Alberto Mira, Alberto Mira Nouselles

Luis Bunuel Obra Cinematografica:

Luis Buñuel Agustín Sánchez Vidal,1984 *Luis Buñuel de la literatura al cine* Antonio Monegal,1993 **Luis Buñuel** Román Gubern,Paul Hammond,2012-01-04 The turbulent years of the 1930s were of profound importance in the life of Spanish film director Luis Buñuel 1900 1983 He joined the Surrealist movement in 1929 but by 1932 had renounced it and embraced Communism During the Spanish Civil War 1936 39 he played an integral role in disseminating film propaganda in Paris for the Spanish Republican cause Luis Buñuel The Red Years 1929 1939 investigates Buñuel's commitment to making the politicized documentary *Land without Bread* 1933 and his key role as an executive producer at Filmfono in Madrid where he was responsible in 1935 36 for making four commercial features that prefigure his work in Mexico after 1946 As for the republics of France and Spain between which Buñuel shuttled during the 1930s these became equally embattled as left and right totalitarianisms fought to wrest political power away from a debilitated capitalism Where it exists the literature on this crucial decade of the film director's life is scant and relies on Buñuel's own self interested accounts of that complex period Román Gubern and Paul Hammond have undertaken extensive archival research in Europe and the United States and evaluated Buñuel's accounts and those of historians and film writers to achieve a portrait of Buñuel's Red Years that abounds in new information **The A to Z of Spanish Cinema** Alberto Mira,2010-04-27 Spanish cinema is emerging as one of the most exciting fascinating and special cinemas in the world Not only are others viewing Spanish films but they are adopting Spanish producers and Spanish actors as their own While Spanish cinema has been maturing for a long time and has been producing excellent directors actors and films for decades including during the dark times of the Franco regime only now is it winning numerous fans not only at home but also abroad And with directors like Pedro Almodóvar actors and actresses like Javier Bardem and Penélope Cruz and films such as *Abre los ojos* and *Alatriste* to build upon the outlook for Spanish Cinema appears brighter than ever The A to Z of Spanish Cinema provides a better understanding of the role Spanish cinema has played in film history through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on producers directors film companies actors and films **Luis Buñuel** Agustín Sánchez Vidal,2004 *Luis Bunuel* Peter William Evans,Isabel Santaolalla,2019-07-25 This text ranges widely over key films and moments from stages of Luis Bunuel's career It locates and re appraises Bunuel's films with particular emphasis on the national cinemas and varied cultures with which he was identified Historical Dictionary of Spanish Cinema Alberto Mira Nouselles,2010-04-28 Emerging as one of the most exciting fascinating and special kinds of filmmaking in the world Spanish cinema has been producing excellent directors actors and films for decades including during the dark times of the Franco regime With directors Pedro Almodóvar actors and actresses Javier Bardem and Penélope Cruz and films *Abre los ojos* and *Alatriste* amassing popularity the outlook for Spanish cinema appears brighter than ever and it is deservedly winning numerous fans abroad *A Companion to Luis Buñuel* Gwynne Edwards,2005 Luis Buñuel 1900 1983 was one of the truly great film makers

of the twentieth century Shaped by a repressive Jesuit education and a bourgeois family background he reacted against both escaped to Paris and was soon embraced by Andr Breton s official surrealist group His early films are his most aggressive and shocking the slicing of the eyeball in *Un Chien andalou* 1929 one of the most memorable episodes in the history of cinema *The Forgotten Ones* 1950 and *He* 1952 made in Mexico were followed from 1960 in Spain and France by the films for which he is best known *Viridiana* 1961 *Belle de jour* 1966 *Tristana* 1970 *The Discreet Charm of the Bourgeoisie* 1972 and *That Obscure Object of Desire* 1977 Gwynne Edwards analyses the films in the context of Bu uel s personal obsessions sex bourgeois values and religion suggesting that the film maker experienced a degree of sexual inhibition surprising in a surrealist

