Lopez Guerra:

López Guerra Francisco López-Guerra, 2000 Amongst the members of the new generations of architecture and his commitment to his profession

Against Democracy Jason Brennan, 2017-09-26 A bracingly provocative challenge to one of our most cherished ideas and institutions Most people believe democracy is a uniquely just form of government They believe people have the right to an equal share of political power And they believe that political participation is good for us it empowers us helps us get what we want and tends to make us smarter more virtuous and more caring for one another These are some of our most cherished ideas about democracy But Jason Brennan says they are all wrong In this trenchant book Brennan argues that democracy should be judged by its results and the results are not good enough Just as defendants have a right to a fair trial citizens have a right to competent government But democracy is the rule of the ignorant and the irrational and it all too often falls short Furthermore no one has a fundamental right to any share of political power and exercising political power does most of us little good On the contrary a wide range of social science research shows that political participation and democratic deliberation actually tend to make people worse more irrational biased and mean Given this grim picture Brennan argues that a new system of government epistocracy the rule of the knowledgeable may be better than democracy and that it's time to experiment and find out A challenging critique of democracy and the first sustained defense of the rule of the knowledgeable *Against Democracy* is essential reading for scholars and students of politics across the disciplines Featuring a new preface that situates the book within the current political climate and discusses other alternatives beyond epistocracy *Against Democracy* is a challenging critique of democracy and the first sustained defense of the rule of the knowledgeable

The Ethics of Exile Ashwini Vasanthakumar, 2021-11-04 Exiles have long been transformative actors in their homelands they foment revolution sustain dissent and work to create renewed political institutions and identities back home Ongoing waves of migration ensure that they will continue to play these vital roles Rather than focus on what exiles mean for the countries they enter a perspective that often treats them as passive victims *The Ethics of Exile* recognises their political and moral agency and explores their rich and vital relationship to the communities they have left It offers a rare view of the other side of the migration story Engaging with a series of case studies this book identifies the responsibilities and rights exiles have and the important roles they play in homeland politics It argues that exile politics performs two functions it can correct defective political institutions back home and it can counter asymmetries of voice and power abroad In short exiles can act both as a linchpin and a buffer between political communities in crisis and the international actors who seek to variously aid and exploit them When we think about the duties we owe to those forced to leave their homes we should consider how to enable rather than thwart these roles

Power to the People Mark V. Tushnet, Bojan Bugarič, 2021 *Power to the People* proposes that some forms of populism are inconsistent with constitutionalism while others aren't By providing a series of case studies some organized by nation others by topic the book

identifies these populist inconsistencies with constitutionalism and importantly when and how they are not Opening a dialogue for the possibility of a deeper populist democracy the book examines recent challenges to the idea that democracy is a good form of government by exploring possibilities for new institutions that can determine and implement a majority's views without always threatening constitutionalism *Childhood in Liberal Theory* Nicolás Brando, 2024 *Childhood in Liberal Theory* offers a novel perspective on the concept of childhood and children's rights within the tradition of liberal theories of justice Brando questions the strict opposition of childhood and adulthood as social categories and proposes an Adaptive model of childhood as an alternative foundation **Citizenship Acquisition and National Belonging** G. Calder, P. Cole, J. Seglow, 2009-11-12 What does it take to become a citizen of a particular nation Is it justified to restrict membership of a society and if so on what grounds This book explores a series of pressing controversial issues surrounding the acquisition of citizenship in theory and practice **Stories from the Barrio** Carlos Eliseo Cuéllar, 2003 This work offers a new look at the history of Fort Worth The history of this people includes the stories of early Mexicanos escaping the hardships of the Mexican revolution to the attempts of second generation Mexican Americans to assimilate to their political voice and freedoms Joseph Carens: Between Aliens and Citizens Matthias Hoesch, Nadine Mooren, 2020-08-11 This book offers a critical discussion of Joseph Carens's main works in migration ethics covering themes such as migration naturalization citizenship culture religion and economic equality The volume is published on the occasion of the annual Münster Lectures in Philosophy held by Joseph Carens in the fall of 2018 It documents the intellectual exchange with the well known philosopher Joseph Carens by offering critical contributions on Carens's work and commentaries of Carens as a reply to these critical contributions With his various works on migration ethics Joseph Carens must be seen as one of the leading academics in the political and ethical discourse of migration in the last years The topic of migration raises questions not only regarding naturalization and citizenship but also cultural economic and religious differences between aliens citizens and persons whose status lies in between and calls for further determination Such questions gain more and more importance in our globalized world as can be seen for example in the context of the refugee crisis in the European Union and the U S The book covers different systematic topics of Carens's work as can be found in his widely read book *The Ethics of Immigration* but also in further publications It provides papers with critical discussions of Carens's work as well as his responses to these thus enabling and documenting the fruitful dialogue between the contributors and Carens himself The aim of this book is to sharpen and shed light on Carens's arguments concerning migration by offering new and critical perspectives and fine grained analyses The Superior Courts Network European Court of Human Rights, 2025-05-01 A network designed to facilitate dialogue between the European Court of Human Rights and the national superior courts Launched by the European Court of Human Rights in 2015 the Superior Courts Network SCN has matured into a vibrant operational level community in the service of human rights the rule of law and justice Ten years on and spanning 111 member courts in all 46 Council of

