Garcia They d been flown there probably in C 5As and had flown aboard last night Had I actually slept through flight quarters I forgot about breakfast climbed the ladders back to the 02 level and knocked on the door of the flag N 2 s office This isn t going to work I said as he opened the door We can t fly those helicopters into a city of five million hostiles and rescue fifty hostages They don t want to hear that he replied and closed the door From Part III Chapter 15 Summer 1992 on the Deschutes National Forest As I walked toward the fire I began to think Am I doing the right thing After all I m just a contract wilderness information specialist not part of the fire organization I hadn t been to the Deschutes National Forest s fire school I didn t have fire clothing I didn t have a fire shelter Except for a canteen I didn t have any water And I d turned in my last red card the fire qualification card that rated me as a crew boss in 1966 when I d left the Toiyabe National Forest to go on active duty in the Navy That was twenty six years ago Should I be doing this Sure I answered my own question I d started out in the old Forest Service where everybody did everything I d done this many times before in the days before fire shirts and Nomex britches and fire shelters I d had five fire seasons on the Toiyabe been on a couple big fires I knew this business I knew how to keep out of trouble About the time I resolved that little issue I was at the fire      *The Mountaineer* ,1981
