

LORD CHURCHILL'S COUP

*The Anglo-American Empire
and the Glorious Revolution
Reconsidered*

STEPHEN SAUNDERS WEBB

Lord Churchills Coup

Stephen Saunders Webb

Lord Churchills Coup:

Lord Churchill's Coup Stephen Saunder Webb,1999-01-01 Stephen Saunders Webb argues that both England and its American social experiments were the underdeveloped elements of an empire emerging on both sides of the Atlantic and that the pivotal moment of that empire the so called Glorious Revolution was in fact a military coup driven by religious fears Webb focuses on John Churchill who rises from page boy to Earl of Marlborough winning battlefield glory influence and promotion eventually becoming lieutenant general of the English army

Lord Churchill's Coup Stephen Saunders Webb,1995 Webb further advances his revisionist interpretation of the British Empire in the 17th century by arguing that both England and its American social experiments were the underdeveloped elements of an empire emerging on both sides of the Atlantic He further shows that the so called Glorious Revolution was in fact a military coup driven by religious fears Illustrations

Lord Churchill's Coup Stephen S. Webb,2012-09-12 In LORD CHURCHILL S COUP Stephen Saunders Webb further advances his revisionist interpretation of the British Empire in the seventeenth century Having earlier demonstrates that the Anglo American empire was classic in its form administered by an army committed to territorial expansion and motivated by crusading religion Webb now argues that both England and its American social experiments were the underdeveloped elements of an empire emerging on both sides of the Atlantic and that the pivotal moment of that empire the so called Glorious Revolution was in fact a military coup driven by religious fears In a vigorous narrative Webb populates this formative period of the Anglo American past with colorful and commanding characters At the center is John Churchill We see him rise from page boy to earl of Marlborough winning battlefield glory influence and promotion and his corresponding rise from ensign of the English army taking control of the destiny of the later Stuart monarchs of Britain and America Webb shows us Churchill increasingly alarmed by the Catholicizing course of his patron James II and becoming instrumental in the organization of a successful coup to protect Anglicanism and the constitution We see the resulting alliance with William of Orange the Protestant champion of Europe quickly turn sour as William makes himself king and we see Churchill now transformed into imperial politician once again in power able to secure the succession of Queen Anne and negotiate the terms of resumption of war against France Throughout Webb makes it clear that at the heart of Churchill s ascent and actions is his vision of America as a decisive factor in the world war between England and France for impersonal supremacy As the book ends Churchill s American agenda thus becomes central to the war aims of the Grand Alliance

Lord Churchill's Coup Stephen S. Webb,1997-09-01 20 illustrations in text

Our First Revolution Michael Barone,2008-06-24 Describes the influence of Britain s Glorious Revolution of 1688 and 1689 on America s founding fathers detailing the impact of the era on the evolution of representative government and the concept of individual liberty

Marlborough's America Stephen Saunders Webb,2013-01-01 Scholars of British America generally conclude that the early eighteenth century Anglo American empire was commercial in economics liberal in politics and parochial in policy somnambulant in an era of salutary

neglect but Stephen Saunders Webb here demonstrates that the American provinces under the spur of war became capitalist coercive and aggressive owing to the vigorous leadership of career army officers trained and nominated to American government by the captain general of the allied armies the first duke of Marlborough and that his influence and that of his legates prevailed through the entire century in America Webb's work follows the duke whom an eloquent enemy described as the greatest statesman and the greatest general that this country or any other country has produced his staff and soldiers through the ten campaigns which by defanging France made the union with Scotland possible and made Great Britain preeminent in the Atlantic world Then Webb demonstrates that the duke's legates transformed American colonies into provinces of empire Marlborough's America fifty years in the making is the fourth volume of The Governors General The Imperial Executive in America Mary Lou Lustig, 2002 Andros also made significant attempts to increase the population and improve the economy of New York Cover **Anti-Catholicism in America, 1620-1860** Maura Jane Farrelly, 2018 Farrelly uses America's early history of anti Catholicism to reveal contemporary American understandings of freedom government God the individual and the community **Huguenot Soldiers of William of Orange and the Glorious Revolution of 1688** Matthew Glozier, 2008-04-10 Provides an analysis of the political religious and social rationale which underlay Huguenot support for William of Orange in 1688 In the context of the Huguenot exodus from France and the Revocation of the Edict of Nantes the role of the Huguenot soldiers within an international Protestant political context is also explained

Armies and Political Change in Britain, 1660-1750 Hannah Smith, 2021-11-01 *Armies and Political Change in Britain 1660 1750* argues that armies had a profound impact on the major political events of late seventeenth and early eighteenth century Britain Beginning with the controversial creation of a permanent army to protect the restored Stuart monarchy this original and important study examines how armies defended or destroyed regimes during the Exclusion Crisis Monmouth's Rebellion the Revolution of 1688 1689 and the Jacobite rebellions and plots of the post 1714 period including the 15 and 45 Hannah Smith explores the political ideas of common soldiers and army officers and analyses their political engagements in a divisive partisan world The threat or hope of military intervention into politics preoccupied the era Would a monarch employ the army to circumvent parliament and annihilate Protestantism Might the army determine the succession to the throne Could an ambitious general use armed force to achieve supreme political power These questions troubled successive generations of men and women as the British army developed into a lasting and costly component of the state and emerged as a highly successful fighting force during the War of the Spanish Succession *Armies and Political Change in Britain 1660 1750* deploys an innovative periodization to explore significant continuities and developments across the reigns of seven monarchs spanning almost a century Using a vivid and extensive array of archival literary and artistic material the volume presents a striking new perspective on the political and military history of Britain
