Mythologies of Violence in Postmodern Media

Christopher Sharrett, 1999 This anthology examines a number of issues related to violence within the media landscape. Violence has been a topic of continued concern within American culture and society. Although there have been numerous sociological and historical studies of violence and its origins, there is relatively little systematic analysis of violence within media representation even as this issue becomes preeminent within public discourse. This anthology examines a number of issues related to violence within the media landscape using various methodologies to suggest the implications of the increasing obsession with violence for postmodern civilization.

Lustmord Maria Tatar, 2020-07-21 In a book that confronts our society's obsession with sexual violence, Maria Tatar seeks the meaning behind one of the most disturbing images of twentieth-century Western culture: the violated female corpse. This image is so prevalent in painting, literature, film, and most recently in mass media that we rarely question what is at stake in its representation. Tatar, however, challenges us to consider what is taking place both artistically and socially in the construction and circulation of scenes depicting sexual murder. In examining images of sexual murder, *Lustmord* she produces a riveting study of how art and murder have intersected in the sexual politics of culture from Weimar Germany to the present. Tatar focuses attention on the politically turbulent Weimar Republic, often viewed as the birthplace of a transgressive avant-garde modernism where representations of female sexual mutilation abound. Here a revealing episode in the gender politics of cultural production unfolds as male artists and writers working in a society consumed by fear of outside threats envision women as enemies that can be contained and mastered through transcendent artistic expression. Not only does Tatar show that male artists openly identified with real-life sexual murderers, George Grosz posed as Jack the Ripper in a photograph where his model and future wife was the target of his knife, but she also reveals the ways in which victims were disavowed and erased. Tatar first analyzes actual cases of sexual murder that aroused wide public interest in Weimar Germany. She then considers how the representation of murdered women in visual and literary works functions as a strategy for managing social and sexual anxieties and shows how violence against women can be linked to the war trauma, to urban pathologies, and to the politics of cultural production and biological reproduction. In exploring the complex relationship between victim and agent in cases of sexual murder, Tatar explains how the roles came to be destabilized and reversed, turning the perpetrator of criminal deeds into a defenseless victim of seductive evil. Throughout the West today, the creation of similar ideological constructions still occurs in societies that have only recently begun to validate the voices of its victims. Maria Tatar's book opens up an important discussion for readers seeking to understand the forces behind sexual violence and its portrayal in the cultural media throughout this century.

Relating Rape and Murder Jane Monckton-Smith, 2010-08-16 This book is about relating the concepts of rape and murder in both senses of the term: that is, the way rape and murder are linked and related, and also how stories of rape and

murder are related or told Key Thinkers in Linguistics and the Philosophy of Language Siobhan Chapman, Christopher Routledge, 2005 This book is a unique and accessible reference guide to the work of eighty key figures who have played an important role in the development of ideas about language from antiquity to the twenty first century The entries are extensively cross referenced allowing readers to trace influences developments and debates both in contemporary thinking and across time Each entry concludes with suggestions for further reading of primary texts and secondary sources encouraging readers to find out more about the particular key thinker and the impact of his or her ideas *Representing Shakespeare* Robert Shaughnessy, 2014-07-15 This text traces the changing theatrical and cultural identity of the History plays in the context of postwar social and political conflict crisis and change Since the company's inception in the early 1960s the RSC's commitment to relevance has fostered close relationships between Shakespearean criticism and performance and between the theatre and its audiences Through a detailed discussion of key productions from *The War of the Roses* in 1963 to *The Plantagenets* in 1988 Robert Shaughnessy emphasizes the political dimension of contemporary theatrical representations of Shakespeare and of the Shakespearean modes of history that these plays have been employed to promote individualist cyclical male dominated and driven by essentialised transcendent human nature Routledge Library Editions: Women, Feminism and Literature Isobel Armstrong, 2013-12-19 Reissuing seminal works originally published between 1979 and 1994 Routledge Library Editions Women Feminism and Literature offers a selection of scholarship from a time of great change in feminist studies and literary studies Topics cover all aspects of women's literature gender and feminism through literary criticism and the work of women literary theorists **Stranger Rape** Kevin Bonnycastle, 2012-10-09 Kevin Denys Bonnycastle's *Stranger Rape* is an in depth study of the lives of fourteen men who raped women unknown to them Using new data derived from official offender files offender program observations and the men's personal histories Bonnycastle documents compares and contrasts their experiences from boyhood to adulthood and eventual incarceration Bonnycastle argues that stranger rapists do not fit existing portrayals of them as predatory monsters or misogynist everymen Instead through an innovative approach that builds on research and theory from feminism gender studies critical criminology and masculinity studies she positions stranger rape as a matter of experiences of pain and powerlessness rather than of male power and control The book's major achievement is to recognize rapists and rape in their particularity and complexity in the hope that critical thinking about their lives and about their experiences in penal contexts and programs may eventually lead to what one respondent called his road to redemption Please note that this book includes graphic content **Male Envy** Mervyn Nicholson, 1999-01-01 Taking as his central argument that relations between males in western society are deeply colored if not actually determined by envy Mervyn Nicholson ranges across disciplines and eras in a fascinating utterly unique analysis of this taboo subject This book presents a series of motifs that are associated with male envy locating each in a particular historical context and illustrating it with examples drawn from literature film and popular culture Unlike earlier

