Looking At Religion Christian:

Eight Ways of Looking at Christianity Granville Hicks,1926 **An Evolutionist Looks at Religion** Charles Augustus Collin,1928 **Religions Around the World** Encyclopaedia Britannica, Inc.,2012-04-01 Updated for 2012 and part of the Britannica Learning Library Series in Religions Around the World you will learn about the people traditions and diverse ideas that make up the many religions of the world **Searching for the Truth** Group Publishing Staff,2002-06 Karma dharma and reincarnation a closer look at Hinduism Suffering meditation and right living a closer look at Buddhism Astrology enlightenment and Mother Earth a closer look at the New Age movement The covenant traditions and a missing messiah a closer look at Judaism Duty obedience and discipline a closer look at Islam Devoted followers unusual beliefs and altered truths a closer look at cults So what s the truth a closer look at Christianity **The Search** Harvey Meredith,2016-07-06 This story is an insight into the views and understandings of someone raised in a strict Catholic family forced to learn a religion at the earliest age This study was undertaken after a near lifetime of reflection upon the beliefs and the basis of his religious teachings This exercise in researching the teachings of the Catholic Church and Christian religion in general exposes the triangle of fear guilt and doubt about the religion driven from Rome that has cemented his personal beliefs Living through the jungle of regimented hypocrisy lemming like beliefs and teaching tactics has provided the incentive to personally investigate the subject of Christian religion and to learn as much as possible about the subject that has survived nearly two thousand years *Worldview of the Christian Faith* Joseph Charles Beach,2022-10-27 *Worldview of the Christian Faith* explores the differing worldviews of our society against the backdrop of what Christians should believe Joseph Charles Beach a devoted believer in our Lord and Savior Jesus Christ answers questions such as Why do morals and values matter Is the Bible still relevant in today s modern world How can Christians stand up for the truth instead of caving in to the whims of society Can Christians defend their faith amid so many assaults on God and the Bible The author also explores whether science and the Bible can coexist and argues that skeptics of the Word should give Christianity another look It may surprise you how accurate the Bible is despite what you may have heard Only the Christian faith can offer hope truth and value to you as an individual Whether you have lost your faith want to ignite it or are confused about what to believe you ll find valuable guidance in this book Sermons on the Chief Doctrines and Duties of the Christian Religion, in Their Natural Order William Dalglish,1799 Religion and Life with Christianity Ina Taylor,2005 At the right depth for Religion and Life options Religion and Life with Christianity provides everything you need for Unit B of the Edexcel specification without any redundant material *Rooted in Hope: China - Religion - Christianity Vol 2* Barbara Hoster,Dirk Kuhlmann,Zbigniew Wesolowski,2017-03-27 This Festschrift is dedicated to the former Director and Editor in chief of the Monumenta Serica Institute in Sankt Augustin Germany Roman Malek S V D in recognition of his scholarly commitment to China The two volume work contains 40 articles by his academic colleagues companions in faith confreres as well as by the staff of the

Monumenta Serica Institute and the China Zentrum e V China Center The contributions in English German and Chinese pay homage to the jubilarians diverse research interests covering the fields of Chinese Intellectual History History of Christianity in China Christianity in China Today Other Religions in China Chinese Language and Literature as well as the Encounter of Cultures How You Can Run The Christian Race Successfully Looking Unto Jesus Emmanuel Allotey, 2024-05-28 As Christians we are called to run the race of faith in God by looking unto Jesus This is not only key to running the Christian race successfully but also key to becoming a true disciple of Jesus Christ To be a disciple of Jesus deserves no less than total commitment to learning from Him so we can become like Him and do His works In How You Can Run the Christian Race Successfully you will be inspired to look to Jesus and how to become more like Him You will learn twenty things that every Christian should know about Jesus why you must be a committed Christian and understand why you should not draw back from living by faith regardless of the trials you face You will discover how to overcome trials by faith how to keep the faith and how to live the Christian life Whether you are a new believer or a seasoned Christian this book on Christian discipleship is an invaluable resource for anyone seeking to become a true disciple of Jesus Christ **How to Be a Christian Without Being Religious** Fritz Ridenour, 1970-06-01 Since the days of the Early Church Christians have struggled to find a way to be good to please God by their own efforts They end up carrying a burden God never intended them to bear And what s more their brand of Christianity ends up looking like any other religion of the world bound by joyless rules and rituals Fritz Ridenour s study of the book of Romans provides an antidote to the pharisaical spirit and shows that Christianity is not a religion but a relationship It is not man reaching up but God reaching down Every Christian can enjoy his or her birthright when they realize who they are in Christ The result is a life full of hope joy power and potential *Vodou and Christianity in Interreligious Dialogue* Celucien L. Joseph, Charlene Desir, Lewis A. Clormeus, 2023-10-30 *Vodou and Christianity in Interreligious Dialogue* addresses both historical factors and ideological issues that created antagonism and conflict between Christians and Vodouists in Haiti The book offers practical solutions and strategies to help create a harmonious and peaceful environment between religious practitioners associated with Vodou and Christianity Toward this goal this volume considers various perspectives and theories such as autobiography anthropology ethnographic fieldwork religious experience and gender to examine the subject matter This volume offers practical examples and resources on how to engage in interreligious dialogue and promote interreligious education in Haiti There are three philosophical and practical ideas underlying this book project 1 it is grounded on the belief that religion has value and it could bring social goods to different communities and enhance human dignity and justice 2 it is premised on the idea that dialogue and cooperation are necessary for nation building and human development as democratic ideals and that one of the leading functions of the world s religious traditions is to promote both cooperation and dialogue through mutual understanding and for the common good and 3 that the power and public role of religion in society can be used as a major force of unification and peace building among divergent factions

