## **Look Around Whales:**

**Never Look Back** Marilyn Parman, 2010-04-01 NEVER LOOK BACK is the author's first book. It is a fictionalized memoir most of which is based on actual events in her life and which has been riddled with tragedies, abuse, and crime against her family as well as extreme crime against two of her daughters and against her mother who was murdered. Her husband dies in the end, the crowning blow to her character Marion Whitehead. However, Marion restructures her life and enters the music business again as a virtuoso soloist and chamber ensemble musician primarily after thirty years in retirement due to her latent guilt relative to her daughter's being kidnapped while Marion was on her concert tour. The Ocean's Gift Celeste Mayfield, 2014-09-30 Olivia Duncan lives a boring, ordinary life. She is home schooled along with her best friend Conner. Her social activities are limited to Conner and his grandmother Gerdie who just happens to be their teacher. Her father died before she even got to know him. Her single mother Ann Marie is the local doctor and has no desire to have a life outside of the clinic. Her worst fears come to light when she hears screams and wails that wake her from her sleep. When she goes to investigate the noises, she comes across a fishing boat at the source of the sounds. Poachers are thick in this area of the bay, and she doesn't have to guess what these men are up to. Out here in the middle of the night, Olivia and her best friend Conner come across a bloody scene. The next day while out for a walk, she knows where the blood came from and as she describes the scene to him, a fear bubbles up inside of her. Olivia doesn't ask the question that's been burning in her mind: Conner and his family have been in the fishing business for over three generations. They supply fresh sea food to the local restaurants in town but they also kill larger game for profit. When an abandoned beluga appears while Olivia is sitting on the dock, they both find a friendship worth fighting for. The friendship that they share over the next three years is filled with laughter, fun, amazement, and danger. When Olivia is forced to move, she must leave all hope behind of ever seeing the beluga again. Never in her wildest dreams did she think that the beluga could find her once more. When the beluga appears with her new pod, Olivia realizes that this is her second chance. She calls in a specialist to help her as she fights to keep them all safe and alive. Olivia Duncan is an ordinary girl who lives an ordinary life but finds the chance to save an extraordinary gift. **The Museum of Whales You Will Never See** A. art While we live we are fully responsible for our mental physical emotional and spiritual condition We were born into a specific body and background potentially aware of how on a deeper level everything is interconnected at the level of body soul humanity our planet and the universe at large Creating this book has become a three year journey of healing self acceptance and increasing awareness of the uniqueness of my own journey Where is the place on Earth where I am supposed to be I asked myself a few years ago During that time my natural desire to grow my awareness on the path to mastery in being myself attracted many kindred spirits who whom we support each other We enjoy being and living this mystery together The dream of our soul holds the idea of what it wants to experience and create for ages and across lifetimes The task of our human self is to open up to this big dream of the soul and allow it to reconcile anything that is not aligned with this great soul s intent in our current life Each of us moves within the flow of life as an endless experiment Collectively we are on Earth in the middle of a war for our consciousness and energy The only way out of the chaos is through higher vibrational states of being such as love peace and joy It all starts with our thoughts emotions words and actions Let s not wait for any savior to tell us what to do Instead let s turn inward To the truth about the light of the Source which is our essence Let s anchor in the awareness that we are love and thus allow our body to radiate it in the form of light outside of us A few years ago I had a dream in which I was presented with a list of values that will be fundamental on Earth in the future I missed humanity among them Our soul heart empathy and humanness these qualities are now needed more than ever before As the old structures of the outside world fall apart and we are seemingly constrained by restrictions we are presented a life chance to immerse ourselves inside and by consciously sailing the endless sea of dreams on the waves of love to return to our essence which is crystal clear love Only when we harmonize within may the outside world change The game we play here therefore begins and ends inside each of us
