these women had toughed it out in a society that favors others by gender class or race They are Desdemonas suffering because of jealous men Lady Macbeths craving the power of their spouses Portias disguised as men in order to get ahead and Shylocks who being betrayed take the law into their own hands So writes Jean Trounstein in Shakespeare Behind Bars In this gripping account Trounstein who spent ten years teaching at Framingham Women s Prison in Massachusetts focuses on six inmates who each in her own way discover in the power of great drama a way to transcend the painful constraints of incarceration We meet Dolly a fiftyish grandmother who brings her knitting to classes and starts a battered women s group in prison Bertie a Jamaican beauty estranged from her homeland torn with guilt and shunned for her crime Kit a tough wisecracking con who stirs up trouble whenever she can until she s threatened with losing her kids Rose an outsider in the prison community who lives with HIV and eventually gains acceptance through drama Rhonda a college educated leader whose life falls apart when her father dies and who struggles in prison to reestablish her roots Mamie a nurse in the free world now the prison gardener who makes cards with poetry and dried flowers and battles her own illness behind bars Shakespeare Behind Bars is a uniquely powerful work that gives voice to forgotten women sheds a compassionate light on a dark world and proves the redemptive power of art and education
