An Alternative View of the Distant Past Charles Giuliani, 2008-12-21 This book is a multidisciplinary study that brings together a variety of ancient physical and legendary evidences that are often brushed aside which collectively present an entirely different and far more sensible picture of early Earth and human history from what mainstream academic presents Break yourself free from their chains and discover a fascinating story of the ancient past that will blow your mind The Return of Planet Sedna Jennifer T. Gehl, 2019-05-21 Reveals how the return of the planet Sedna after 11 000 years offers an opportunity for healing ourselves and our planet Explores how the Inuit legend of the sea woman Sedna offers clues about the message of Sedna's return including a warning about the sustainability of our planet Explains how Kundalini energy courses through planets and people alike and how planetary transits activate a form of cosmic Kundalini energy with Sedna's planetary return marking a major stage in this awakening process Details how Sedna's energies can be harnessed for healing ourselves and our planet including how Earth's ley lines are mirrored within the body's meridians Named after a mythological Inuit sea woman the planet Sedna was first discovered in 2003 Its return to our solar system after 11 000 years of orbit has been tied to the huge tsunami that struck Indonesia Thailand and India in 2004 as well as to the increased occurrence of other marine and weather events over the last decade And just as it is affecting the waters of our planet Sedna's energies are also affecting each of us as individuals Exploring the impact that planetary bodies have on Earth and on humans Jennifer Gehl reveals how Sedna's energies can be worked with for healing ourselves others and the planet She explains how the naming of this planet after the archetypal figure of Sedna and her myths provides major clues to the message that Sedna's return is sending a clear warning about the sustainability of the planet and the oceans the source of all life and an invitation to awaken to the parts of ourselves that have been ignored abandoned and cast out into the cold just as Sedna was when she was drown in the Arctic Ocean The author examines the astrological chart for Sedna's discovery providing an in depth look at how certain aspects particularly the quincunx support the legend of Sedna and its impact on

human health She looks at how Kundalini energy courses through planets and people alike and how planetary transits activate a form of cosmic Kundalini energy with Sedna's return marking a major stage in this awakening process She reveals how Earth's ley lines are mirrored within the body's meridians and offer a way to tune ourselves to the cosmic frequencies that Sedna brings Examining the story of Sedna mythologically and astrologically Gehl explains how Sedna's last appearance 11 000 years ago occurred at the end of the Ice Age when waters disrupted and divided our world Her return rather than being a harbinger of disaster is one of the way shower and shaman Symbolically she lights the path for us to ignite our own immortality by surrendering to the inner path revealing patterns and pathways for infinite healing potential a new model of sustainability for the health of our planet and a way to actively participate in our soul's evolution The Yugas Joseph Selbie, David Steinmetz, 2011-08-16 Millions are wondering what the future holds for mankind and if we are soon due for a world changing global shift Paramhansa Yogananda author of the classic Autobiography of a Yogi and his teacher Sri Yukteswar offered key insights into this subject They presented a fascinating explanation of the rising and falling eras that our planet cycles through every 24 000 years According to their teachings we have recently passed through the low ebb in that cycle and are moving to a higher age an Energy Age that will revolutionize the world Over one hundred years ago Yukteswar predicted that we would live in a time of extraordinary change and that much that we believe to be fixed and true our entire way of looking at the world would be transformed and uplifted In The Yugas authors Joseph Selbie and David Steinmetz present substantial and intriguing evidence from the findings of historians and scientists that demonstrate the truth of Yukteswar's and Yogananda's revelations *The Empires of Atlantis* Marco M. Vigato, 2021-12-21 Traces the course of Atlantean civilization through its three empires as well as the colonies and outposts formed by its survivors in Egypt G bekli Tepe India Mesopotamia the Mediterranean and North and South America Shows how pyramids and other megalithic monuments testify to the survival of a Sacred Science of Atlantean origin and how this Sacred Science provided the foundation for esoteric traditions and secret societies throughout the ages Draws on more than 500 ancient and modern sources and the author's own personal exploration of hundreds of archaeological sites Exploring more than 100 000 years of Earth's history Marco Vigato combines recent discoveries in the the fields of archaeology geology anthropology and genetics with the mystery teachings of antiquity to investigate the true origins of civilization Establishing the historical and geological reality of Atlantis stretching all the way back to 432 000 BCE he traces the course of Atlantean civilization through its three empires revealing how civilization rose and fell several times over this lengthy span of time The author shows that Atlantis did not vanish in one terrible day and night but survived in a variety of different forms well into the historical era He reveals how the the first Atlantean civilization lasted from 432 000 to 35 335 BCE the second one from 21 142 to 10 961 BCE and the third Atlantis civilization the one celebrated by Plato collapsed in 9600 BCE after the Younger Dryas cataclysm The author examines the role of Atlantean survivors in restarting civilization in different parts of the world from G bekli Tepe and Egypt