Europe member States the SCN remains dedicated to sharing knowledge and know how for the mutual benefit of judiciaries across Europe and beyond This anniversary compilation offers unique perspectives on the Network s genesis and evolution as well as on its influence on domestic jurisprudence These insights make a strong case for the added value of judicial dialogue and collaboration in the shared implementation of the European Convention on Human Rights

My Granny Made Me an Anarchist Stuart Christie,2002

Transatlantic Ties in the Spanish Empire Ida Altman,2000-06-01 Between 1560 and 1620 a thousand or more people left the town of Brihuega in Spain to migrate to New Spain now Mexico where nearly all of them settled in Puebla de los Angeles New Spain s second most important city A medium sized community of about four thousand people Brihuega had been a center of textile production since the Middle Ages but in the latter part of the sixteenth century its industry was in decline a circumstance that induced a significant number of its townspeople to emigrate to Puebla where conditions for textile manufacturing seemed ideal The immigrants from Brihuega played a crucial role in making Puebla the leading textile producer in New Spain and they were otherwise active in the city s commercial industrial sector as well Although some immigrants penetrated the higher circles of poblano society and politics for the most part they remained close to their entrepreneurial and artisanal origins Closely associated through business kinship marital and compadrazgo ties and in residential patterns the Brihuega immigrants in Puebla constituted a coherent and visible community This book uses the experiences and activities of the immigrants as a basis for analyzing society in Brihuega and Puebla making direct comparisons between the two cities by examining such topics as mobility and settlement politics and public life economic activity religious life social relations and marriage family and kinship In tracing the socioeconomic cultural and institutional patterns of a town in Spain and a city in New Spain in all their connections continuities and discontinuities the book offers a new basis for understanding the process and implications of the transference of these patterns within the early modern Hispanic world

The Epistemology of Democracy Hana Samaržija,Quassim Cassam,2023-04-03 This is the first edited scholarly collection devoted solely to the epistemology of democracy Its fifteen chapters published here for the first time and written by an international team of leading researchers will interest scholars and advanced students working in democratic theory the harrowing crisis of democracy political philosophy social epistemology and political epistemology The volume is structured into three parts each offering five chapters The first part Democratic Pessimism covers the crisis of democracy the rise of authoritarianism public epistemic vices misinformation and disinformation civic ignorance and the lacking quantitative case for democratic decision making The second part Democratic Optimism discusses the role of hope and positive emotions in rebuilding democracy proposes solutions to myside bias and criticizes dominant epistocratic approaches to forming political administrations The third and final part Democratic Realism assesses whether we genuinely require emotional empathy to understand the perspectives of our political adversaries discusses the democratic tension between mutual respect for others and a quest for social justice and evaluates manifold top down and bottom up approaches to policy making

