an idiot It is this kind of post Derridean retrieval of choice as the defining element in semantic transactions which is perhaps the most significant insight bequeathed by the study of nonsense to the analysis of poetry and literature in general

God Speed the Plough Andrew McRae,2002-09-12 An interdisciplinary analysis of the history and literature of the land in early modern England

Shakespeare and Textual Studies Margaret Jane Kidnie,Sonia Massai,2015-11-12 A cutting edge and comprehensive reassessment of the theories practices and archival evidence that shape editorial approaches to Shakespeare s texts

The Devil and the Sacred in English Drama, 1350-1642 John D. Cox,2000-10-17 John Cox tells the intriguing story of stage devils from their earliest appearance in English plays to the closing of the theatres by parliamentary order in 1642 The book represents a major revision of E K Chambers ideas of stage devils in *The Medieval Stage* 1903 arguing that this is not a history of gradual secularization as scholarship has maintained for the last century but rather that stage devils were profoundly shaped from the outset by the assumptions of sacred drama and retained this shape virtually unchanged until the advent of permanent commercial theatres near London The book spans both medieval and Renaissance drama including the medieval Mystery cycles on the one hand through to plays by Greene Marlowe Shakespeare 1 and 2 Henry VI Jonson Middleton and Davenant An appendix lists all known devil plays in English from the beginning to 1642

Shakespeare's Shakespeare John Meagher,2015-12-17 In this work of scholarship and creativity Meagher argues that Shakespeare has been misunderstood because of a failure to recognize his own directions as a playwright Through an examination of several of his plays Meagher uncovers Shakespeare as artist director and actor

Shakespeare and Protestant Poetics Jason Gleckman,2019-10-29 This book explores the impact of the sixteenth century Reformation on the plays of William Shakespeare Taking three fundamental Protestant concerns of the era double predestination conversion and free will it demonstrates how Protestant theologians in England and elsewhere re imagined these longstanding Christian concepts from a specifically Protestant perspective Shakespeare utilizes these insights to generate his distinctive view of human nature and the relationship between humans and God Through in depth readings of the Shakespeare comedies *The Merry Wives of Windsor* *Much Ado About Nothing* *A Midsummer Night s Dream* and *Twelfth Night* the romance *A Winter s Tale* and the tragedies of *Macbeth* and *Hamlet* this book examines the results of almost a century of Protestant thought upon literary art

The Broadview Anthology of Tudor Drama Alan Stewart,2021-02-19 English drama between the late fifteenth century and the late sixteenth centuries is as diverse as it is engaging this anthology brings together eighteen of the most interesting and important dramatic works from the period The plays have been chosen to give a broad view of the drama produced in Tudor

England They testify to the eclectic tastes of sixteenth century audiences ranging from morality plays Mankind Everyman to comedies inspired by the Roman plays of Terence and Plautus Ralph Roister Doister to tragedies inspired by the plays of Seneca Gorboduc Cambises In later plays morality plots rub shoulders with slapstick comic business The Longer Thou Livest The More Fool Thou Art The Three Ladies of London and classical gods intervene in the affairs of England's regions Gallathea While some of the plays offer pure entertainment others have a clear political agenda King Johan is presented as a prototype for English resistance to Rome's Catholicism Gorboduc's decision to abdicate and divide his kingdom highlights the vexed question of the English succession under a childless queen Other plays comment more obliquely on contemporary events Play of the Four Elements reflects on England's nascent maritime expeditions to the New World while The Three Ladies of London comments topically on immigrant overcrowding in England's port towns and the dangers of England's trade in the Mediterranean Some plays push the boundaries of what the theatre can do in staging violence Cambises and questioning gender roles Gallathea Designed for undergraduate use the anthology includes extensive explanatory annotations and a substantial introduction to each play spelling and punctuation have been partially modernized in the interests of making the texts more accessible to students In all this the anthology follows principles similar to those developed for Christina M Fitzgerald's and John T Sebastian's Broadview Anthology of Medieval Drama several of the plays from that anthology are also included here while the rest have been newly edited for this volume under the supervision of General Editor Alan Stewart *The Huntington Library Quarterly* Henry E. Huntington Library and Art Gallery, 1946

Religious Conversion in Early Modern English Drama Lieke Stelling, 2019-01-03 A cross religious exploration of conversion on the early modern English stage offering fresh readings of canonical and lesser known plays **The Social Relations of Jonson's Theater** Jonathan Haynes, 1992-08-28 A detailed literary historical argument about the sources and consequences of Jonson's realism Shakespeare's Forgotten Allegory Julian Real, 2023-12-22 Shakespeare's Forgotten Allegory posits three startling points that we have today forgotten a cultural icon that helped to bring about the Renaissance that this character used to distil classical wisdom regarding how to raise children to become moral adults consistently appeared in plays performed between 1350 and 1650 and that the character was often utilised by the likes of Shakespeare and Ben Jonson and therefore adds a long forgotten allegorical narrative to their works This evidence based reappraisal of some of the most iconic works in Western literature suggests that a core element of their content has been lost for centuries This text will appeal to anyone with an interest in late medieval and early modern drama especially the works of Shakespeare to those interested in the history of teaching and child rearing to anyone curious about the practical application of philosophy in society to anyone that would like to know more about the crucial and defining period today known as the Renaissance and how and why society was redesigned by those with influence and to all those who would like to know more about how history which though sometimes misplaced continues to influenced our modern world *The Summons of Death on the Medieval*

