Looking For Chengdu A Womans Adventures In China:

Looking for Chengdu Hill Gates,1999 **Looking for Chengdu** Hill Gates,1999 Memoir of the author s trips to the Sichuan Province of China during the late 1980s Her intention was to gain a deeper understanding of Chinese women and to learn what the Chinese defined as women s rights *Chinese Women - Living and Working* Anne McLaren,2005-08-05 Experts in gender politics media studies and anthropology discuss the impact of economic reform and globalization on Chinese women in family businesses management the professions the prostitution industry and domestic service Women in China from Earliest Times to the Present Robin Yates,2009-07-31 This essential reference work provides an alphabetic listing with an extensive index of studies on women in China from earliest times to the present day written in Western languages primarily English French German and Italian Containing more than 2500 citations of books chapters in books and articles especially those published in the last thirty years and more than 100 titles of doctoral dissertations and Masters theses it covers works written in the disciplines of anthropology and sociology art and archaeology demography economics education fashion film and media studies history interdisciplinary studies law literature music medicine science and technology political science and religion and philosophy It also contains many citations of studies of women in Hong Kong and Taiwan Footbinding and Women's Labor in Sichuan Hill Gates,2014-12-05 When Chinese women bound their daughters feet many consequences ensued some beyond the imagination of the binders and the bound The most obvious of these consequences was to impress upon a small child s body and mind that girls differed from boys thus reproducing gender hierarchy What is not obvious is why Chinese society should have evolved such a radical method of gender marking Gendering is not simply preparation for reproduction rather its primary significance lies in preparing children for their places in the division of labor of a particular political economy Drawing on extensive fieldwork and interviews with almost 5 000 women this book examines footbinding as Sichuan women remember it from the final years of the empire and the troubled times before the 1949 revolution It focuses on two key questions what motivated parents to maintain this custom and how significant was girls work in China s final pre industrial century In answering these questions Hill Gates shows how footbinding was a form of labor discipline in the first half of the twentieth century in China when it was a key institution in a now much altered political economy Countering the widely held views surrounding the sexual attractiveness of bound feet to Chinese men footbinding as an ethnic boundary marker its role in female hypergamy and its connection to state imperatives this book instead presents a compelling argument that footbinding was in fact a crucial means of disciplining of little girls to lives of early and unremitting labor This vivid and fascinating study will be of huge interest to students and scholars working across a wide range of fields including Chinese history oral history anthropology and gender studies **The People's Republic of Amnesia** Louisa Lim,2014 One of the best analyses of the impact of Tiananmen throughout China in the years since 1989 The New York Times Book Review The Teahouse Under Socialism Di Wang,2018-06-15 This text explores

urban public life through the microcosm of the Chengdu teahouse Like most public spaces the teahouse was and still is an enduring symbol of Chinese popular culture stemming back centuries and prevailing through political transformations modernization and globalization The time period covered begins basically with the establishment of the People s Republic in 1949 50 goes through the end of the Cultural Revolution and into the post Mao reform era

Becoming American, Being Indian Madhulika S. Khandelwal,2018-08-06 Since the 1960s the number of Indian immigrants and their descendants living in the United States has grown dramatically During the same period the make up of this community has also changed the highly educated professional elite who came to this country from the subcontinent in the 1960s has given way to a population encompassing many from the working and middle classes In her fascinating account of Indian immigrants in New York City Madhulika S Khandelwal explores the ways in which their world

has evolved over four decades How did this highly diverse ethnic group form an identity and community Drawing on her extensive interviews with immigrants Khandelwal examines the transplanting of Indian culture onto the Manhattan and Queens landscapes She considers festivals and media food and dress religious activities of followers of different faiths work and class gender and generational differences and the emergence of a variety of associations Khandelwal analyzes how this growing ethnic community has gradually become more Indian with a stronger religious focus larger family networks and increasingly traditional marriage patterns She discusses as well the ways in which the American experience has altered the lives of her subjects

American Anthropology and Company Stephen O. Murray, 2018-08-01 In *American Anthropology and Company* linguist and sociologist Stephen O Murray explores the connections between anthropology linguistics sociology psychology and history in broad ranging essays on the history of anthropology and allied disciplines On subjects ranging from Native American linguistics to the pitfalls of American Latin American and East Asian fieldwork among other topics *American Anthropology and Company* presents the views of a historian of anthropology interested in the theoretical and institutional connections between disciplines that have always been in conversation with anthropology Recurring characters include Edward Sapir Alfred Kroeber Robert Redfield W I and Dorothy Thomas and William Ogburn While histories of anthropology rarely cross disciplinary boundaries Murray moves in essay after essay toward an examination of the institutions theories and social networks of scholars as never before maintaining a healthy skepticism toward anthropologists views of their own methods and theories

Choosing Revolution Helen Praeger Young, 2001-10-16 Young's *Choosing Revolution* reveals the complex interplay between women's experiences and the official almost mythic version of the Long March In addition to their riveting stories of the march itself Young's subjects reveal much about what it meant in China to grow up female and in many cases poor during the first decades of the twentieth century In speaking about the work they did and how they adapted to the demands of being a soldier these women both educated individuals who were well known leaders and illiterate peasants reveal the Long March as only one of many segments of the revolutionary paths they chose

BOOK JACKET *Ginseng and Aspirin* Zibin Guo, 2000 Navigating the maze of modern American health care is rarely easy those who enter it are confronted with a dizzying array of specialists practitioners and clinics from which to choose and are forced to make decisions regarding drugs and treatments about which they may know very little For immigrants finding their way can be difficult especially for those to whom Western medicine is itself unfamiliar In this engaging accessible and detail rich book Zibin Guo narrates elderly Chinese immigrants response to contemporary American medicine Traditional Chinese medicine emphasizes self care and the medicinal value of foods and herbs American doctors responses to the ailments of their Chinese patients can seem impersonal and unnecessarily interventionist Distrust expense and problems of communication and interpretation often frustrate both patient and practitioner Guo paints a picture of a population that despite its outward appearance of homogeneity demonstrates a surprisingly wide variety of health care knowledge practice and belief Using case materials and

interviews he analyzes the blend of folk treatments and respect for Western science that coexist in the health care regimens of these elderly Chinese immigrants
