Looking For A Hero Staff Sergeant Joe Ronnie Hooper And The Vietnam War:

Looking for a Hero Peter Maslowski, Don Winslow, 2004-01-01 The complicated truth about American hero Joe Ronnie Hooper widely acclaimed as the Vietnam War's most highly decorated soldier is set against the turbulent backdrop of the 1960s and 1970s and draws on extensive interviews with friends family members and military colleagues in a definitive study by the author of *A Cool Breeze on the Underground*

Looking for a Hero Peter Maslowski, Don Winslow, 2020-10-08 Widely acclaimed as the Vietnam War's most highly decorated soldier Joe Ronnie Hooper in many ways serves as a symbol for that conflict His troubled tempestuous life paralleled the upheavals in American society during the 1960s and 1970s and his desperate quest to prove his manhood was uncomfortably akin to the macho image projected by three successive presidents in their tough policy in Southeast Asia *Looking for a Hero* extracts the real Joe Hooper from the welter of lies and myths that swirl around his story in doing so the book uncovers not only the complicated truth about an American hero but also the story of how Hooper's war was lost in Vietnam not at home Extensive interviews with friends fellow soldiers and family members reveal Hooper as a complex gifted and disturbed man They also expose the flaws in his most famous and treasured accomplishment earning the Medal of Honor In the distortions half truths and outright lies that mar Hooper's medal of honor file authors Peter Maslowski and Don Winslow find a painful reflection of the army's inability to be honest with itself and the American public with all the dire consequences that this dishonesty ultimately entailed In the inextricably linked stories of Hooper and the Vietnam War the nature of that deceit and of America's defeat becomes clear

[America's Heroes](#) James H. Willbanks, 2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country from the Civil War to the conflicts in Iraq and Afghanistan *America's Heroes Medal of Honor Recipients* from the Civil War to Afghanistan pays tribute to Americans who have demonstrated uncommon valor in the face of great danger The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award many of them by risking or sacrificing their lives to save the lives of others The stories of these individuals chosen to reflect the wide diversity of ethnic and cultural backgrounds branches of service and conflicts of the recipients will broaden readers understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it In addition to the gripping stories of these heroic Americans this unique encyclopedia includes an introduction that chronicles the evolution in the award's significance The Medal of Honor has changed greatly over the last 150 years not only in the design of the physical decoration itself but also in terms of the qualifying criteria for the award's recipients

Phoenix and the Birds of Prey Mark Moyer, 2007-12-01 This study explodes prevailing myths about the Phoenix Program the CIA's top secret effort to destroy the Viet Cong by neutralizing its civilian leaders Drawing on recently declassified documents and interviews with American South Vietnamese and North Vietnamese sources Mark Moyer examines the attempts to eradicate the Viet Cong infrastructure and analyzes their effectiveness He addresses

misconceptions about these efforts and provides an accurate complete picture of the allies decapitation of the Viet Cong shadow government Combining social and political history with a study of military operations Moyer offers a fresh interpretation of the crucial role the shadow government played in the Viet Cong's ascent Detailed accounts of intelligence operations provide an insider's view of their development and reveal what really happened in the safe havens of the Viet Cong Filled with new information Moyer's study sets the record straight about one of the last secrets of the Vietnam War and offers poignant lessons for dealing with future Third World insurgencies This Bison Books edition includes a new preface and chapter by the author

Vietnam War James H. Willbanks, 2013-01-08 The Vietnam War was one of America's longest bloodiest and most controversial wars This volume examines the complexities of this protracted conflict and explains why the lessons learned in Vietnam are still highly relevant today Vietnam War The Essential Reference Guide provides a compendium of the key people places organizations treaties and events that make up the history of the war explaining its causes how it was conducted and its far reaching consequences Written by recognized authorities this ready reference volume provides essential information all in one place and includes a comprehensive list of additional sources for further study The work presents a detailed chronology that outlines the numerous battles and campaigns throughout the war such as the Tet Offensive the Battle of Hamburger Hill Operation Rolling Thunder and the Battle of Hue Biographies on Lyndon Johnson William Westmoreland Robert McNamara Ngo Dinh Diem and other major political figures and military leaders provide insight into the individuals who played key roles in the conflict while primary source documents such as President Nixon's speech on Vietnamization provide invaluable historical context

