L. Paul Jensen,2009-08-01 Subversive Spirituality links the practice and study of Christian spirituality with Christian mission It develops a twofold thesis grace spiritual disciplines and mission practices are inseparably linked in the mission of Jesus of the early church and of several historical renewal movements as well as in a contemporary field research sample and amidst the collapse of space and time evidenced by our culture s increasingly hurried pace of life more time and space are needed for regular solitary and communal spiritual practices in church mission and leadership structures if Christian mission is to transform people and culture in our time This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word Specifically Jensen examines the spirituality and mission of Jesus the early church the apostolic fathers Origen the Devotio Moderna the early Jesuits David

Brainerd and several women in 19th century Protestant missions He considers the spirituality and mission that have arisen within the postmodern generations born after 1960 Based on the theological historical cultural and field analyses of this study a model for spirituality and mission is proposed The model addresses the contemporary collapse of space and time and appears to have widespread applicability to diverse cultures and eras Jensen s model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church mission and educational structures A derivative model for teaching and practicing spirituality and mission in the academy which also has application for non formal leadership development structures is also proposed

**Spirituality in John's Gospel** Gabriel-Mary Fiore,2023-11-30 The Fourth Gospel has been known as the spiritual gospel since the second century but only recently have biblical scholars attempted to express the unique spirituality found in that sacred text Surprisingly no consensus has emerged even after a century of research Thus while John s Gospel is widely admired as a vibrant source of Christian piety the distinct features of its spirituality remain unclear Fr Fiore addresses this problem from the fresh perspective of spiritual theology Capitalizing on a century of Johannine biblical scholarship he uses the interdisciplinary methods of spiritual theology to bring new data to the study of the Gospel and solutions to many lingering questions How did ancient readers understand what scholars now refer to as the Gospel s spirituality How does that ecclesial reading compare to the analysis of modern critical exegesis What makes Johannine spirituality special among other forms of Christian piety How does the question of the Gospel s authorship impact our understanding of its spirituality Does the Gospel contain what we now call mysticism In what ways is John s spirituality still relevant for Christians today Students of Christian spirituality and Johannine exegesis alike will find here stimulating historical and theological analysis of the Gospel s spirituality

[The Gagging of God](#) D. A. Carson,2009-09-01 The Gold Medallion Award winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism A great majority of social commentators attempting to define modern Western culture land on a common characteristic pluralism This isn t unique to secular culture Many modern approaches to Christian hermeneutics or biblical interpretation have given credence to contemporary pluralism What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness It s no secret that the contemporary challenges to Christianity are complex and serious Yet far from simple fear mongering or cultural warmongering *The Gagging of God* takes a hard look at the background and intricacy of pluralism postmodernity and hermeneutics and equips thoughtful Christians to have intelligent culturally sensitive and passionate fidelity to the gospel of Jesus Christ In his contemplative even handed approach Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface It invites Christians to grapple responsibly with urgent questions of biblically grounded theology spirituality and the defining lines of Christianity along with its range of challenges from without and within *The Gagging of God* offers an in depth look at

the big picture shows how the many ramifications of pluralism are all parts of a whole and provides a systematic Christian response

**Acts of the Apostles** Leonard Doohan, 2016-08-31 The author of Acts is a wonderful catechist and pastoral leader an exciting person who demonstrates a creative responsibility for the faith and approaches critical issues with insight At a major turning point in the history of early Christianity Luke interprets Jesus s message for new times and new conditions Thus he provides an example for present day communities to follow in their constant efforts to be faithful while presenting Jesus s message in ways that are relevant to changing times and cultures Acts is a wonderful book to read for any disciple but especially for anyone involved in the ongoing renewal of church life today

