Look At Leninism:

A Look at Leninism Ron Taber, 1988 **Lenin and Leninism: Lenin as the Organizer and Leader of the Russian Communist Party** Joseph Stalin, 2024-05-09

In April 1920 Stalin wrote a commemorative article titled *Lenin as the Organizer and Leader of the Russian Communist Party* often grouped under *Lenin and Leninism*. Delivered on Lenin's 50th birthday at a Moscow Party Committee meeting, it was published soon afterward. In it, Stalin praised Lenin's personal role in building and guiding the Bolshevik Party, attributing to him almost all strategic and organizational achievements of the Revolution. The piece takes on a reverential tone common in Soviet cult of personality, later and sought to remind readers of Lenin's indispensable contribution. This article appeared in 1920 in Moscow, likely in party newspapers or bulletins. It has two sections: the organizer and the leader, though the subtitle used by the *Collected Works* suggests it was one article. Stalin recounts Lenin's early underground work, the foundation of Bolshevik newspapers, victory in factional struggles, and leadership during the Civil War. The core content is laudatory biography; for example, Stalin writes of Lenin's strategy in the October Revolution, his unifying tactics for Soviets, and his influence on policy. Alternative titles are usually not used in English, except *Lenin as Organizer*; some later editions simply list it under *Lenin and Leninism*. The style is hagiographic rather than analytical, reflecting its purpose as a eulogy. Its historical importance is mainly in how it set a tone for Stalin's own image making. Published during Lenin's lifetime, it helped inaugurate the narrative that Stalin was Lenin's right hand man and successor, thus bolstering Stalin's standing. In Soviet history, it has been widely cited as evidence of Stalin's loyalty and ideological continuity with Lenin. After Stalin's death, the article was included in *Stalin's Works*, Vol. 4 (1917-1920), as noted by the official editors. Today, it is viewed as a propagandistic piece reflecting early Soviet efforts to mythologize Lenin; nevertheless, its depictions of events such as Lenin's role in party congresses have sometimes served historians as a source, albeit a very partisan one. This modern Critical Reader's Edition includes an illuminating afterword tracing Stalin's intellectual relationships with revolutionary philosophers and politicians, including Hegel, Feuerbach, Engels, and Ricardo, containing unique research into his intellectual development and economic metaphysical theories, religious impulses masquerading as materialism, a comprehensive timeline of his life and works, a glossary of Lenin-Stalinist terminology, and a detailed index of his work.

Marxism Leninism Fouad Sabry, 2024-08-13

Discover the essential principles and historical impact of Marxism-Leninism in this concise guide, part of the Political Science series. This book offers a detailed exploration of the evolution and influence of this pivotal political ideology, crucial for understanding modern political science and its historical context.

1. **Marxism-Leninism**: Learn the foundational concepts, origins, and its role as a guiding theory for political movements.
2. **Communist Party of the Soviet Union**: Explore the history, structure, and ideology of the party that

shaped Soviet politics 3 Leninism Understand Lenin's interpretation of Marxism and its impact on revolutionary strategies and governance 4 Stalinism Examine Stalin's policies and their enduring impact on the Soviet Union and global communism 5 Trotskyism Discover Trotsky's opposition to Stalinism and his alternative communist vision 6 Bolshevism Study the origins and principles of the Bolshevik faction in the Russian Revolution 7 Communist state Analyze the characteristics and functioning of states governed by communist principles 8 History of communism Trace the development of communist ideology from its inception to the present 9 Marxism Revisit core Marxist ideas and their application in various political contexts 10 Democracy in Marxism Investigate the complex relationship between Marxist theory and democratic principles 11 Communism Gain a broader understanding of communism and its interpretations 12 National communism Explore the adaptation of communist principles to national contexts 13 Ideology of the Communist Party of the Soviet Union Delve into the specific ideological tenets guiding the Soviet Union 14 List of communist ideologies Familiarize yourself with the diverse range of ideologies within the communist movement 15 Marxist schools of thought Compare different interpretations and schools within Marxist theory 16 State socialism Study the concept and practical implementations of state socialism 17 Orthodox Marxism Learn about traditional interpretations of Marxism and their relevance 18 Socialist state Examine the features and functioning of socialist states as envisioned by Marxist theorists 19 Anti-Stalinist left Understand critiques from leftist groups opposing Stalin's policies 20 Proletarian internationalism Explore the idea of international solidarity among working class movements 21 Foundations of Leninism Summarize key elements of Leninist thought and its foundational role in Marxist-Leninist theory

This book is ideal for professionals, students, and enthusiasts seeking in-depth knowledge of Marxism-Leninism, offering invaluable insights beyond basic understanding.

