Looking Back 199:

Prologue ,1999 *A Pastor's Legacy ...* Rev. Robert B. Nichol (Galashiels.),1864 *A pastor's legacy: extr. from the MSS. of the late rev. R.B. Nichol, with intr. notice by J.A. Wallace* Robert Burns Nichol,1864 *New Maths in Action S2/3 Pupil's Book* Edward C. K. Mullan,2003-05-15 This text has been developed to provide an easy to use course completely in line with the Mathematics 5 14 national Guidelines in Scotland The book contains features designed to allow more effective teaching in the classroom All material and exercises throughout the books in this series are clearly identified with a 5 14 level indicator while identical chapter titles and introductions enable mixed ability and streamed teaching Scenario Based Strategy Paul de Ruijter,2016-04-01 We need strategy The world is changing the future uncertain What is required is vision What might the future bring Where is our business going What are our fundamental business values This book is a manual for all those who want to apply strategy in organisations It is intended for everyone who wants to put the future on the agenda to look beyond the short term and beyond mere profit It describes in practical terms the eight questions we must continually discuss in order to pursue a future proof strategy in a dynamic and uncertain world mission trends scenarios options vision roadmap action and monitoring If you are dissatisfied with an approach to strategy based on simple backward looking analysis management controls and problems solving after the fact but would like to make a positive contribution to thinking about the future Scenario based Strategy offers the instruments to turn your intention into practice The text provides examples from commercial to government and trade organizations showing how others have undertaken future explorations and how they used these explorations to create a dynamic strategy Paul de Ruijter has a deep insight into the theory alongside practical experience working with some of the most highly regarded and resilient organizations The result is a rich combination of methodology and practical engaging examples that shows you how to go about creating an agenda for the future The Christena Disaster Forty-Two Years Later—Looking Backward, Looking Forward Whitman T. Browne PhD,2013-04-23 On a sunny afternoon in August of 1970 the Eastern Caribbean was without warning confronted with a terrible and tragic event The Christena a well used ferry that regularly crossed the eleven mile expanse between the twin islands of St Kitts and Nevis sank The two British colonial societies were suddenly thrown into turmoil finding themselves unprepared to deal with such sudden tragedy The ferry was registered to carry 155 passengers but it was severely overloaded While ninety nine people survived that afternoon nearly 250 other passengers perished disaster As if their struggle to heal after the tragedy was not taxing enough the islands had yet more adversity to conquer However both societies were determined to overcome that terrible event even as they fought to achieve greater political independence Told from the perspective of Whitman T Browne PhD a native of Nevis who lived on the island at the time of the tragedy The Christena Disaster Forty Two Years Later is a moving firsthand account of how these sister communities banded together not only to win their political autonomy but also to overcome their emotional suffering as a result of greater tragedy

Unmaking Waste Sarah Newman, 2023-05-26 Explores the concept of waste from fresh historical cultural and geographical perspectives Garbage is often assumed to be an inevitable part and problem of human existence But when did people actually come to think of things as trash as becoming worthless over time or through use as having an end Unmaking Waste tackles these questions through a long term cross cultural approach Drawing on archaeological finds historical documents and ethnographic observations to examine Europe the United States and Central America from prehistory to the present Sarah Newman traces how different ideas about waste took shape in different times and places Newman examines what people consider to be waste and how they interact with it as well as what happens when different perceptions of trash come into conflict Conceptions of waste have shaped forms of reuse and renewal in ancient Mesoamerica early modern ideas of civility and forced religious conversion in New Spain and even the modern discipline of archaeology Newman argues that centuries of assumptions imposed on other places times and peoples need to be rethought This book is not only a broad reconsideration of waste it is also a call for new forms of archaeology that do not take garbage for granted Unmaking Waste reveals that waste is not and never has been an obvious or universal concept
