

A person stands in silhouette in a dark, textured field, looking towards a bright sunset. In the distance, a city skyline is visible against the glowing horizon. The sky transitions from a deep orange near the horizon to a dark, clear blue at the top.

To find yourself, think
for yourself.

The Works of Jack London: Novels, Short Stories, Poems, Plays, Memoirs & Essays Jack London, 2023-12-22 The Works of Jack London Novels Short Stories Poems Plays Memoirs Essays is a comprehensive anthology that encapsulates the multifaceted literary contributions of one of America's most iconic writers. Featuring a rich tapestry of narratives that span adventure, social critique, and existential exploration, this collection showcases London's trademark blend of realism and romanticism. With a keen eye for the natural world and the struggles of the human spirit, London's prose is characterized by vivid imagery and robust dialogue reflecting the tumultuous backdrop of early 20th-century America, a time marked by social upheaval, industrialization, and a burgeoning interest in socialism. Jack London, born in 1876, emerged from a challenging upbringing to become a voice of the working class and the wilderness. His experiences as a gold prospector, sailor, and social activist profoundly shaped his worldview and literary output. London's commitment to exploring themes of survival and the primal instincts of humanity stems from his own life experiences that oscillated between profound hardship and artistic success, producing an oeuvre that resonates with readers of all stripes. This anthology is highly recommended for anyone interested in classic American literature, offering an unparalleled glimpse into the psyche of a writer who was not only a storyteller but also a keen observer of society. London's works remain vital for understanding the interplay between man, nature, and the societal structures that govern human life, making this collection an essential read for scholars, students, and lovers of literature alike.

You, This Is Me...OVER?! Clinton Beaudel Dooley, *You This Is Me Over* Charts former Green Beret Clinton Beaudel Dooley's journey from elite soldier and seasoned veteran of both the Afghanistan and Iraq wars to his struggles with post-traumatic stress disorder after several tours of duty, a near-fatal breakdown, and through his recovery. Clint's works show a fractured person who brought back together by the love of his exceptionally strong wife, fellow brothers in arms, forgiving family, fur babies, and rediscovered connection to the world outside himself. After years of cycling in and out of war zones, of trying to switch back and forth between being a soldier in the thick of war and being a loving husband and everyday person at home, he understands why veterans sometimes get stuck in between the competing inner and outer worlds of God, Family, and Country, which hinder many war veterans from fully fitting back into a society they have all fought to protect. *You This Is Me Over* offers veterans, their loved ones, and health care professionals an insight into what is going on inside the veterans' hearts and heads with the hope of increasing understanding and opening up conversations that will save lives. Together, all the works present the many facets of a person's experience with PTSD. If you read one or all of them and it speaks to you or allows you to show a loved one what you are experiencing, then *YOU THIS IS ME OVER* has been worth writing.
