Look Back On Death:

Looking Back to the Future Griselda Pollock, 2001 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company *Walking Forward, Looking Back* Dinah Latham, 2014-10-28 The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog It is a touchingly honest work written straight from the heart The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve Divorce and single parenthood accompany her career journey while living alone escorts her into retirement It is then that fortune takes a hand or rather a paw and brings Harriet the dog into her life This may just have been the coming together of chance and good timing but destiny or happy accident it was certainly a blessing It was her need to be taken on daily walks that finds our author evoking memories randomly flicking through a lifetime of unwritten diaries Together they share their walks taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway one with an unfamiliar landscape a one way journey into growing old This is a voyage of discovery one that promises many unexpected new experiences not the least of which is their most recent pastime sheepherding **Our Hearts Are Restless Till They Find Their Rest in Thee** Coleman B. Brown, 2020-05-19 Our Hearts Are Restless Till They Find Their Rest in Thee Prophetic Wisdom in a Time of Anguish from Coleman B Brown edited by Michael Granzen and Lisa A Masotta The book includes powerful reflections from Chris Hedges Peter Ochs and Joshua Brown **Disequilibria** Robert Lunday, 2023-02-15 Winner of the River Teeth Literary Nonfiction Prize Series *Disequilibria* Meditations on Missingness is a hybrid memoir that recounts the 1982 disappearance of the author's stepfather James Edward Lewis a pilot and Vietnam veteran Recounting his family's experiences in searching for answers Lunday interrogates the broader cultural and conceptual responses to the phenomenon of missingness by connecting his stepfather's case to other true life disappearances as well as those portrayed in fiction poetry and film In doing so *Disequilibria* explores the transience in modern life considering the military dependent experience the corrosive effects of war and the struggle to find closure and comfort as time goes by without answers

H. Spurgeon, Volume 5 Spurgeon, Charles H.,2015-02-23 Volume 5 Sermons 225 285 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon **The Poetical Works** Christina Georgina Rossetti,1920 *The Key* Madysen Long,2022-07-29 *The Key* By Madysen Long The year is 2088 and the world is different A war killed most of the population and took many of the communities One community was able to survive and rebuild after the war this community is called
