Dear Ann—

The scenes in the first section should be as close as you can. I believe they are the result of my return to an ecology of my childhood—after more than ten years in California—and from my riding to Seaboard of two men the year before.

The scenes in section two are pretty much my exact photos, though the shot five where she writes that came nearer to the "Yorkshire" landscape. Love you and like the two—my poems and Nonny's poems, and hope we both love David.
