Cutright**

Looking Back At Washington La The Memoirs Of David Jasper Mcnicoll:

Looking Back at Washington, La David Jasper McNicoll, Paul L. Lastrapes, 1996 **Looking Back at Washington, LA**
Paul L. Lastrapes, 1997-01-01 Steamboats on Louisiana's Bayous Carl A. Brasseaux, Keith P. Fontenot, 2004-11-01 In an extraordinary feat of research and intrepid historical navigation Carl A Brasseaux and Keith P Fontenot serve as guides through the labyrinthian and often harrowing world of Louisiana bayou steamboat journeys of the mid to late nineteenth century The bayou country s steamboat saga mirrors in microcosm the tale of America s most colorful and most highly romanticized transportation era But Brasseaux and Fontenot brace readers with a boldly revisionist picture of the opulent Mississippi River floating palaces stripped down utilitarian freight haulers belching smoke from twin stacks churning through shallow swamps and narrow tributary streams and encountering such hazards as shoals sawyers stumps highwater and dry bed seasons and the remains of vessels claimed by those treacheries For decades steamboats transported goods passengers and mail between New Orleans and south Louisiana s vibrant interior agricultural region bearing testimony to the resourcefulness ingenuity and tenacity of crews in conquering the challenges posed by a forbidding environment Brasseaux and Fontenot marshaled a monumental array of information including sources long buried in courthouses private collections and the records of the Army Corps of Engineers They offer data on some five hundred steamboats keelboats and barges known to have operated in the bayou country This book is the first major study of a fascinating slice of the steamboat industry showcasing a trade critically important to New Orleans s prosperity but largely forgotten in southern historiography until now Encompassing economic social transportation and environmental history it captures the period just before the iron horse emerged as America s undisputed master of inland conveyance **The Papers of Jefferson Davis** Jefferson Davis, 2012-03-12 Volume 13 of *The Papers of Jefferson Davis* follows the former president of the Confederacy as he becomes head of the Carolina Life Insurance Company of Memphis and attempts to gain a financial foothold for his newly reunited family Having lost everything in the Civil War and spent two years immediately afterwards in federal prison Davis faced a mounting array of financial woes health problems and family illnesses and tragedies in the 1870s Despite setbacks during this decade Davis also began a quest to rehabilitate his image and protect his historical legacy Although his position with the insurance company provided temporary financial stability Davis resigned after the Panic of 1873 forced the sale of the company and its new owners canceled payments to Carolina policyholders He left for England the following year in search of employment and to recuperate from ongoing illnesses In 1876 Davis became president of the London based Mississippi Valley Society and relocated to New Orleans to run the company Throughout the 1870s Davis waged an expensive and seemingly endless legal battle to regain his prewar Mississippi plantation Brierfield He also began working on his memoirs at Beauvoir the Gulf Coast estate of a family friend Though disfranchised Davis addressed the subject of politics with more frequency during this decade criticizing the Reconstruction policies of the federal government while defending the South and

the former Confederacy The volume ends with Davis s inheritance of Beauvoir which was his last home The editors have drawn from over one hundred manuscript repositories and private collections in addition to numerous published sources in compiling Volume 13 A Case for Solomon Tal McThenia,Margaret Dunbar Cutright,2012-08-14 The spellbinding story of one of the most celebrated kidnapping cases in American history the kidnapping of Bobby Dunbar and a haunting family mystery that took almost a century to solve THE MOST NOTORIOUS KIDNAPPING CASE IN AMERICAN HISTORY In 1912 four year old Bobby Dunbar went missing in the Louisiana swamps After an eight month search that electrified the country and destroyed Bobby s parents the boy was found filthy and hardly recogniz able A wandering piano tuner was arrested and charged with kidnapping a crime then punishable by death But when a destitute single mother came forward from North Carolina to claim the boy as her son not the lost Bobby Dunbar the case became a high pitched battle over custody and identity that divided the South A gripping historical mystery A Case for Solomon chronicles the epic century long effort to unravel the startling truth *Acadian Plantation Country Cookbook* Anne Butler,2007-01-01 A historical pictorial and gastronomic tour of the plantations west of the Atchafalaya Basin in southern Louisiana introduces traditional recipes from the area that celebrate Louisiana s diverse heritage **Chicago Tribune Index** ,2000

Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Looking Back At Washington La The Memoirs Of David Jasper Mcnicoll**

In a world inundated with monitors and the cacophony of fast connection, the profound power and emotional resonance of verbal beauty often disappear into obscurity, eclipsed by the regular onslaught of sound and distractions.
