**Looking Good, Feeling Beautiful** Avon Products, Inc Staff,1981     *Digging Into Popular Culture* Ray Broadus Browne,Pat Browne,1991 This volume presents archeological studies in conjunction with cultural anthropological studies as a means to enhance popular culture studies Scholar Malcolm K Shuman points out that the study of archeology must be careful to chart the total human content of an artifact because archeology is a profoundly human and humanizing endeavor that cannot be divorced from the matrix of human life The other ten essays cover aspects of archeology and cultural anthropology and the authors are meticulous in studying their subject in context     **Signs of Humanity / L'homme et ses signes** Gérard Deledalle,Michel Balat,Janice Deledalle-Rhodes,2019-05-20 No detailed description available for Signs of Humanity L homme et ses signes     The Body Social Anthony Synnott,2002-09-11 In this captivating book Anthony Synnott explores a subject which has been woefully ignored our bodies He surveys the history for thinking about the body and the senses then focuses on specific themes gender beauty the face hair touch smell and sight He concludes with a review of classical and contemporary theories of the body and the senses Thinking about the body will never be the same after reading this book

A Comprehensive Guide to Cosmetic Sources Theodora J. Myllymaki,James M. Akerson,1993     **Exploring Buried Buxton** David M. Gradwohl,Nancy M. Osborn,1990-10 Few sources before have dealt with the archaeology of African American settlements outside the Atlantic seaboard and the southern states This book describes in detail the archaeological investigations conducted at the town site of Buxton Iowa a coal mining community inhabited by a significantly large population of blacks between 1900 and 1925 David Gradwohl and Nancy Osborn present the archaeology of Buxton from the group up to articulate the material remains with the data acquired from archival studies and oral history interviews They also examine the broader significance of the Buxton experience in terms of those who lived there and their children and grandchildren who have heard about Buxton all their lives     **Avon & California Perfume Co. More than 70% of all personal care products may contain phthalates which are linked to birth defects and infertility Many baby soaps are contaminated with the cancer causing chemical 1 4 dioxane It s not just women who are affected by this chemists brew Shampoo deodorant face lotion and other products used daily by men women and children contain hazardous chemicals that the industry claims are within acceptable limits But there s nothing acceptable about daily multiple exposures to carcinogenic chemicals from products that are supposed to make us feel healthy and beautiful Not Just a Pretty Face delves deeply into the dark side of the beauty industry and looks to hopeful solutions for a healthier future This scathing investigation peels away less than lovely layers to expose an industry in dire need of an extreme makeover 15 percent of the purchase price of each book sold benefits the national Campaign for Safe Cosmetics administered by the Breast Cancer Fund through December 31 2012
