Looking For Eagles Reflections Of A Classical Naturalist:

Looking for Eagles Janet Lembke,1990 A collection of nature essays The author finds that much of what fascinates her in nature has classical origins from the rich mythic roots of otherwise dusty scientific nomenclature to a revival of the classical view of the natural world in which humankind is but one part of a marvelously diversified whole **Reflections and New Perspectives on Virgil's Georgics** Nicholas Freer,Bobby Xinyue,2019-02-21 Virgil s Georgics the most neglected of the poet s three major works is brought to life and infused with fresh meanings in this dynamic collection of new readings The Georgics is shown to be a rich field of inherited and varied literary forms actively inviting a wide range of interpretations as well as deep reflection on its place within the tradition of didactic poetry The essays contained in this volume contributed by scholars from Australia Europe and North America offer new approaches and interpretive methods that greatly enhance our understanding of Virgil s poem In the process they unearth an array of literary and philosophical sources which exerted a rich influence on the Georgics but whose impact has hitherto been underestimated in scholarship A second goal of the volume is to examine how the Georgics with its profound meditations on humankind nature and the socio political world of its creation has been re interpreted and appropriated by readers and critics from antiquity to the modern era The volume opens up a number of exciting new research avenues for the study of the reception of the Georgics by highlighting the myriad ways in which the poem has been understood by ancient readers early modern poets explorers of the New World and female translators of the twentieth and twenty first centuries **Hecuba** Euripides,1991 A translation of Euripides play Hecuba in which Hecuba grieves over the loss of a daughter and takes revenge for her fallen son **The Publishers Weekly** ,1897
