viewing public The scale of the crisis has called into question Europe's humanitarian principles and internal political union making the Mediterranean into a mirror for long standing tensions between norms of universalism and demands for national security These captivating events have further raised the tide of scholars interest in the Mediterranean How should ethnographers contribute to the new wave of scholarship on the Mediterranean To what extent does the Mediterranean offer alternative forms of political relatedness to those construed from within Europe North Africa and the Middle East In this volume we reframe classical themes from early iterations of Mediterranean anthropology to address these questions in our examinations of changing dynamics across land and sea borders bringing ethnography back to the study of the Mediterranean and the Mediterranean with its Mediterraneanism back to ethnography The chapters in this book were originally published as a special issue of the journal *History and Anthropology Library Journal*, 2000 *The Royal Albert Hall* Roger Williams, 2003 Published to celebrate the completion of the Royal Albert Hall's eight year 70 million development programme this book tells the story of one of Britain's most treasured buildings It is a record of the pageant of British culture since Victorian times

The Pursuit of Pleasure Lionel Tiger, 2017-07-12 Pleasure is biologically desirable and good for physical and mental health In *The Pursuit of Pleasure* Lionel Tiger explores this aspect of human nature by focusing on the origins and forms of pleasure Medical science has perfected a host of often astonishingly impressive methods for preventing alleviating or recovering from pain Its opposite pleasure has not had such a well funded and fully justified constituency In fact those committed to the understanding and pursuit of pleasure are rarely accorded respect and a sense of significance People have objected to the notion of pleasure for a variety of reasons The most complex derive from religious convictions that the most morally admirable human life is marked by abstemiousness suffering even martyrdom There is also a corresponding fear that people may pursue pleasure too avidly and with too strong a sense of entitlement and the world's work will not get done But just as there have been suspicions of the dangers of pleasure there have also been its supporters who assert its vital and joyful centrality to human experience *The Pursuit of Pleasure* favors an agnostic approach borrowed from natural science In lively witty and eminently readable prose Tiger identifies major forms of pleasure and explores their variations now and in the past Pleasure says Tiger is not a luxury but an evolutionary entitlement that deserves to be taken seriously As we acknowledge our need for enjoyment we understand the need to establish balance in our lives our need for the pursuit of pleasure

Mary Berry: The Queen of

British Baking - The Biography A.S. Dagnell, 2013-01-29 Mary Berry is one of Britain's most respected and well-loved gurus of the kitchen. The undisputed Queen of the Aga has been the focus of many television shows and regularly contributes her expertise on *Woman's Hour*. The recent hit BBC show *The Great British Bake Off* has once again put Mary back into the limelight and has reignited a passion for baking across the nation. Inspired by domestic science classes at school, Mary took a catering course at her local college before gaining a qualification from the Cordon Bleu school in Paris. After a stint working for the Electricity Board where she demonstrated to new owners of electric cookers how to operate them by cooking a Victoria sponge and then as editor for *Housewife* and *Ideal Home* magazine, Mary published her first cookbook *The Hamlyn All Colour Cookbook* in 1970 and hasn't looked back since. As well as cookery books, Mary has collaborated with her daughter Annabel to produce their own range of dressings and sauces which are now sold worldwide. But her personal life has also been touched by tragedy as her son William was killed in a car accident at the age of just 19. With over 70 cookery books under her belt, there is no doubt that Mary Berry is one of Britain's most successful cookery writers. Awarded the CBE in 2012, her gentle personality and classic family cooking style are a remarkable contrast to some of the more outspoken celebrity television chefs. Just one of the reasons why even after over forty years in the industry, she is so well-loved. This is her fascinating story.
