Luminaries In The Natural World:

Luminaries in the Natural World Anna Marie Eleanor Roos,2001 This book demonstrates that the luminaries were transformed from peerless bodies that radiated powerful forces into objects of scientific study and in the case of the moon a place to visit imaginatively with its own geography and probable inhabitants Utilizing literary historical and visual evidence Luminaries in the Natural World indicates how and why these changes in solar and lunar perceptions occurred among the scientific community from 1400 to 1680 breaking new ground with its emphasis on influences from cartography astrology and hermeticism

Eclipse and Revelation Henrike Lange,Tom McLeish,2024-01-22 Two questions guide this seven year project First how can we approach the phenomenon representation and interpretation of total solar eclipses Second how can we heal the historical divide separating the natural sciences from the humanities arts history and theology The result of this interdisciplinary investigation into eclipses is an exciting look behind the scenes into labs archives and museums as well as around fieldwork in astronomy meteorology animal behaviour and ecophysiology Carefully prepared for readers from all backgrounds these voices invite us to imagine a liberated mode of discovery perception creativity and knowledge production across the traditional academic divisions A uniquely prismatic representation of total solar eclipses emerges itself rising to a model of communal thinking together across disciplinary borders This book is Tom McLeish s final project and scholarly testament Dedicated to him and to astrophysicist Jay M Pasachoff contributing author of a chapter about the solar corona also Pasachoff s final piece of writing the volume is a friendly companion to the chase of knowledge encouraging its readers to embark upon their own interdisciplinary journey of discovery

The Dead Sea Scrolls Dr. Peter W. Flint, 2013-02-01 In 1947 a Bedouin shepherd literally stumbled upon a cave near the Dead Sea a settlement now called Qumran to the east of Jerusalem This cave along with the others located nearby contained jars holding hundreds of scrolls and fragments of scrolls of texts both biblical and nonbiblical in Hebrew Aramaic and Greek The biblical scrolls would be the earliest evidence of the Hebrew Scriptures or Old Testament by hundreds of years and the nonbiblical texts would shed dramatic light on one of the least known periods of Jewish history the Second Temple period This find is quite simply the most important archaeological event in two thousand years of biblical studies The scrolls provide information on nearly every aspect of biblical studies including the Old Testament text criticism Second Temple Judaism the New Testament and Christian origins It took more than fifty years for the scrolls to be completely and officially published and there is no comparable brief introductory resource Core Biblical Studies fulfill the need for brief substantive yet highly accessible introductions to key subjects and themes in biblical studies In the shifting tides of biblical interpretation these books are designed to help students locate relevant meanings in conversation with the text As a first step toward substantive and subsequent learning the series draws on the best scholarship in order to provide foundational concepts and contextualized information on a broad scope of issues methods perspectives and trends

The Corruption and Redemption of Creation Harry Hahne, 2006-11-23 Nature plays an important and often neglected role in Jewish apocalypses Most Second Temple Jewish apocalypses ca 200 BC AD 100 do not oppose the material world but view nature as damaged by human and angelic sin Rather than expecting God to destroy the world many look forward to God's dramatic eschatological deliverance of nature from corruption Although Romans 8 19-22 was not written in the genre of an apocalypse it shares the basic apocalyptic world view The Apostle Paul follows that stream of apocalyptic thought that looks forward to the transformation of creation by an eschatological divine act the reversal of the damage caused by sin and the perfection of

nature to share glory with redeemed humanity A comparison of nature in Jewish apocalypses and Romans 8 19 22 reveals important insights into the theology of early Judaism and its influence on early Christian thought *The Old Testament World* Philip R. Davies,2005-01-01 Written by two leading Old Testament scholars with a wide range of expertise this unique introduction describes the historical social and cultural setting in which the Old Testament was written and a description of the major genres of literature that it contains It seeks therefore to illuminate the literature of the Old Testament by showing how it was shaped by the events social structures and religions and intellectual ideas of the ancient civilizations and cultures in which it was produced Unlike most Introductions it does not build largely on the traditional formats It also reflects the huge changes that our understanding of the Old Testament has undergone in the recent decades Rather than a conventional canonical theological approach the book offers an approach for those interested in the Old Testament as a monumental cultural achievement ideal for students of ancient history and religion in general as well as theology and requires a minimum of prior knowledge or expertise *The Holy Bible Containing the Old and New Testaments* Adam Clarke,1843