GWYNNE EDWARDS is Professor of Spanish at the University of Wales Aberystwyth **Historical Dictionary of Spanish Cinema** Alberto Mira,2019-12-04 Historical Dictionary of Spanish Cinema covers Spanish cinema its treasures its constant attempts to break through internationally reaching out towards universal themes and conventions and the specific obstacles and opportunities that have shaped the careers of filmmakers and stars This book contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 200 cross referenced entries on titles movements filmmakers and performers and genres such as homosexuality nuevo cine espa ol or horror This book is an excellent resource for students researchers and anyone wanting to know more about Spanish cinema Luis Buñuel Jo Evans,Breixo Viejo,2019-10-31 Luis Bu uel *A Life in Letters* provides access for the first time to an annotated English language version of around 750 of the most important and most widely relevant of these letters Bu uel 1900 1983 came to international attention with his first films *Un Chien Andalou* with Dal 1929 and *L ge d Or* 1930 two surprisingly avant garde productions that established his position as the undisputed master of Surrealist filmmaking He went on to make 30 full length features in France the US and Mexico and consolidated his international reputation with a *Palme d Or* for *Viridiana* in 1961 and an Academy Award in 1973 for *The Discreet Charm of the Bourgeoisie* He corresponded with some of the most famous writers directors actors and artists of his generation and the list of these correspondents reads like a roll call of major twentieth century cultural icons Fellini Truffaut Vigo Aragon Dal Unik and yet none of this material has been accessible outside specialist archives and a very small number of publications in Spanish and French **Latin American Cinema** Paul A. Schroeder Rodríguez,2016-03-08 This book charts a comparative history of Latin America s national cinemas through ten chapters that cover every major cinematic period in the region silent cinema studio cinema neorealism and art cinema the New Latin American Cinema and contemporary cinema Schroeder Rodr guez weaves close readings of approximately fifty paradigmatic films into a lucid narrative history that is rigorous in its scholarship and framed by a compelling theorization of the multiple discourses of modernity The result is an essential guide that promises to transform our understanding of the region s cultural history in the last hundred years by highlighting how key players such as the church and the state have affected cinema s unique ability to help shape public discourse and construct modern identities in a region marked by

ongoing struggles for social justice and liberation

A Companion to Luis Buñuel Rob Stone, Julián Daniel

Gutiérrez-Albilla, 2013-02-12 *A Companion to Luis Buñuel* presents a collection of critical readings by many of the foremost film scholars that examines and reassesses myriad facets of world renowned filmmaker Luis Buñuel's life works and cinematic themes. A collection of critical readings that examine and reassess the controversial filmmaker's life works and cinematic themes. Features readings from several of the most highly regarded experts on the cinema of Buñuel. Includes a multidisciplinary range of approaches from experts in film studies, Hispanic studies, Surrealism, and theoretical concepts such as those of Gilles Deleuze. Presents a previously unpublished interview with Luis Buñuel's son Juan Luis Buñuel. *Guide to the Cinema of Spain* Marvin D'Lugo, 1997-11-25 This guide to Spanish film documents the film industry's interpretation of the isolating effects of the cultural traditionalism of the early twentieth century to the expanding international popularity of such films as Trueba's *Belle Époque*, Aranda's *Amantes*, and Bigas Luna's *Jamón Jamón* and such actors as Victoria Abril, Carmen Maura, and Antonio Banderas. This is the first volume in a new Greenwood series that discusses historically and critically films, directors, and actors in film industries throughout the world. Each volume will include a detailed historical introduction and will provide an in-depth treatment of the most important films and individuals involved in the industry. End of entry bibliographies provide sources for further reading, and appendixes provide additional useful information. The Guides will be valuable to scholars, students, and film buffs. Spanish cinema is in many ways a microcosm of the tensions and conflicts that have shaped the evolution of the nation over the course of this century. Spanish film, as a cultural institution, is rarely divorced from the political and social currents that have shaped the larger Spanish culture, torn as it was between tendencies of localism and internationalism. It languished in industrial and artistic underdevelopment for many years under Franco; it is now, however, experiencing international recognition while remaining rooted in the specificity of its own popular cultural styles. *The Cinema of Spain and Portugal* Alberto Mira, Alberto Mira Nouselles, 2005 Providing an overview of Spanish and Portuguese cinema, this title contains 24 essays, each on a separate seminal film from the region, profiling work from the likes of Pedro Almodóvar and João César Monteiro. **Blood Cinema** Marsha Kinder, 1993-12-06 This is the most complete in-depth, sophisticated study of Spanish cinema available in any language. Marvin D'Lugo, author of *The Films of Carlos Saura*.