[The Prospects for Liberal Nationalism in Post-Leninist States](#) Cheng Chen, 2010-11-01 *Unfinished Leninism* Paul Le Blanc, 2014-06-15

Praise for Paul Le Blanc's *Lenin and the Revolutionary Party*: A work of unusual strength and coherence inspired not by academic neutrality but by the deep conviction that there is much to learn from the actual ideas and experiences of Lenin. Michael L. Wy As a leader of the Russian Revolution, Vladimir Lenin was perhaps the greatest revolutionary of the twentieth century. These clearly written essays offer an account of his life and times, a lively view of his personality, and a stimulating engagement with his ideas. Paul Le Blanc is a professor of history at La Roche College and has written widely on radical movements.

[Lenin, Hegel, and Western Marxism](#) Kevin Anderson, 1995

This first full-length treatment of Lenin's studies of Hegel presents Lenin as a major figure in Hegelian Marxism, providing a more nuanced portrait of his work than that of either official Marxist-Leninism or most Western accounts. With impressive argumentation and wide-ranging scholarship, Anderson presents us with a Lenin that no one seriously interested in current debates over the relevance of Marxist theory to socialist practice can afford to miss. Bertell Ollman, author of *Dialectical Investigations*: An important contribution to grasping the conceptual roots of Marxist theory and practice. Tom Rockmore, author of *Hegel's Circular Epistemology*: Today, Lenin looks like he did little more than

prepare the way for Stalin You will find the opposite view in this novel study I recommend the book to anyone seriously interested in Russia and revolution George Uri Fischer author of *The Soviet System and Modern Society* [Lenin](#) Robert Service,2011-02-21 Lenin is a colossal figure whose influence on twentieth century history cannot be underestimated Robert Service has written a calmly authoritative biography on this seemingly unknowable figure Making use of recently opened archives he has been able to piece together the private as well as the public life giving the first complete picture of Lenin This biography simultaneously provides an account of one of the greatest turning points in modern history Through the prism of Lenin s career Service examines events such as the October Revolution and the ideas of Marxism Leninism the one party state economic modernisation dictatorship and the politics of inter war Europe In discovering the origins of the USSR he casts light on the nature of the state and society which Lenin left behind and which have not entirely disappeared after the collapse of the Soviet regime in 1991 Immensely scholarly but also vivid and readable This is a splendid book much the best that I have ever read about Lenin I was overwhelmed by the power and vividness of this portrait Dominic Lieven Sunday Telegraph He has managed skilfully to depict the surreal life of an obsessive brilliant and stubborn individual Guardian Lenin s life was politics but Service has succeeded in keeping Lenin the man in focus throughout This book deserves a place among the best studies of one of the most fascinating figures in modern history Harold Shukman The Times **Lenin's Electoral**

Strategy from 1907 to the October Revolution of 1917 August H. Nimtz,2014-03-13 This book is the first full length study of Lenin s party building project and writings on elections looking in detail at his leadership of the Bolshevik wing of the Russian Social Democratic Labor Party in the four state Dumas from 1906 to the beginning of the First World War

Lenin Beryl Williams,2014-06-17 Drawing on the flood of new material to emerge from Russian and Western sources in recent years Beryl Williams focuses on Lenin s years in power and provides first rate introduction to the life ideology and impact of one of the formative figures of the 20th century Within an overall chronological framework Williams examines topics such as cultural revolution foreign policy and expansion As well as being an examination of Lenin s life and work this is an up to date evaluation of recent historiographical debates and literature in the context of the period [The Communist Party In Power](#) Karel Kaplan,Fred H Eidlin,2019-06-21 The aim of this book is simple It seeks to describe the main features of the internal life and functioning of a communist party It reflects both the results of a historian s research and the long years of experience of a communist official and party apparatchik **Essential Texts of Marxism-Leninism** Marx-Engels-Lenin

Institute,2015-01-31 This volume includes The Communist Manifesto by Marx Engels Socialism Utopian and Scientific by Engels State and Revolution by Lenin On Practice and On Contradiction by Mao Foundations of Leninism by Stalin **World Order after Leninism** Vladimir Tismaneanu,Marc Morje Howard,Rudra Sil,2016-06-01 World Order after Leninism examines the origins and evolution of world communism and explores how its legacies have shaped the post Cold War world order The lessons of Leninism continue to exert a strong influence in contemporary foreign affairs most visibly in Poland and

