demonstrates how the natural unfolding of life can hold all the raw materials for realizing one's true self and purpose. That we are all this privileged we just need to know how to look. Whether powerful and miraculous or mundane and commonplace the eyes with which we look at the foundational material of our life makes all the difference in what we can make from this raw material. Carla Weis uses her life story told with both simplicity and almost nonchalant introspection to help us see how the truth of who we are is concealed and then can be revealed and made conscious as we journey through our life. And when and if we are ready what we can do to bring our raw essence into self-realization. Author Warren Hunter teaches you how to operate with the mindset of Jesus when He was on the earth. Let this mind be in you which was also in Christ Jesus who being in the form of God did not consider it robbery to be equal with God but made Himself of no reputation taking the form of a bondservant and coming in the likeness of men Philippians 2:5-7 NKJV Think Like God reveals God's plan for your thought life based on His Word. This book is for those who have been hurt or abused in the natural psychological mental physical and the spiritual realm. If you are a new convert do not read this book because some things may shock you or even shake your faith in your local lay members or clergy who do not deserve any unjust criticism. Some stories may seem unreal but they are based on real life events of everyday people who you see or are seen in the sanctuary worshiping God never knowing what they are going through or why they leave the church today some even convert to other religions. As a result of hurt and frustration many never return to the organized church and prefer a relationship with God through television evangelist. I am not targeting Christianity but most of the stories and events are from people who are or once was a Christian. I must say in all fairness I must say that I'm a Christian and this book is written from a Christian point of view. It's written to heal as well as inform that not everyone in the church is of the church meaning the kingdom of God. To the clergy and lay members please remember this the Lord said woe unto the Shepherd that scatter MY Sheep he said that we are the sheep of his pasture. Many people in leadership today seem to forget that very important