Citizenship Rights Igor Štiks, 2017-05-15 In today's world all claims tend to be founded on or justified by rights be they political social economic or private The ubiquity of this discourse has led to a blurring of the definition of what exactly constitutes rights not to mention a blurring of the boundaries between different bundles of rights their sources and the various institutional practices through which they are enjoyed or asserted Particular attention needs to be paid to the category of citizenship rights Exactly how are they distinguished from human rights This volume presents some of the most important reflections and studies on citizenship rights both past and present The contributions provide both thorough description and incisive analysis and place the question of citizenship rights into a wider historical social and political perspective As such it offers a timely introduction to the current debates surrounding the rights and duties of both citizens and non citizens alike with a focus on the many ways in which citizenship is contested in the contemporary world The volume is invaluable to scholars and students of citizenship studies political and critical theory human rights sociology urban development and law

Scott-Brown's Otorhinolaryngology and Head and Neck Surgery John Watkinson, Ray Clarke, 2018-08-21 This third volume in Scott Brown's Otorhinolaryngology 8e covers the sub specialty areas of Head and Neck Surgery and Plastic Surgery It is available either as a single volume specialty reference book or as part of the classic and authoritative 3 volume Scott Brown set Edited by renowned experts and including chapter contributions from leading clinicians Volume 3 Head and Neck and Plastic Surgery is current authoritative and of wide clinical application

Against Sortition? Geoffrey Grandjean, 2024-05-07 Sortition is widely used in our political systems to constitute citizen panels It is now possible to study the limits of this method of selecting our political representatives This book presents the institutionalization of sortition while questioning its political consequences in terms of representation and deliberation Several examples are used such as the Citizens Climate Convention in France and the Conference on the Future of Europe In the end the book helps to identify the consequences of using sortition with regard to the principles of equality and inclusion Above all it offers readers the possibility of continuing to reflect on this method of random selection while promoting the implementation of greater equality between citizens

Spain After Franco Richard Gunther, Giacomo Sani, Goldie Shabad, 2023-11-15

Young People's Human Rights and the Politics of Voting Age Sonja C. Grover, 2010-10-05 Young People's Human Rights and The Politics of Voting Age explores the broader societal implications of voting age eligibility requirements and the legislative bar against youth voting in North America and in Commonwealth countries where youth is defined as persons 16 and over but under age 18 The issue is raised as to whether the denial of the youth vote undermines democratic principles and values and ultimately the human dignity of youth This is the first book to address the topic of the youth vote in depth as a fundamental human rights concern relating to the entitlement in a democracy to societal participation and inclusion in influencing policy and law which profoundly affects one's life Also examined are international perspectives on the issue of voting age eligibility The book would be extremely valuable for instructional purposes as one of

the primary texts in undergraduate or graduate courses on children s human rights political psychology political science sociology of law or society and as a supplementary text for courses on human rights or constitutional law and would be of interest also to members of the general public concerned with children s human rights issues *Brazilians Abroad* Bruno Mascitelli,2018-06-11 Emigrant voting has been implemented in more than 150 countries in the world allowing emigrants to take part in the elections of their home country This phenomenon is a consequence of global migration and political transnationalism Looking at the experience of Brazil this book explores the changed nature of Brazilian emigration and analyses how emigrant voting was initially introduced and subsequently permitted in all presidential elections The book also investigates what external voting rights represent to the Brazilian emigrant community and if and how Brazilian emigrants engage politically with their country of origin It is based on original research and data collected from Brazilians abroad across the seven countries with the most Brazilian emigrants **Chronic Lymphocytic Leukemia: New Insights for the Healthcare Professional: 2011 Edition** ,2012-01-09 Chronic Lymphocytic Leukemia New Insights for the Healthcare Professional 2011 Edition is a ScholarlyBrief that delivers timely authoritative comprehensive and specialized information about Chronic Lymphocytic Leukemia in a concise format The editors have built Chronic Lymphocytic Leukemia New Insights for the Healthcare Professional 2011 Edition on the vast information databases of ScholarlyNews You can expect the information about Chronic Lymphocytic Leukemia in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Chronic Lymphocytic Leukemia New Insights for the Healthcare Professional 2011 Edition has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com> *The Frontiers of Democracy* L. Beckman,2009-08-20 The Frontiers of Democracy offers a comprehensive examination of restrictions on the vote in democracies today For the first time the reasons for excluding people prisoners children intellectually disabled non citizens from the suffrage in contemporary societies is critically examined from the point of view of democratic theory

Lopez Guerra Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Lopez Guerra PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Lopez Guerra PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Lopez Guerra free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
