Living Up the Road from Laura Ingalls Dan L. White, 2015-01-07 Laura Ingalls and Almanzo Wilder lived in the Missouri Ozarks for over a half century They loved the scenery the mild climate their little Rocky Ridge Farm the people They loved their life in the Ozarks So what's it like to live a life like that just up the road from Laura's place Dan L. White and family have done that for over a quarter century During that time they wrote a number of books about Laura and her books and her life *Living Up the Road from Laura Ingalls* With Excerpts from Seven Books about Her is a sampler of some of those books along with the story of their personal life in the Ozarks They found out that living up the way from Laura's place led to much the same way of life As she so well stated I believe we would be happier to have a personal revolution in our individual lives and go back to simpler living and more direct thinking It is the simple things of life that make living worthwhile the sweet fundamental things such as love and duty work and rest and living close to nature
