Looking For Snails On A Sunday Afternoon:

The Ebb and Flow of Life Konrad Kümmel, 1917 *The Chronicle*, 1869 The Horn Island Logs of Walter Inglis Anderson Walter Inglis Anderson, 1985 A revelation of the art and mind of a unique artist lost and alone in the world of nature this beautiful book records Anderson's experiences on one of the barrier islands in the Gulf of Mexico over a period of twenty years Revised edition **Crossings** Bernie Page, 2019-11-18 How could they have known Four young school friends encounter a new teacher who is warm and wise but whom they feel is strangely out of place Intrigued they sense she is trying to prepare them for something but none could imagine what God had in store When the friends awaken one morning in a strange place and time at the foot of a looming mountain which has been appearing in their dreams they are lonely and frightened but know that this could only be from the hand of God Through prayer they are led to move in faith trusting in God's providence alone They soon meet a fascinating new friend who is carrying a deep secret As their lives entwine the secret unfolds revealing the approaching fulfillment of prophecy foretold since the creation of the world The hour is drawing near and nothing can stop God's timeless word from accomplishing the purpose for which it has been sent The storm clouds are gathering and the sword is dividing hearts and homes All creation waits with bated breath and tension is palpable in every corner of the land Heaven and earth will pass away but God's word will stand forever Follow this gripping but heartwarming journey of faith friendship and the true cost of discipleship in the face of real danger and personal sacrifice **The Valley of the Second Sons** Theodore Dru Alison Cockerell, 2004 Please price the UK version to match the US prices I don't have this information at hand **Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church")**, 1899 *The Will of the Land* Peter Dettling, 2011-11-29 Peter Dettling first visited Canada's internationally renowned Rocky Mountains national parks as a Swiss tourist in 1993 Immediately he fell in love with the untouched wilderness breathtaking landscapes diverse flora and abundant animal life all seemingly free from human intervention and manipulation With wide eyed exuberance Dettling moved to the heart of the Canadian Rockies in 2003 working as an artist and nature photographer For years he documented the beauty and splendour of life in the mountains of western Canada selling his art and photography to countless tourists and locals In time however he gained insight into the realities of nature's growing struggle against developing tourism ill conceived transportation routes and questionable wildlife management practices Through Dettling's stunning photography and passionate narrative *The Will of the Land* serves as an incredible artistic testament to the beauty of the natural world and the sometimes painful truth of hyperdevelopment in majestic landscapes offering the reader a dynamic and broad vision of what national parks should stand for in our ever changing world **For All That Is Our Life**, *Here Be Dragons* Anne Wilson, 2014-02-12 Anna a writer draws inspiration for her fictional characters from people around her on the island of Mallorca She meets Nils a Danish man living in a cave house Their relationship develops but Nils is a man with a lifetime of secrets Why is he shadowed by a

primeval Norse dragon which visits Anna in dreams When Anna s employer falls from his penthouse roof terrace it sparks a trail of clues as Anna and her friends Maggie Jane and Zhu try to discover what Nils is hiding behind a locked door in the cave house and what happened to his former wife

One Irish Summer William Eleroy Curtis,2020-09-28 For those who have never spent a summer in Ireland there remains a delightful experience for no country is more attractive unless it be Japan and no people are more genial or charming or courteous in their reception of a stranger or more cordial in their hospitality The American tourist usually lands at Queenstown runs up to Cork rides out to Blarney Castle in a jaunting car and across to Killarney with a crowd of other tourists on the top of a big coach then rushes up to Dublin spends a lot of money at the poplin and lace stores takes a train for Belfast glances at the Giant s Causeway and then hurries across St George s Channel for London and the Continent Hundreds of Americans do this each year and write home rhapsodies about the beauty of Ireland But they have not seen Ireland No one can see Ireland in less than three months for some of the counties are as different as Massachusetts and Alabama Six weeks is scarcely long enough to visit the most interesting places The railway accommodations the coaches the steamers and other facilities for travel are as perfect as those of Switzerland The hotels are not so good and there will be a few discomforts here and there to those who are accustomed to the luxuries of London and Paris but they can be endured without ruffling the temper simply by thinking of the manifold enjoyments that no other country can produce And Ireland is particularly interesting just now because of the mighty forces that are engaged in the redemption of the people from the poverty and the wretchedness in which a large proportion of them have been submerged for generations No government ever did so much for the material welfare of its subjects as Great Britain is now doing for Ireland and the improvement in the condition of affairs during the last few years has been extraordinary In order to observe and describe this economic evolution the author spent the summer of 1908 visiting various parts of the island and has endeavored to narrate truthfully what he saw and heard This volume contains the greater part of a series of letters written for The Chicago Record Herald and also published in The Evening Star of Washington The Times of St Louis and other American papers By permission of Mr Frank B Noyes editor and publisher of The Chicago Record Herald and to gratify many readers who have asked for them they are herewith presented in permanent form

The Mermaid Beside the Stream Stephen David Eteng, 2015-07-29 The Mermaid beside the Stream is a philosophical fiction that depicts an uncommon characteristic of a fledgling entity too soon given to the pursuit of independence It is a tale about a stripling who desires to be allowed to do things on his own at an age when most children are still totally dependent on their mothers for everything including blowing their noses The young one finally got what he was looking for an opportunity to enjoy a couple of hours of freedom free of adult monitoring But as almost always happens albeit in disparate forms and shapes to those stubbornly striving for yet unattainable heights he would encounter a mermaid beside the stream a terror inflicting meeting that complicated his world and doomed him and his relatives and friends to a lifetime of adversity It seeks to look in depth into family values the troubles faced by parents in the upbringing of children it exposes the mistake inherent in the modern trend of not whipping children when they go astray with an underlying criticism of embracing the white man's culture at the expense of pure tradition handed down by our African forefathers It exposes the debilitating effects of fear and seeks to educate and liberate those who have allowed themselves to be shackled by it This book will appeal to all classes for like the stages of life it unfolds with bloodcurdling suspense life from
