The Path to Salvation in Luke's Gospel MiJa Wi,2019-05-23 This book investigates Luke s message of salvation in relation to socio economic issues and thus concerns salvation of the rich as well as the poor With a narrative reading of Luke s Gospel built on careful examination of its socio economic context it demonstrates that

Luke's message of salvation is best understood as 1 Divine mercy which champions the cause of the poor and redresses the injustice of the world 2 Its human embodiment and 3 Divine reward promised to those who enact mercy Wi argues that Luke's question of what must we do juxtaposes salvation with doing posing interesting questions with respect to the salvation of the rich This volume highlights good news to the poor in terms of divine mercy and justice shows that the reception of divine mercy calls for practices which embody it and above all clarifies Luke's notion of salvation of the rich which will happen as participation in the salvation of the poor Wi's conclusion challenges its readers by asking the question along with Luke's audience What must we do

Luke's Gospel Jonathan Knight, 2005-08-04 Luke's Gospel provides a comprehensive and schematic reading of Luke's Gospel one of the most important books detailing the life and works of Christ in six main parts Knight introduces the Gospel and the narrative theory on which the Gospel rests He offers a detailed chapter by chapter exposition of the Gospel and also alternative perspectives such as feminism and deconstruction He considers the principal motifs of the Gospel particularly the theme of the temple which has been previously overlooked in Luke scholarship arguing that Jesus pronounces the present temple forsaken by God to introduce himself as the cornerstone of the eschatological temple Finally he examines earlier readings of Luke's Gospel Jonathan Knight presents an accessible and jargon free introduction to the Gospel and makes a valuable addition to the New Testament Readings series

The Kingdom of God Is among You Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task

as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i e we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1
