Return of the Stargods Richard Vizzutti,2003 Return of the Stargods reveals how the ancient alien gods of old will soon return to establish a New World Order of satanism The book also takes the reader through the Bible showing a vast amount of scriptures that the churches ignore or will not deal with Scriptures reveal that there is a fifth column that lives among us that are working against God's children in establishing a New World Order as an ultimate goal They are the ones among us that are waiting for their father to return to them as the beast who will crush all opposition to his rule But this will not take place

until the Rapture of the church takes place first The Bible is also very clear that a government of fallen angels now runs this earth They run all aspects of our matrix reality and remain hidden behind a shadow government There are strong indications in scripture that here is also royalty of non humans called the Reptilians and Nephilim that rule over us They are the ones that have come from hell to transform themselves into rulers of this world The Return of the Stargods makes a good case for all this strangeness by using scripture and not just opinions and hearsay This book is very deep and not meant for shallow Christians that believe in Church doctrine and not Bible doctrine This book is a must for those Christians that want a deeper understanding of endtimes and spiritual warfare It will teach you how to see all the people around us for what they really are so that we can best protect ourselves from these predators Return of the Stargods is an introduction to the reality that lies outside the box If you are a discerning Christian who regards scripture as the final authority and not church then this book is a must read Mail-Order Marriage Mary Davis,Denise Hunter,Judith McCoy Miller,DiAnn Mills,Tracie Peterson,2015-12-01

The majesty of the mountains, the sparkling blue Pacific Ocean, and the vibrant colors of the flowers that were in perpetual bloom opened her eyes to the inspiration God brought her as he seemed to whisper in her ear. Look at that! In *My Walks with Remi*, Cindy shares the life lessons she felt God taught her through photos, reflections, and prayer as they relate to the images she observed. With Scripture that spans both the Old and New Testaments, the devotions are a witness to how God still speaks to us today.
