Lord Of Life:

Principles of Life Travis G. Roberson, 2018-10-16 Principles of Life provides the tangible leadership and guidance you must use daily especially when confronted with situations and circumstances that may tempt you to choose the easy way out. The easy way out always leaves you vulnerable to grief, shame, hurt, and despair. This choice will always act like a boomerang leading you back to the life you are trying to leave behind. These rules alone, however, do not cause you to obey the principles you follow these principles because you trust God's Word. That is the Key. This book is based entirely on God's Word. I speak from personal experience. These principles have become my lifestyle and I am so very grateful that I was able to use them to strengthen me and deliver me from prison. They have blessed me to reach out to other people everywhere. *DILEMMA OF LIFE-DEATH, FATE AND MIRACLES* Dr. Muhammad Shoaib Shahid, 2025-10-13 Due to the impact of capitalism, abrupt global changes are emerging in human life. Irrespective of age, race, gender, or social ranks, everyone is under spell of temptation and rivalry to proceed ahead for hoarding maximum in minimum time through fair or foul sources. As a result, the new generation is at stake because parents avoid taking the serious psychological responsibility of providing love, security, respect, belongingness, and appreciation for developing an integrated personality as a citizen. People are enchanted under temptation and competition so religious rule as well as moral, ethical values, and mannerism are at stake. This trend has gained global momentum so the underdeveloped countries are equally affected and their lifestyles, political, social, and religious authorities are at the mercy of this trend. Job markets and local politics are indirectly under the grip of the super powers who have hampered peace and triggered psychological sufferings. In fact, there is a precise social, moral derailment and variant, complicated mental health problems are triggering. So it is an alarming dilemma for human beings. **The Celebration of Life** Rev. Fr. Dr. Alphonsus E. Obi, 2024-05-24 Why celebration of Life? It is called celebration of life in recognition of a departed member of our community and all the children of God in this world who left this world to join the creator in Heaven. Whether it is called wake or wake keeping, all gears towards the provision of a service prior to burial in a social gathering. Traditionally, this is done at the home of the deceased with the body present. Recently, wakes are often performed at a funeral home or at a hall preferably chosen by the members of the deceased family. It is often a social rite which highlights the fact that the loss affects the whole group. The term wake originally referred to a late night prayer vigil which is mostly used for the social interaction. While this modern usage of the verb wake means to stay alert, a wake for the dead harks back to the vigil, watch, or guard of earlier times. It is a misconception that people at wake are waiting in case the deceased should wake up. The term wake originated from the Middle English waken. *A Book of Pagan Prayer* Ceisiwr Serith, 2018-11-01 A beautiful and inspiring collection of prayers. A Book of Pagan Prayer is like a breath of fresh air breathing life into the spiritual aspect of pagan practice.