and schools of thought and to promote reconciliation mutual respect and friendship in the world

Christian Theology and African Traditions Matthew Michael, 2013-05-21 Christian theology is increasingly recognized to be now a non western enterprise since the high concentrations of Christians in the world are no longer found in the Western societies Christian Theology and African Traditions takes seriously this present recognition of the southward movement of Christianity from the western world to a non western setting It seeks to reposition Christian theology and faith to engage the African traditions in classical category of theology proper bibliology anthropology Christology pneumatology soteriology ecclesiology and eschatology and provides unique insights and problems that these classical and systematic categories poses to African Christianity Similarly it provides theological blueprint for non Africans who are interested in knowing the nature and shape of the Christian theology in non western settings

Soul Searching : The Religious and Spiritual Lives of American Teenagers Christian Smith Dr William R Kenan Jr Professor of Sociology University of Notre Dame, Candidate University of North Carolina Melina Lundquist Denton Ph.D, Chapel Hill USA, 2005-01-25 In innumerable discussions and activities dedicated to better understanding and helping teenagers one aspect of teenage life is curiously overlooked Very few such efforts pay serious attention to the role of religion and spirituality in the lives of American adolescents But many teenagers are very involved in religion Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly 60% say that religious faith is important in their lives 40% report that they pray daily 25% say that they have been born again Teenagers feel good about the congregations they belong to Some say that faith provides them with guidance and resources for knowing how to live well What is going on in the religious and spiritual lives of American teenagers What do they actually believe What religious practices do they engage in Do they expect to remain loyal to the faith of their parents Or are they abandoning traditional religious institutions in search of a new more authentic spirituality This book attempts to answer these and related questions

as definitively as possible It reports the findings of The National Study of Youth and Religion the largest and most detailed such study ever undertaken The NYSR conducted a nationwide telephone survey of teens and significant caregivers as well as nearly 300 in depth face to face interviews with a sample of the population that was surveyed The results show that religion and spirituality are indeed very significant in the lives of many American teenagers Among many other discoveries they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought They refute the conventional wisdom that teens are spiritual but not religious And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes This eagerly awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but because teenagers serve as bellwethers for possible future trends it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole *From the Outside Looking In* Matthew J.

Grow, 2015-10-01 This book contains fifteen essays each first presented as the annual Tanner Lecture at the conference of the Mormon History Association by a leading scholar Renowned in their own specialties but relatively new to the study of Mormon history at the time of their lectures these scholars approach Mormon history from a wide variety of perspectives including such concerns as gender identity creation and globalization Several of these essays place Mormon history within the currents of American religious history for example by placing Joseph Smith and other Latter day Saints in conversation with Ralph Waldo Emerson Nat Turner fellow millenarians and freethinkers Other essays explore the creation of Mormon identities demonstrating how Mormons created a unique sense of themselves as a distinct people Historians of the American West examine Mormon connections with American imperialism the Civil War and the wider cultural landscape Finally the essayists look at continuing Latter day Saint growth around the world within the context of the study of global religions Examining Mormon history from an outsider's perspective the essays presented in this volume ask intriguing questions share fresh insights and perspectives analyze familiar sources in unexpected ways and situate research on the Mormon past within broader scholarly debates **Psychology of Religion and Families** Loren D. Marks, David C. Dollahite, 2025-07-21 Now in its second edition this multidisciplinary text addresses the growing scholarly connection between religion and family life while offering an accurate and engaging account of why and how families are impacted by their religion This updated volume integrates the social science literature from family studies psychology sociology and religion with narratives drawn from in depth interviews with 300 racially religiously and regionally diverse families that bring the concepts to life Written in a thought provoking accessible style by two of the leading researchers in the field this book reflects the author's first hand experience in teaching today's students about religion's influence on families This book examines Christianity Judaism and Islam addresses the impact of religious involvement on longevity divorce rates and parenting styles and considers demographic family couple and individual level data that relate to prayer and other sacred practices New chapters explore
