International Lesson Annual 2013-2014 , 2013 The Father Wears Son Glasses Marti L. Berger, 2017-08-24 The Father Wears Son Glasses is a journey down life s avenue with its endless questions pitfalls battles and victories It is also a look into the Heart of a Heavenly Father and the marvelous Grace Love and Mercy He bestows on all of His children including His prodigals You will be encouraged by the inescapable truth that you are not doing life alone but have The Living Loving God walking alongside of you As you twist and turn through a hodgepodge of emotions and circumstances one thing is certain you will not leave this book feeling indifferent Written with transparency and candor there is one constant that saturates each page The Rhyme and Reason for Everything is The Lord and Savior Jesus Christ This unique narrative will touch the core of one s deepest concerns fears and beliefs but will also bring comfort and hope to the weary worn out I ll do it myself Christian

The People of the Book Samuel C. Heilman, 2017-07-05 Judaism has long derived its identity from its sacred books. The book or scroll rather than the image or idol has been emblematic of Jewish faith and tradition. *The People of the Book* presents a study of a group of Orthodox Jews all of whom live in the modern world engaged in the time honored practice of *lernen*, the repeated review and ritualized study of the sacred texts. In preserving one of the activities of Jewish life, Samuel C. Heilman argues these are the genuine People of the Book. For two years Heilman participated in and observed five study circles in New York and Jerusalem engaged in the avocation of *lernen*, the Talmud, the great corpus of Jewish law, lore and tradition. These groups made up of men who felt the ritualized study of sacred texts to be not only a religious obligation but also an appealing way to spend their evenings, weekends and holidays assembled together under the guidance of a teacher to review the holy books of their people. Having become part of this world, the author is able to provide first hand observation of the workings of the study circle. Heilman's study moves beyond the merely descriptive into an analysis of the nature and meaning of activity he observed. To explain the character and appeal of the study groups, he employs three concepts: drama, fellowship and religion. Inherent to the life of the study circle are various sorts of drama: social dramas playing out social relationships, cultural performances reenacting the Jewish world view, and interactional dramas and word plays involving the intricacies of the recitation and translation process. This book will be of interest to anthropologists and those interested in the academic study of religion.

The Art of Preaching Old Testament Narrative Steven D. Mathewson, 2021-06-15 A veteran pastor with thirty years of experience guides readers through a ten step process to preaching Old Testament narratives from text selection to delivery. The first edition received a Christianity Today award of merit and a Preaching magazine Book of the Year award. This edition, now updated and revised throughout for a new generation, includes a new chapter on how to preach Christ from the Old Testament and an exemplary sample sermon from Mathewson. Foreword by Haddon W. Robinson.

God's Answer to 21st Century Terrorists K. McKelvey, Harvey K. McKelvey, Harvey K.

McKelvey, 2009-11 Do we have terrorists today? Yes, we do. Can we identify them? Yes, we can. Are there political and religious terrorists today? Yes, there are. Where can we find them today? Over the world and in every nation. Do we have terrorists on the mission field? Yes, we do. What are some of their actions so we may identify them? They burn churches and homes of Christians; they kill whole congregations and they behead children going to and from school. They kill and imprison pastors and Christian leaders. What recourse do the Christians have? Until now they have been told to endure for God will avenge. But I say no, you have the power to stop this foolishness in its tracks. They can receive and believe the word so that these terrorists become Christians, just as Saul became Paul and the Syrian army became friendly with Israel. This is a believing God thing, not a man thing. In some nations of the world, like in central Asia, there are over 4 billion lost souls. The percentage of evangelical Christians among all of them is less than 5%. Jesus, as we all know, is coming soon. How are we to reach these before he comes?

God's Answer to 21st Century Terrorists is a memorable account of a fresh historical perspective with unforgettable characters and with a touch of the supernatural. The apostle Paul was a First Century terrorist killing and imprisoning Christians. The Lord Jesus Christ, Head of the Church, gave us an object lesson on how to win the terrorist. We need to use His plan today. Too many Christians are being slaughtered, their churches burned, and whole congregations are threatened with violence. Let God Arise John Whitman, 2019-11-06. The chapters of this book evolved over a period of time as I was listening to young Christians talking about different subjects and realizing the lack of understanding and Bible knowledge they were getting from different sources. Seeing most young Christians don't have any real access to Bible school training and receive a lot of their information from friends, family, and various sources, I became burdened to teach them in depth about the subjects they would talk about. I began to write these things down that enabled me to give them something to read over and refer to when they needed to refresh their memory. These different subjects are basic information that I believe all Christians should understand to help them stay on the path God intended and not be drawn into doctrine misunderstandings. Having been to Kenya, Africa, on a mission trip where I had the ability to teach some of the things in this book, I was asked if I could give them all of these teachings in a book as they are hungry for the teachings of the Word of God. That prompted me to publish these sixteen Bible lessons for the benefit of those pastors in Africa and anywhere else that people are hungry for the understanding of the Word of God. I hope the reader finds these chapters both inspiring and encouraging in their search for knowledge and understanding in their walk with the Lord. **Uneasy Money** Pelham Grenville Wodehouse, 1924
