Screaming Divas Suzanne Kamata, 2014-04-18 As seen on MTV com At sixteen Trudy Baxter is tired of her debutante mom her deadbeat dad and her standing reservation at the juvenile detention center Changing her name to Trudy Sin she cranks up her major chops as a singer and starts a band gathering around other girls ill at ease in their own lives Cassie

Haywood would have been beauty queen was scarred in an accident in which her alcoholic mom was killed But she can still sing and play her guitar even though she seeks way too much relief from the pain in her body and her heart through drugs and way too much relief from loneliness through casual sex Still it's Cassie who hears former child prodigy Harumi Yokoyama playing in a punk band at a party and enlists her outraging Harumi's overbearing first generation Japanese parents The fourth member is Esther Shealy who joins as a drummer in order to be close to Cassie the long time object of her unrequited love and Harumi her estranged childhood friend Together they are Screaming Divas and they're quickly swept up as a local sensation Then just as they are about to achieve their rock girl dreams a tragedy strikes Deuce 'n Domino , The Lost Women of Rock Music Helen Reddington,2016-09-17 In Britain during the late 1970s and early 1980s a new phenomenon emerged with female guitarists bass players keyboard players and drummers playing in bands Before this time women's presence in rock bands with a few notable exceptions had always been as vocalists This sudden influx of female musicians into the male domain of rock music was brought about partly by the enabling ethic of punk rock anybody can do it and partly by the impact of the Equal Opportunities Act But just as suddenly as the phenomenon arrived the interest in these musicians evaporated and other priorities became important to music audiences Helen Reddington investigates the social and commercial reasons for how these women became lost from the rock music record and rewrites this period in history in the context of other periods when female musicians have been visible in previously male environments Reddington draws on her own experience as bass player in a punk band thereby contributing a fresh perspective on the socio political context of the punk scene and its relationship with the media The book also features a wealth of original interview material with key protagonists including the late John Peel Geoff Travis The Raincoats and the Poison Girls **Focus On: 100 Most Popular WWE Hall of Fame** Wikipedia contributors, **Women in Music** Karin Pendle,Melinda Boyd,2012-07-26 Women in Music A Research and Information Guide is an annotated bibliography emerging from more than twenty five years of feminist scholarship on music This book testifies to the great variety of subjects and approaches represented in over two decades of published writings on women their work and the important roles that feminist outlooks have played in formerly male oriented academic scholarship or journalistic musings on women and music **Networking Divas** Monica Sparks,2013-09-25 Being that the book cover is pink one may assume that this book is for women only and since the author is a woman this must be a great resource to help women develop in business and personal matters correct My friends your assumptions are only partially correct from the start I can promise you two things 1 This book is filled empowering information It is a resource and tool for any gender and any age 2 Real men do wear pink Before you read any further please allow me to share a brief educational moment with you I would like to clear the air and show you the relationship between men and their direct connection to the diva status Divas female and Divos male do exist Originating from a rich heritage and musical culture directly related to the Opera Divas and Divos were the grandest stars with the most beautiful voices en wikipedia org wiki

Diva A few years ago I was asked to give the graduation address at a high school My good friend I affectionately call Aunt Star went with me for moral support On the way she was listening to my speech to make sure that I did not bore the young adults I had to speak to Just before I was introduced she turned to me and said Are you ready Ms Diva For a brief moment I thought humis THAT what you really think of me What a cheap shot just before I go on stage She then smiled and said Life has taught you many lessons you know who you are and can now share your experiences to help others go get them girlfriend At that moment I was released and felt proud to share my success AND mistakes to the audience Soon after that event I was invited to another organization to speak about empowerment for young girls It just so happens that the organization was a church Upon my arrival the church had a gracious representative that attended to my every need With in my tradition and long standing reputation of keeping it real I will admit that the attention felt well sort of kind of good I keep praying that they ask me to come back one day Anyway just before I addressed the audience the humble representative turned to me and said Are you ready Ms Diva I almost lost my religion because I know just like YOU know that the adjectives used to describe a diva are simply put words we care NOT to use in anyones church Matter of fact the typical actions of a diva will get you sat down or drop kicked by the ushers in any faith The very moment I almost lost my religion I also found it at the same time I felt my calling the need to help change the stigma for true Divas everywhere The word diva has historically been used to categorize someone who is demanding demeaning and downright witchy My thoughts about the encouraging words from my Aunt Star and the humble personal care the representative was giving me at the church as her honored guest gave me the true Diva wake up call Though their comments they were simply letting me know that they knew who I was supporting me reminding me to never forget my strength to be a conduit to connect and help others The real beauty that comes from being a Diva comes only when you share strength with others to empower them I was not asked to speak to the young ladies because my name is Monica Sparks but the organization thought my message of empowerment would encourage help to heal and guide the young ladies in the audience The supportive words and care I was provided was a way to thank me for my concern and service I was appreciated for sharing and giving the gift of my experiences The light came on for me so every time I speak and have the opportunity to offer encouragement I do I learned that Divas are not necessarily rude and obnoxious people They are people who know who they are and gladly give back to help others It is that spark of loving yourself and others that drive Divas to have creative positive energy that allows them to network with