Vietnam War Almanac James H. Willbanks, 2013-09-03 With more than 58 000 casualties and 300 000 wounded at a cost of more than 130 billion the Vietnam War became one of the most divisive conflicts in American history The scars left by the war can still be felt today making it crucial that we have the facts about this watershed event Vietnam War Almanac contains a chronological history of the war in Vietnam with day by day listings of the war on the ground in the air and at sea international and U S events and a biographical dictionary of major military and civilian figures It may be impossible to fully understand such a complicated and horrible struggle but for the families of veterans and for historians the thorough presentation here along with its extensive bibliography and index is an excellent place to start Coverage here includes The Tet Offensive Walter L Cronkite The Battle of Dien Bien Phu Vo Nguyen Giap Ngo Dinh Diem The Battle of Ia Drang Valley Robert S McNamara The Battle of Hamburger Hill Abbie Hoffman The Battle of An Loc And much more President Nixon claimed that the war was misreported then and it is misremembered now This almanac will ensure that it is remembered correctly

The Tet Offensive James H. Willbanks, 2008 In the Tet Offensive of 1968 Viet Cong and North Vietnamese forces launched a massive countrywide attack on South Vietnam Though the Communists failed to achieve their tactical and operational objectives James Willbanks claims Hanoi won a strategic victory The offensive proved that America's progress was grossly overstated and caused many

Americans and key presidential advisors to question the wisdom of prolonging combat Willbanks also maintains that the Communists laid siege to a Marine combat base two weeks prior to the Tet Offensive known as the Battle of Khe Sanh to distract the United States It is his belief that these two events are intimately linked and in his concise and compelling history he presents an engaging portrait of the conflicts and singles out key problems of interpretation Willbanks divides his study into six sections beginning with a historical overview of the events leading up to the offensive the attack itself and the consequent battles of Saigon Hue and Khe Sahn He continues with a critical assessment of the main themes and issues surrounding the offensive and concludes with excerpts from American and Vietnamese documents maps and chronologies an annotated list of resources and a short encyclopedia of key people places and events An experienced military historian and scholar of the Vietnam War Willbanks has written a unique critical reference and guide that enlarges the debate surrounding this important turning point in America s longest war *The War That Never Ends* David L. Anderson, John

Ernst, 2014-03-11 More than three decades after the final withdrawal of American troops from Southeast Asia the legacy of the Vietnam War continues to influence political military and cultural discourse Journalists politicians scholars pundits and others have used the conflict to analyze each of America s subsequent military engagements Many Americans have observed that Vietnam era terms such as cut and run quagmire and hearts and minds are ubiquitous once again as comparisons between U S involvement in Iraq and in Vietnam seem increasingly appropriate Because of its persistent significance the Vietnam War era continues to inspire vibrant historical inquiry The eminent scholars featured in *The War That Never Ends* offer fresh and insightful perspectives on the continuing relevance of the Vietnam War from the homefront to humping in the boonies and from the great halls of political authority to the gritty hotbeds of oppositional activism The contributors assert that the Vietnam War is central to understanding the politics of the Cold War the social movements of the late twentieth century the lasting effects of colonialism the current direction of American foreign policy and the ongoing economic development in Southeast Asia The seventeen essays break new ground on questions relating to gender religion ideology strategy and public opinion and the book gives equal emphasis to Vietnamese and American perspectives on the grueling conflict The contributors examine such phenomena as the role of women in revolutionary organizations the peace movements inspired by Buddhism and Ho Chi Minh s successful adaptation of Marxism to local cultures *The War That Never Ends* explores both the antiwar movement and the experiences of infantrymen on the front lines of battle as well as the media s controversial coverage of America s involvement in the war *The War That Never Ends* sheds new light on the evolving historical meanings of the Vietnam War its enduring influence and its potential to influence future political and military decision making in times of peace as well as war **Historical Dictionary of the War in Vietnam** Ronald B. Frankum

Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an

understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

Crucible Vietnam A.T. Lawrence, 2014-11-26 This is the personal account of an army infantry platoon leader and commanding officer in the central highlands of Vietnam during 1967 and 1968 when he was 21 years old These were the two bloodiest years of the war a time when the U S army employed search and destroy missions with high casualty rates The author provides a historical overview and casualty report of the Vietnam War 15 information about his military and officer training and his return to civilian life after Vietnam
