Mayo the beautiful young Guatemalan orphan who lives with the family as a maid Similar in age Roger and Flor become close and remain so even after she leaves to attend college at Wellesley After graduation however Flor returns home to Guatemala City where she heads a local orphanage that arranges international adoptions When she is murdered Roger is stunned and can't believe the rumors he hears about her life Years later he travels to Guatemala to uncover the circumstances around Flor's mysterious death in this wonderful book that is as complex as history funny as love painful as death The Washington Post Book World A richly layered genre busting novel that shuttles between suburban Boston and Guatemala City and devours everything in its path Jay McInerney author of Bright Lights Big City

The Long Night of Winchell Dear Robert James Waller, 2007-06-26 The steady tick of an aged Regulator wall clock and the squeak of an overhead fan turning slowly are soft but insistent counting down the night while the high desert thrums like a half remembered Victrola song The sounds are below the consciousness of Winchell Dear an old time gambler a Texas poker player on the southern circuit as he waits for something something vague that his life of chance tells him is evil and moving his way He has gassed and oiled the Cadillac and adjusts the pistol in his right boot then plays one of the six fiddle tunes he knows thinking back to his good days with Lucinda Miller Alone he waits in his remote ranch house while just outside an acquaintance named Luther hunts unblinking and of nervous temperament and moving through yellow primrose bending in the night wind In Diablo Canyon a distant part of Winchell Dear's ranch Peter Long Grass squats by a campfire contemplating the profile he saw moving along the ridge of Guapa Mountain an hour ago thinking about the gambler's housekeeper Sonia Dominguez about the small quiet world he has fashioned far from civilization and what undefined presence might now be threatening it He gathers his tools and begins to run across the desert floor And boring toward all of them is a cream colored Lincoln Continental with two men aboard Traveling from Los Angeles on a mission they've been given they are professionals cool and implacable at the start but becoming steadily more confused by the strange landscape they are passing through Forty minutes from their task they ready themselves while a kitchen wall clock ticks its way through the long night of Winchell Dear The Long Night of Winchell Dear finds master storyteller Robert James Waller at his best as he takes us through the wind and dust of the high desert mountains into the shadowy world of high stakes poker fought in the back rooms of Amarillo and Little Rock and headlong toward the book's stunning finale of chaotic terror where an unexpected hero emerges

LIVING IN THE TIME OF HELTER SKELTER P. Sulon Dolo, 2024-03-14 The main aim of this poetry is to express some of the feelings that were created by the deadly Liberian civil crisis that led many dead homeless and mentally disturbed socially morally and economically imbalanced The result of these conditions set heavy grief and frustration in my heart as the author of this book Most of the poems have emotional tones because of the mood and personal experiences of the writer However these poems are intended to bring consolation and joy in the minds of its readers in order to let out bad feelings I am aware that negative