**The Corinthian Correspondence** Helen Doohan, 2016-08-18 The Corinthian correspondence and the community it reflects are exciting and exasperating interesting and complex The letters offer us a window of opportunity to view Paul s personal and pastoral presence in his growing relationship with this church Struggling with his own history the history of the community and the newness of the Gospel he preaches Paul identifies an approach that balances tradition and innovation theological foundations and principles of action The passion persuasion and purpose of the apostle permeate these letters and no one is unaware that the Lord Jesus is the center of his Gospel message and of his life Paul offers insight into the commitment of early apostles disciples and ministers in the Corinthian community He personally experiences the dying and rising of Christ in his work with this community giving a ring of truth to his own assessment of Christian life and ministry Only faith transforms adversity into an opportunity for growth and Paul s faith and perseverance offer hope to those of us who continue to experience the paradoxes of Christian life and ministry

Nurture Our Spiritual Lives 2014 and Rediscovering Jesus Priorities 2014      **The Spiritual Consciousness of Carmen Martin Gaité** Anne-Marie Storrs, 2023 An exploration of Spanish writer Carmen Martín Gaité's religious outlook through the inner journeys of five female characters For Martín Gaité a truly religious or spiritual perspective requires conscious attention to the products of the unconscious dreams images memories premonitions followed by reflection and action as well as a similar attentiveness and responsiveness to external events both large and small This reconnection of the supernatural and day to day worlds also involves descent to the unconscious the way to wholeness as depicted in so many myths and fairy tales including those which Martín Gaité used to retell or enhance the works analysed in this book Sleeping Beauty The Little Mermaid Amor and Psyche Demeter and Persephone and the Descent of the Goddess Inanna Looking at the extent to which these female characters attend to reflect on and respond to their dreams images memories and events the analysis suggests that Martín Gaité uses her stories to try to communicate both the road to her own enlightenment and warnings about paths that lead away from this      **Mark Leonard Doohan**, 2016-08-31 Mark is one of the most daring figures of the early church but at the same time he is not easily labeled He is the first to assemble the oral traditions about Jesus thereby showing his fidelity and devotion to the past But he is equally forceful in challenging his own church's accumulated traditions especially those he does not see as authentically representative of the events of Jesus's life and ministry He respectfully documents the authority of church leaders and still feels free to challenge them At times it is difficult to know what to make of Mark One point is clear no Christian of any time can read this gospel without being challenged by it      **John Leonard Doohan**, 2016-08-31 John A Daring Vision of Faith delivers a unique understanding of the good news Dr Doohan calls John's Gospel a challenging and refreshing foundational document for Christian faith because it calls to a deep mysticism and avoids the clutter of petty laws and power struggles so typical of inauthentic religion John's Gospel has always been characterized as coming from the fruits of reflection and deep prayer and it cannot be comprehended unless one enters into a deep mystical state The author aids the reader in entering this spiritual state required to truly know John's gospel of Christ      **Paul's Vision of Church** Helen Doohan, 2016-06-03 The church always seeks to renew itself and redefine the dedication to the values that Jesus hoped the church would live and promote This book endeavors to bring vision and challenge to our contemporary efforts to build church by going back to the beginnings of the church and examining the vision and commitment of the Apostle Paul He became involved in a very energetic and often controversial mission to the churches he founded He is an original thinker who allows the message of Jesus to penetrate the social realities of his day Let us observe how he spent his time discover the source of his zeal and energy and appreciate his dynamic and changing understanding of the church community Paul has so much to teach us in our contemporary efforts to understand and energize church      **Matthew Leonard Doohan**, 2016-08-31 Matthew A Gospel for a Divided Community is a work of biblical theology with special interest in spirituality There are very few books available today that approach scripture with the specific interests of

spirituality Generally Bible commentaries are exegesis of the text without application or interpretation to real life issues  
Matthew is a work of biblical spirituality In approaching the Gospel of Matthew the author deals with all the usual questions  
of books on the Bible where it was written by whom why when how However in approaching these topics Dr Doohan focuses  
on the implications for Christians living today For example when he deals with Matthew he is not so much interested in  
historical information as he is in Matthew s attitudes and approaches to life which are very relevant and challenging to us  
today