Los mundos de Buñuel Víctor Fuentes, 2000-12-12 Estudio completo de la obra de Luis Buñuel en su doble faceta de escritor y director de cine, abordado desde una perspectiva histórico-cultural, además de la puramente cinematográfica.

Literary Adaptations in Spanish Cinema Sally Faulkner, 2004 In this survey of the history of Spanish cinema in the Spanish dictatorship and democratic periods, the author argues that studies of adaptations must simultaneously address questions of text, formal issues central to the study of film and literature, and context, crucial ideological concerns.

Documenting Spain: Artists, Exhibition Culture, and the Modern Nation, 1929-1939, The news media have given us potent demonstrations of the ambiguity of ostensibly truthful representations of public events. Jordana Mendelson

uses this ambiguity as a framework for the study of Spanish visual culture from 1929 to 1939 a decade marked on the one hand by dictatorship civil war and Franco's rise to power and on the other by a surge in the production of documentaries of various types from films and photographs to international exhibitions Mendelson begins with an examination of El Pueblo Espaol a model Spanish village featured at the 1929 International Exposition in Barcelona She then discusses Buuel's and Dal's documentary films relating them not only to French Surrealism but also to issues of rural tradition in the formation of regional and national identities Her highly original book concludes with a discussion of the 1937 Spanish Pavilion where Picasso's famed painting of the Fascist bombing of a Basque town Guernica was exhibited along with monumental photomurals by Josep Renau Based upon years of archival research Mendelson's book opens a new perspective on the cultural politics of a turbulent era in modern Spain It explores the little known yet rich intersection between avant garde artists and government institutions It shows as well the surprising extent to which Spanish modernity was fashioned through dialogue between the seemingly opposed fields of urban and rural fine art and mass culture

Buñuel: La última etapa francesa Arnaud Duprat de Montero, 2024 A partir de Belle de Jour en 1966 Buuel abandon definitivamente el cine mejicano para seguir rodando en Francia y de vez en cuando en España El análisis de este filme y de los cinco que le sucedieron La voie lactée 1969 Tristana 1970 Le charme discret de la bourgeoisie 1972 Le fantôme de la liberté 1974 Cet obscur objet du désir 1977 en comparación con las primeras películas surrealistas y las del periodo mejicano permite entender en qué medida Francia y el coguionista Jean Claude Carrière determinaron la expresión artística del director a pesar de una influencia notable de la cultura española y de una correspondencia con la filmografía de Carlos Saura

Queering Buñuel Julian Daniel Gutierrez-Albill, 2008-05-30 As the father of cinematic Surrealism extensive critical attention has been devoted to Luis Bunuel's cinema Much has been written about his first Surrealist films of the 1920s and 1930s and the French art movies of the 1960s and 1970s However here for the first time is a queer re-reading of Bunuel's Spanish language films allowing us to view Bunuel's cinema through a lens of queer spectatorship Focusing on the films Bunuel produced in Mexico and Spain during the 1950s and 1960s Julian Daniel Gutierrez Albilla argues not that Bunuel's films have a homosexual subplot but that there are multiple forms of identity subjectivity and sexuality present in these films Queering Bunuel brings together the fields of film studies feminist and queer theory Hispanic studies psychoanalysis and art theory Gutierrez Albilla succeeds in reconceptualizing Bunuel's Mexican and Spanish films beyond geographical historical and disciplinary boundaries questioning not just how we see Bunuel but also how we see cinema

Luis Bunuel Obra Cinematografica Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Luis Bunuel Obra Cinematografica**," written by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