other post communist states of the former Soviet Union but also in China and other newly industrialized states balancing authoritarian impulses against the pressures of globalization free markets and democratic possibilities World Order after Leninism began as a conversation among former students of Ken Jowitt professor of political science at the University of California at Berkeley from 1970 2002 and whose monumental career transformed the fields of political science Russian studies and post communist studies Using divergent case studies the essays in this volume document the ways in which Jowitt s exceptionally original work on Leninism s evolution and consolidation remains highly relevant in analyzing contemporary post communist and post authoritarian political transformations *Congressional Record* United States. Congress,1978 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Lenin and Philosophy and Other Essays** Louis Althusser,2001-11-13 Louis Althusser has tackled a wide variety of subjects including philosophy economics psychology aesthetics and political science This book contains a selection of his writings **The Palgrave Handbook of Russian Thought** Marina F. Bykova,Michael N. Forster,Lina Steiner,2021-05-22 This volume is a comprehensive Handbook of Russian thought that provides an in depth survey of major figures currents and developments in Russian intellectual history spanning the period from the late eighteenth century to the late twentieth century Written by a group of distinguished scholars as well as some younger ones from Russia Europe the United States and Canada this Handbook reconstructs a vibrant picture of the intellectual and cultural life in Russia and the Soviet Union during the most buoyant period in the country s history Contrary to the widespread view of Russian modernity as a product of intellectual borrowing and imitation the essays collected in this volume reveal the creative spirit of Russian thought which produced a range of original philosophical and social ideas as well as great literature art and criticism While rejecting reductive interpretations the Handbook employs a unifying approach to its subject matter presenting Russian thought in the context of the country s changing historical landscape This Handbook will open up a new intellectual world to many readers and provide a secure base for its further exploration *Lenin Lives?* Christopher Read,2024 A lively accessible and wide ranging account of one of the most influential figures of the twentieth century Through a brief but stimulating and penetrating account of his life and chief ideas the study examines how Leninism emerged and became a global force **Soviet Scholasticism** J.E. Blakeley,2012-12-06 The present work is a study of the method of contemporary Soviet philosophy By Soviet philosophy we mean philosophy as published in the Soviet Union For practical purposes we have limited our attention to Soviet sources in Russian in spite of the fact that Soviet philosophical works are also published in other languages see B 2029 21 38 The term method is taken in the sense usual in Western books on methodology 1 In view of the content of the first chapter it will be

useful to explain the last term a little more fully By method we mean a procedure and it is obvious that the principles according to which a procedure is carried out are rules i e imperatives which tell us not what is but what should be done Such imperatives may or may not be connected with and founded on certain descriptive statements the fact that every rule of formal logic is based on a corresponding law has been well known since Husserl's *Logische Untersuchungen* and is generally accepted in contemporary logic but such a foundation is irrelevant to a methodological study The object of such a study is to find out what these rules are why they are accepted and how they are inter connected and applied This is how methodology the science of method is conceived in Western treatises on the subject and this is also the standpoint assumed here **V.I.**

Lenin is Missing Thomas H. Tolmasoff, 1992 This satire introduces four intrepid Russian entrepreneurs who are planning to bridge the gap between socialism and a free market economy by buying and selling contraband Western goods They are clever they are resourceful and they think they are above suspicion because they are the caretakers of the Glorious Remains of the Father of Soviet Communism Then a KGB colonel wants in on the action and someone steals Lenin's body just before it is to be displayed for May Day Sash Natasha Olya and Viktor are in deep trouble unless someone poses as Lenin in the casket

Looking for the Proletariat Stephen Hastings-King, 2014-05-08 Looking for the Proletariat is a contribution to understanding the implosion of the Marxist Imaginary The implosion is staged in terms of the first English language history of the French revolutionary group Socialisme ou Barbarie from 1949 to 1957 It explains why Socialisme ou Barbarie was the only Marxist organization interested by worker experience and how the group's anti Leninist position on organization led it to privilege first person worker narratives in order to understand worker experience and its revolutionary possibilities Using the only first person accounts of working class experience in French industry of the 1950s the book explores the disintegration of collective investment in the Marxist Imaginary that unfolded at Renault's Billancourt factory in the aftermath of the Hungarian Revolution and the contexts that shaped it *Thermidorian Societies and Their Enemies* Leslie Herzberger, 2007-01-25 The author was born in Budapest Hungary in 1946 He served in the U S Army then attended Columbia University School of International Affairs and the Ph D Program in History at New York University This book is part of the follow up of the Ph D Thesis Proposal that the author presented to New York University on December 24 1980 and worked out as a private scholar the next 20 years The work that went into the book spanned a period of around thirty years overall

If you ally habit such a referred **Look At Leninism** book that will pay for you worth, acquire the utterly best seller from us currently from several preferred authors.
