when Gary and Nicole meet by chance Gary doesn't fall in love with the real Nicole Graham just a sanitized version of her. Since childhood Nicole has had a cross to bear that nobody knows about except her mother Reba but she can't tell anyone anymore. Through years of diaries and letters hidden in a secret trunk Gary learns the truth about his beloved. As he reads the story of her life in her own words Nicole clings to life after being involved in a near fatal plane crash. But will he still feel the same about her even if she survives? Can he forgive her for all the lies? This book was written in memory of one of my favourite actors and to remind us that not all illnesses are worn on one's shirt sleeves. **Bookalam Park** Andre Giordano, 2012-05-29

In this book I'm talking about the door of heaven above a footbridge in the center part of the park far from the entrance not easily accessible or visible. It opens only when visitors from heaven want to come to earth for a time value hosted by fairies or vice versa when they have business with their representatives of God in heaven. The door is supposed to open permanently to create a new age for men to enjoy in the near future. The role of men is simple: it is to walk holding in his mind the equilibrium of all the tendencies of the collective karma throughout the planet. For that in my story they are helped by Lord Vishnu, the maintainer of the world. But first and foremost this is also a love story. Love heals, it maintains harmony, it is cosmic and reaches all parts of the universe when strong it erases differences.