and Renaissance English Stage Phoebe S. Spinrad,1987 The Oxford Handbook of Tudor Literature Michael Pincombe,Cathy Shrank,2009-09-10 The literature of the entire Tudor period from the reign of Henry VII to death of Elizabeth I is covered by this volume It pays particular attention to the years before 1580 covering the establishment of print culture and growth of a reading public **Selfhood on the Early Modern English Stage** Pauline Blanc,2009-10-02 The twelve essays in Selfhood on the Early Modern English Stage analyse the influences that shaped the fictional constructs that inhabited the drama of the early modern period The contributors all specialists in the field working in France and England offer a wide spectrum of views and discuss a variety of dramatic texts ranging from late medieval cycle plays and interludes of the Tudor period to plays by Marlowe Shakespeare Tourneur and Jonson The early modern stage self emerges out of this collection as the site of a rich confluence of discursive and historical forces existing beyond the theatre itself Three essays in the first section reveal how abstract figures like Mundus and Mankind gradually became endowed with personal motives and personalizing traits which brought into existence stage beings with a capacity for emotion In the second section three essays deal with specific cultural factors that influenced the representation of selfhood in John Lyly s Alexander in Marlowe s Tamburlaine and in a selection of Stuart court masques presented at Whitehall The third section offers new insights into the composition of Hamlet as a dramatized personality the fourth investigates the way in which the poet playwright s autobiographical impulses may have helped in the construction of early modern stage selves the final fifth section explores the kaleidoscopic sources of the royal protagonists in Rowley s When You See Me You Know Me and Shakespeare s Richard III This collection of essays seeks to add a further contribution to the growing body of criticism that investigates the multi faceted multi layered construction of early modern subjectivity Shakespeare Survey: Volume 55, King Lear and Its Afterlife Peter Holland,2002-10-24 Shakespeare Survey is a yearbook of Shakespeare studies and production Each volume is devoted to a theme or play or group of plays each also contains a section of reviews of criticism and performance For the first time numbers 1 50 are being reissued in paperback *Volition's Face* Andrew Escobedo,2017-04-30 Modern readers and writers find it natural to contrast the agency of realistic fictional characters to the constrained range of action typical of literary personifications Yet no commentator before the eighteenth century suggests that prosopopoeia signals a form of reduced agency Andrew Escobedo argues that premodern writers including Spenser Marlowe and Milton understood personification as a literary expression of will an essentially energetic figure that depicted passion or concept transforming into action As the will emerged as an isolatable faculty in the Christian Middle Ages it was seen not only as the instrument of human agency but also as perversely independent of other human capacities for example intellect and moral character Renaissance accounts of the will conceived of volition both as the means to self creation and the faculty by which we lose control of ourselves After offering a brief history of the will that isolates the distinctive features of the faculty in medieval and Renaissance thought Escobedo makes his case through an examination of several personified figures in Renaissance

literature Conscience in the Tudor interludes Despair in Doctor Faustus and book I of The Faerie Queen Love in books III and IV of The Faerie Queen and Sin in Paradise Lost These examples demonstrate that literary personification did not amount to a dim reflection of realistic fictional character but rather that it provided a literary means to explore the numerous conundrums posed by the premodern notion of the human will This book will be of great interest to faculty and graduate students interested in medieval studies and Renaissance literature Leicester's Men and their Plays Laurie Johnson,2023-10-12 The first full history of the first great Elizabethan play company responsible for developing the main features of Shakespearean theatre The Oxford Handbook of Tudor Drama Thomas Betteridge,Greg Walker,2012-07-19 The Oxford Handbook to Tudor Drama is the authoritative secondary text on Tudor drama It both integrates recent important research across different disciplines and periods and sets a new agenda for the future study of Tudor drama questioning a number of the central assumptions of previous studies Balancing the interests and concerns of scholars in theatre history drama and literary studies its scope reflects the broad reach of Tudor drama as a subject inviting readers to see the Tudor century as a whole rather than made up of artificial and misleading divisions between medieval and renaissance religious and secular pre and post Shakespeare The contributors both the established leaders in their fields and the brightest young scholars attend to the contexts intellectual theatrical and historical within which drama was written produced and staged in this period and ask us to consider afresh this most vital and complex of periods in theatre history The book is divided into four sections Religious Drama Interludes and Comedies Entertainments Masques and Royal Entries and Histories and political dramas

Getting the books **Longer Thou Livest Enough Is As Good A** now is not type of challenging means. You could not without help going when books amassing or library or borrowing from your associates to retrieve them. This is an certainly easy means to specifically get guide by on-line. This online pronouncement Longer Thou Livest Enough Is As Good A can be one of the options to accompany you in the manner of having other time.

It will not waste your time. take me, the e-book will very make public you additional event to read. Just invest little epoch to entry this on-line pronouncement **Longer Thou Livest Enough Is As Good A** as competently as review them wherever you are now.