to India Mesopotamia and the Americas He personally documents their colonies and outposts around the globe offering unique views of the colossal network of pyramids earthen mounds and other megalithic monuments they le behind He shows how these monuments testify to the survival of a sacred science of Atlantean origin and he documents the survival of the primeval Atlantean tradition through various secret societies into the modern era Drawing on more than 500 ancient and modern sources and sharing never before seen photographs from his own personal exploration of hundreds of archaeological sites around the world Vigato shows not only that Atlantis was real but that the whole world is now being called to become a New Atlantis and awaken into a new golden age

The Engineering of Consent David Klooz, 2021-02-10 There are many people and many authors who believe that civilization mankind or our species has amnesia I do not believe this I believe we have been lied to since the beginning of recorded history and even before that The first half of this book is about our four previous civilizations and the out of place artifacts and knowledge that has been hidden debunked lost or forgotten such as the giant skeletons recorded in most newspapers in the 19th century recorded Indian Vimanas that flew powered by a spinning plasma engines in 7 000 BCE as well as flying Aeros in Bavaria and the Western United States It is about the Cro Magnon giants of the Atlantean civilization escaping to the area of the Caucasus Mountains Northern Africa the Canary Islands and the East Coast of the Americas during the Solar System cataclysm in 10 900 BCE It is about that same tall Atlantean Aryan Iranian race with blue eyes and red and blonde hair that migrated from the Caucasus mountains and became the ruling class from China to Egypt It is also the story of the stealing destroying hiding and perverting the occult and lost knowledge of the Brotherhood by the High priests of Egypt known as the Scarlet Council so that only they could control who could become part of their New Brotherhood That ancient knowledge was also perverted by the addition of the Jewish Kabbalah a mixture of alchemy numerology gematria and magic as well as by the Alumbrados an emerging occult movement founded by Spanish Marranos The members were baptized Jews who secretly kept their Telmudic faith Also the Khazars Krypto Jews from near the Black Sea with their knowledge of Babylonian black magic and money magic perverted the Mysteries This confusing jumble was added to the existing Egyptian Osiris Isis Horus Cult which was the basis of Freemasonry which was infiltrated by Adam Weishaupt and his 2000 members along with the Jesuits and the Vatican This became the New Illuminati Finally it is about the control of the masses by religion and by the alchemy of social engineering to manipulate the masses through disinformation brainwashing and the fear of terror It uses mass death rituals like 9 11 and public assassination rituals such as that of JFK for shock value The use of this alchemical social engineering is used in the engineering of consent in order to protect the masses from the terror and hopelessness that the Brotherhood itself has created This culture of control can also be seen by the use of political correctness the additional attempts to limit free speech and the creation of hopelessness mistrust and eugenics by lockdowns masks quarantines and forced use of untested injections Remember the Nuremberg Code and Never Again That was a lie as well We are living it that lie **Gaia**

Luminous Kiara Windrider, 2023-08-19 This is the most comprehensive book on planetary shift I have ever read. The physical realities, cosmic perspectives and dynamics involved are all addressed. Rapid climate changes, galactic and solar cycles, volcanism, ice ages and magnetic reversals are touched upon in a rich and concise way. Gaia Luminous goes to the very heights and depths of what this great change is all about. Barry Martin Snyder, *Birthing the Luminous Self*. This remarkable book showcases Kiara's extraordinary ability to integrate, summarize and structure a vast range of topics from deeply spiritual teachings to the latest discoveries in science. Kiara brilliantly and eloquently connects the dots and presents clear and practical solutions for these complex and precarious times. Yves Nager, *Find your Life Purpose*. For those who are consciously aware of the challenging implications of these times and seek both cosmic perspectives and spiritual guidance, Gaia Luminous is an invaluable resource of scholarly and balanced investigation combined with profound personal experience. Simon Peter Fuller, *Rising out of Chaos*. Kiara Windrider serves up a full course of scientific inquiry, evolutionary thinking and sacred insights from a wide variety of traditions. This thrilling read feeds our sense of the possible and activates our commitment to a bold new vision for humanity. James O. Dea, *The Conscious Activist*. Atlantis and the Alien Presence. Dr. David Klooz, 2019-11-26. The current world isn't just full of mysteries; it is made up of them. You could spend your life investigating the murders of the Kennedys, the identity of Jack the Ripper, or studying UFOs, crop circles, cattle mutilations, ley lines, Atlantis or other strange phenomena. Each of these mysteries has its authorities and its counter authorities, its supporters and its detractors, all of whom are full of information and expertise but truly offer nothing more than opinions. Realistically, these people are myth makers with the object of establishing their own particular myth, gaining wide official acceptance for it as authorities and thus for a time making it the TRUTH. This has been mankind's biggest fault in this cycle of humankind's experiences on the Earth: that is the belief that authority provides the truth rather than the truth provides the authority. Even worse, it could be that this has consistently been humankind's fault during all the previous cycles of humankind's existences on Earth and those have been many. In Western society, while a very small minority of the current authorities know what or at least part of what the truth is, the last thing they want to do is share it with the masses. The 99.99% of the human population they consider useless eaters and subjects. In general, everything we think we know is a lie or a partial lie perpetuated by this very small group of individuals. Since the earliest time of civilizations, this group has not shared information with the individuals of the world. Since this current cycle of civilization began following the cataclysm of 10,400 BCE and the sinking of Atlantis, the most important information and knowledge concerning our true origins and history has been withheld. That which rightly belongs to us has been destroyed, buried, ignored, suppressed, misrepresented, weaponized or purposely confused by disinformation under the auspices of the so-called authorities. In the West, the authorities want to keep us occupied and non-thinking with reality television, shows, televised sports, sixty-hour work weeks, alcohol and drug abuse, texting on our iPhones, believing in the lies or partial lies they want us to believe in and leave the thinking to them. Religious

