Walking Forward, Looking Back Dinah Latham, 2014-10-28 The book tells the story of a retired district nurse and midwife reflecting on her life whilst walking with her close companion Harriet the dog It is a touchingly honest work written straight from the heart The reader will both laugh and cry as the author recounts many moving stories of patients cared for in 1960s London The writings so patently contrast care in the community then and now that it becomes impossible not to regret the passing of a time when nursing was seen as a vocation when nurses were proud to serve Divorce and single parenthood accompany her career journey while living alone escorts her into retirement It is then that fortune takes a hand or rather a paw and brings Harriet the dog into her life This may just have been the coming together of chance and good timing but destiny or happy accident it was certainly a blessing It was her need to be taken on daily walks that finds our author evoking memories randomly flicking through a lifetime of unwritten diaries Together they share their walks taking the reader through the changing seasons of the Chiltern countryside while also travelling a new pathway one with an unfamiliar landscape a one way journey into growing old This is a voyage of discovery one that promises many unexpected new experiences not the least of which is their most recent pastime sheepherding

author's Five Laws of Money which help in making wise choices to erase debt and build a sound financial future **Kiss My Black Ass!** Anthony X, 2016-11-09 This book is his journey a Black Kiss story that's full of funny entertaining and in some cases heartbreaking stories of his years as a die hard Kiss fan committed to the hottest band in the land. It's the voice for everyone who was there and remembers what it was like being a hardcore Kiss fan back in the day with all the mystery excitement anticipation and mania but also the rejection taunting and funny looks. So get ready to go back to a time before you had a full time job responsibilities commitments the stress of daily life and when Kiss was the most important thing in your life. Get ready to relive your magical Kiss years all over again Cast Your Bread Warren Ravenscroft, 2015-04-14 In the first book Devotional Talks for the Busy Leader and the second book Bible Studies for the Busy Leader the author sought to bring easy reading material to those who chose to explore the word of God. Again in this book easy reading material has been produced in essence making God's word easier to understand. More Devotional Talks and More Bible Studies have been added to those already produced to take those who seek further enlightenment on a journey only God can make happen through the Holy Spirit. As with all the previous writings what is done with the revelations revealed is the most important issue we can embrace in our spiritual lives. It is all about God and nothing about the individual. To those who seek with all their heart will be rewarded by God revealing secrets to them through the Holy Spirit in his time and at his pace. It is a learning and growing process. Through these easy read talks and studies the author hopes to awaken a keener interest in the word of life. Our spiritual life and the teaching combined should take us to heights we would never have expected for those who are of the called. While much happens in our lives the author has shared his own life and how God has worked through many channels to bring the revealed word into his life. While his journey or walk has always been about trust in a God to direct his life the way God chose to do this has in hindsight left the author with a sense of Why me. As you read may you to experience the riches of God's word as he reveals himself to your own heart **Jet**, 1986-01-13 The weekly source of African American political and entertainment news Through the Kindness of Ravens Ron Swan, 2009-08-13 A bestselling novelist world renowned photographer artist and inventor Jakeb Hoke loves life and loves being in control.
