## Look Over Your Shoulder:

*Looking Over Your Shoulder* P.D. Workman, 2014-09-01 A peaceful life shatters under the weight of suspicion Things were going well for Abe Despite all of his past struggles with mental illness he was happily married had three wonderful children a nice home and a fantastic consulting business that satisfied his creativity and brought in a good income But you can never get too comfortable When Abe becomes a prime suspect in a jewel heist one of the largest successful jewel heists in history his schizophrenia becomes unmanageable and everything begins to spiral out of control Abe s own investigation into the heist has the jewel thieves hot on his tail but are they really or is he just losing the battle against his inner demons I really liked the description of mental illness in this book and living with a person like that I m a nurse not a specialist in a psychiatry but from what I know it is pretty accurate portrayal of a schizophrenic person The mystery alone was very compelling I only guessed half of the riddle so the reveal at the end surprised me It was a great novel Another great thing about this book was the main character Abe He was a likeable star at least in my opinion He has playful banters with his children and the schizophrenia part of his character was done very well Will he uncover the truth before it s too late This compelling tale masterfully weaves themes of mental health with a riveting mystery that keeps readers guessing until the very last page Don t miss out on this thought provoking thriller that invites you into Abe s world a place where love and fear intertwine Click to begin your journey through this unforgettable tale filled with suspense emotional depth and shocking revelations Keywords mystery jewel heist schizophrenia mental illness bipolar paranoia family drama ocd allergies foodie addiction substance abuse depression divorce
