*Looking Back* John Ashton Hester, 2019-12-10 Two stories of plane crashes in the Oconee County mountains are among the many stories from past issues of the Keowee Courier that are contained in this the twelfth book in the Looking Back series This book also contains some commentaries by Courier editor Ashton Hester and highlights from the years 1938 1948 1958 1988 1998 and 2008 It is the author's hope that the Looking Back books will bring back some nostalgic memories for longtime residents and provide some historical insight for younger people and newcomers to the area The Keowee Courier was founded in 1849 Sadly it was recently closed down with the final issue coming out on March 27 2019 The Alternate

Rob J. LaBelle, 2023-02-16 Luke Billings loved his life He just married his longtime girlfriend Sara and recently returned from their honeymoon Unfortunately their time as husband and wife would be short lived A few hours after returning home Luke was standing out in his driveway talking to his best friend Rob when they thought they heard an unusual noise come from within the surrounding forest Luke was then pulled into the woods by some unknown force causing Rob to run in after him To Rob's horror however Luke was nowhere to be found Once he came to Luke opened his eyes and returned home only to find his world completely flipped upside down A strange couple was now living in his house while Rob and Sara along with his personal belongings and car were all gone After getting arrested for trespassing Luke became fast friends with the arresting officer Steven With him Luke also enlisted the help of a woman named Olivia to uncover the truth about what happened to him But the more Luke dug for clues about his disappearance the farther down the rabbit hole he went Unbeknownst to him however the truth would eventually lead him to make the hardest decision of his life **Luke's Cut** Sarah McCarty, 2017-11-28 He's the last bachelor standing among the men of Hell's Eight and he'll settle for nothing less than passion Unencumbered by wife or family Luke Bellen is the obvious member of Hell's Eight to lead a treacherous trek across Comanche territory But Luke suspects he will never know another minute's peace when photographer Josie Kinder joins the wagon train Whip smart Josie has a voluptuous figure a sunny disposition and a knack for getting into dangerous scrapes in pursuit of the perfect shot Luke thinks Josie's too young too sweet to be despoiled by the rough life and hard bitten land he loves But independent Josie won't let any man however commanding decide what's best for her Beneath their playful banter is a powerful current of lust pure but not so simple If only Luke weren't so damned proper he'd see that the years between them don't matter a whit not when a single touch can set them both ablaze Josie's hell bent on having it all and that includes keeping Luke in the picture unless the vengeful bandits on their trail find them first *Threads* William S Frisbee Jr, 2021-09-27 The Colony of New Alamo finds itself trapped in a war torn system at the mercy of aliens who know too much about fleeing humans To keep the good will of the alien rulers they must sacrifice the hero that saved them and thus begins the career of Commander Luke Kishi This is a stand alone short story in the Conglomerate series universe of Luke Kishi's first mission as a mercenary working for the Topa It provides some additional detail into the Conglomerate the Topa and

Luke's role as a troubleshooter This is a short story set in the Conglomerate Series Universe Farewell to Innocence Allan Aubrey Boesak, 2015-05-01 While we acknowledge that all expressions of liberation theology are not identical we must protest very strongly against the false divisions that some make between black theology in South Africa and black theology in the United States between black theology and African theology and between black theology and Latin American liberation theology But moving away from the illusioned universality of western theology to the contextuality of liberation theology is a risky business one that cannot be done innocently In the search for theological and human authenticity in its own situation black theology does not stand alone It is but one expression of this search going on within many different contexts Until now the Christian church had chosen to move through history with a bland kind of innocence hiding the painful truths of oppression behind a facade of myths and real or imagined anxieties This is no longer possible The oppressed who believe in God the Father of Jesus Christ no longer want to believe in the myths created to subjugate them It is no longer possible to innocently accept history as it happens silently hoping that God would take the responsibility for human failure The theology of liberation spells out this realization For the Christian church it constitutes in no uncertain terms farewell to innocence