institutions the educational system the justice system the economic system the media and even secret societies have been infiltrated and usurped by these individuals and others with the same philosophy at mankind's expense These individuals have no empathy and no concern for the human condition They seek only one thing and that is power the power to control To them power is more than an addiction but a right Knowledge is the form of their initial power They use that to gain economic power control and influence and then infiltrate all levels of society until they infect the entire planet Their religion is worshipping the self and their ego that they believe is their divine spark with a motto of Do as thou wilt In my last book *Adrift on a Sea of Lies* I tried to identify who these individuals were or are and how have they managed to do this over the past 12 000 years Also was there anything we can do that might reverse this during the next 12 000 years to ensure this doesn't happen again during the next cycle of our Earth or will it repeat again and again with only minor changes This book is an examination of the last 150 years primarily focusing on a so called myth that I believe is factual In this case the beginning of the story is about Atlantis and its growing association with part of the Antarctic continent It describes and supports the evidence for Atlantis being located beneath the ice of Antarctica and describes the evidence in detail including the following the location of Atlantis within the world ocean ancient mapping evidence of dispersed civilizations the rise of agriculture and Earth crust displacement It is also about the Nazis UFOs and the US and their involvement with the Antarctic continent I believe this disinformation plot will more than likely culminate in an upcoming US False Flag event unless the truth becomes known Lastly it is about the so called alien presence and the current attempt to keep it hidden and destroy it before the world knows how the Anglo American Zionist Empire created and financed it nearly 100 years ago *Adrift on a Sea of Lies*

,2019-09-26 How would you feel if you were told that everything you thought you knew was a lie Humanity has been living with amnesia since the dawn of civilization Mankind has believed that authority provides the truth rather than truth provides the authority This book is an attempt to find the truth of our past and the real history of our civilization why it has been hidden away from us and by whom It is our story with a different theory of the beginning of the universe to the coming totalitarian society of today It follows our history from the cataclysm in our solar system and on Earth in 10 900 BCE through the formation of all religions mystery schools and secret societies that still exist today Because there are too many dots to connect it instead follows a thread of greed power and control through all the world's major events wars assassinations fake terrorism fake news and false flag events such as 9 11 and the London tube bombings It reveals our actual history and attempts to provide evidence that demonstrates that this is not a conspiracy theory but a reality In the West the authorities want to keep us occupied and non thinking with reality television shows televised sports sixty hour work weeks alcohol and drug abuse texting on our iPhones believing in the lies or partial lies they want us to believe in and leave the thinking to them Religious institutions the educational system the justice system the economic system the media and even secret societies have been infiltrated and usurped by these individuals and others with the same philosophy at mankind's expense These

individuals have no empathy and no concern for the human condition They seek only one thing and that is power the power to control To them power is more than an addiction but a right Knowledge is the form of their initial power They use that to gain economic power control and influence and then infiltrate all levels of society until they infect the entire planet Their religion is worshipping the self and their ego and they believe that their unique ego is their divine spark Their motto is Do as thou wilt Who are these individuals Why and how have they managed to do this over the past 12 000 years Is there anything we can do that might reverse this during the next 12 000 years Can we ensure this doesn t happen again during the next cycle of our Earth or will it repeat again and again with only minor changes These are the questions that I hope to if not answer give at least some direction where we can find some hope to recapture our civilization
