Agarwal,2019-04-23 This book discusses the proper use of legal language in business communication While communicating a business leader has to bear in mind the relevant legal framework and be sure to never violate it However legal language in itself can be so complex and difficult that it is often unclear as to what meaning can be ascribed to different words and phrases used in a particular context Also while it's easy to say that there are certain limits to the law those limits are not readily visible to the uninitiated occasionally even experts flounder Exploring precisely these topics the book will be of interest to students of business law and business communication managers lawyers researchers practitioners and general readers alike **Loose Lips** Jordan Cooke,2008-04-17 **Body Language from**

Head to Toe Per-Olof Hasselgren,2015-08-20 Written by a physician Body Language from Head to Toe is a dictionary of American idioms and other expressions that contain the name of a body part The use of body part related expressions is both interesting and fun This book contains about 2 000 such idioms words and expressions such as with the back against the wall brainstorming sweet tooth and tongue in cheek Says author Per Olof Hasselgren As a surgeon I understand the importance of anatomy and the knowledge of organs and tissues This book reflects my longstanding interest in idioms and other expressions referring to body parts and it connects anatomy with the spoken and written language This book was written for three main reasons First anatomy matters particularly in surgery During the last several years collecting such expressions became a hobby for the author Second as someone moving to this country from another part of the world Dr Hasselgren is interested in the peculiarities of the American language Idioms slang and other expressions are specific for any given language and quite often cannot be directly translated Third when one starts to be aware of them written and spoken body language can become quite entertaining

Seven Things God Hates Dr. Clarence Talley Sr.,2018-05-30 In *Seven Things God Hates* you will discover that God is not only a God who loves but also a God who hates Just as divine love permeates the pages of scripture so does divine hatred for evil and evildoers who act contrary to the will of God The Bible emphatically states that God is love 1 John 4 8 However he is also a God who has a holy abhorrence for both sin and specific sinners whose sins are an abomination in His sight The whole thrust of the Old and New Testament hinges on the love of God for man and His disdain for sin The epitome of Gods love for man is seen in the person of Jesus Christ the gift of God to mankind Gods hatred for evil and wickedness is also evident It is an often ignored characteristic of the Lord but a divine characteristic nonetheless This study examines seven particular things God hates that are expressed in Proverbs 6 1619 and further expounded on throughout scripture Get inspired by Dr Talleys teachings on the seven things God hates His teachings will give you a better understanding of the mind of God and enlighten your perspective about the love of God and His disgust for sin

Vamped David Sosnowski, 2004-08-04 Martin Kowalski is

an eighty year old man stuck in a twenty year old body He works the graveyard shift He has a poster of Bela Lugosi on his wall and a box of uneaten Count Chocula in his pantry He drinks stem cell derived blood from cleverly packaged and marketed juice boxes He is in short a vampire But since his wildly successful scheme to turn as many mortals as possible into vampires vamp them rather than kill them resulted in a new immortal majority Marty finds little of interest to fill his countless days From the deeply imaginative mind of David Sosnowski who gave us the critically acclaimed junkie angel classic Rapture bursts this neo vampire novel studded with pint size vampires known as screamers children who were vamped and are none too happy about it priest vampires who helped convert their flock into lifetime members of the Church stripper vampires who lap danced their way into customers veins and one very small very outspoken human girl When Marty decides to end his endless life of soul crushing ennui call it vampire affluenza a three foot blond obstacle is thrown in his path Isuzu Trooper Cassidy a refugee from a human hunting preserve At first he thinks midnight snack but before the sun comes up Isuzu is the one snacking on his prized cereal collection as she charms him into staying undead long enough to raise her in a world rife with danger and almost entirely populated by vampires yearning for the taste of real human blood The critics applauded David Sosnowski when Rapture was published saying he staked out a patch of turf somewhere between Franz Kafka and Douglas Adams Now with Vamped Sosnowski takes on a time honored genre and breathes new life into it by turning Martin Kowalski s vampire world upside down and telling his story with rich masterful and frequently hilarious prose

A Game with the Mind John A. Fosse,2022-08-01 A Game with the Mind to See What You Can Find reveals what is truly in the mind and heart of the reader Through the exercises and examples carefully sequenced for progressive learning one will experience both the why and how of the personal poetic experience The instructive flow of A Game with the Mind leads the reader through the process of learning about one s innermost self One will find the advantage of dealing with one s own adversities emotions or even successes in a way that will lead to solutions understandings and even revelations about oneself The greatest difficulty about understanding the value of poetry lies in its most valued use It is not to beautify speech as much as it is to learn of one s innermost thoughts pertaining to any situation that is emotionally spiritually or physically felt The beauty of poetry comes through the illuminating voice of the inner self This book leads one to this objective The how of poetry seems to be the most elusive for the beginner How or where does one begin and how does one continue This book teaches a simple methodology for the beginner It points the way to extract feelings from your mind and heart that you are unaware of It creates an aha for the soul in seeing solutions to problems or finding peace through new understanding In essence this book is either a self help book or an English teacher s textbook for poetry The book progressively works through assignments from the simple basic poetry on toward most styles of poetry of the last two to three hundred years It shows how these can be used today to express our varied feelings and emotions *Modernism and Eugenics* Donald J.

Childs,2001-09-06 In *Modernism and Eugenics* first published in 2001 Donald Childs shows how Virginia Woolf T S Eliot and

W B Yeats believed in eugenics the science of race improvement and adapted this scientific discourse to the language and purposes of the modern imagination Childs traces the impact of the eugenics movement on such modernist works as Mrs Dalloway A Room of One s Own The Waste Land and Yeats s late poetry and early plays The language of eugenics moves he claims between public discourse and personal perspectives It informs Woolf s theorization of woman s imagination in Eliot s poetry it pictures as a nightmare the myriad contemporary eugenical threats to humankind s biological and cultural future And for Yeats it becomes integral to his engagement with the occult and his commitment to Irish Nationalism This is an interesting study of a controversial theme which reveals the centrality of eugenics in the life and work of several major modernist writers

Female Genital Mutilation Charlotte Proudman, 2022-02-03 Female genital mutilation FGM has garnered significant media political and legal attention in the UK Despite criminalising the practice in 1985 FGM continues undetected and often underground This monograph provides a unique insight into survivor s attitudes towards FGM as well as the criminalisation of a culturally embedded practice Some of the narratives might be deeply uncomfortable as women sympathise and even uphold the practice whilst others viscerally describe the trauma and pain that they endured Digging deeper into efforts to eliminate FGM professionals at the coalface of the end FGM movement provide their views on whether the practice can ever be eradicated This volume explores the key themes that emerged from the well publicised criminal trials in the UK and the barriers that prevent the law from working effectively One of the obstacles that are examined further is the legal double standard in criminalising FGM whilst permitting female genital cosmetic surgery which incites hostility and anger amongst FGM performing communities Whilst ending FGM is imperative this enlightening work reflects on the unintended consequences that stem from punitive efforts to criminalise a practice performed by often Black migrant communities Women describe their experiences of racism and Islamophobia in a context of police surveillance and hyperbolic media narratives In an effort of encouraging the abandonment of FGM this publication highlights the need for the law to be accompanied by education initiatives at a grass root level