treatments of envy by psychoanalysts or feminist theorists this book moves beyond mere illustration of the problem to actually construct a theory about how the code of Male Envy shapes social consciousness in modern culture A truly pathbreaking work Male Envy merits a close reading by gender theorists literary critics and social psychologists Hunting Humans Elliott Leyton,2011-10-05 In this classic study Elliott Leyton challenges the conventional idea of serial murderers as deranged madmen He explores the twisted but comprehensible motives of a half dozen notorious killers Edmund Emil Kemper Theodore Robert Bundy Albert DeSalvo The Boston Strangler David Richard Berkowitz Son of Sam Mark James Robert Essex and Charles Starkweather In the process of describing their crimes Leyton exposes the cold rationality that underlies their apparent pointlessness The result is startling a revelatory text on a deeply troubling topic Violence Against Women Pauline B. Bart,Eileen Geil Moran,1993 Violence against women permeates our society at every level in every setting Murder rape intimidation pornography workplace harassment incest are all part of a general belief built into the roots of patriarchal society Women are proper targets of male violence The chapters in this book contributed by some of the most prolific contemporary writers on women s issues explore this culture of violence and oppression examining its ideological underpinnings and its structural supports in the social political and legal systems that protect the violent by blaming the victim *Femicidal Fears* Helene Meyers,2001-10-19 Argues that contemporary female Gothic novels of death can in fact breathe new life into feminist debates about victimization essentialism agency and the body **The Case of Literature** Arne Höcker,2020-06-15 In The Case of Literature Arne Höcker offers a radical reassessment of the modern European literary canon His reinterpretations of Goethe Schiller Büchner Döblin Musil and Kafka show how literary and scientific narratives have determined each other over the past three centuries and he argues that modern literature not only contributed to the development of the human sciences but also established itself as the privileged medium for a modern style of case based reasoning The Case of Literature deftly traces the role of narrative fiction in relation to the scientific knowledge of the individual from eighteenth century psychology and pedagogy to nineteenth century sexology and criminology to twentieth century psychoanalysis Höcker demonstrates how modern authors consciously engaged casuistic forms of writing to arrive at new understandings of literary discourse that correspond to major historical transformations in the function of fiction He argues for the centrality of literature to changes in the conceptions of psychological knowledge production around 1800 legal responsibility and institutionalized forms of decision making throughout the nineteenth century and literature s own realist demands in the early twentieth century **Tartan Noir** Len Wanner,2015-04-20 A comprehensive and fascinating guide to the worldwide crime fiction phenomenon known as Tartan Noir covering all its major authors What is Tartan Noir Which authors belong to this global crime fiction phenomenon Which books should you read first next again or not at all And what are the many historical political and cultural influences that have woven themselves into the Tartan Noir success story Here Len Wanner investigates the literature s four main sub genres the detective the police the serial killer and the noir novel

Covering four decades worth of literary history Wanner offers not only four in depth cross examinations but also close readings of another 40 novels everything from commercial hits and critical triumphs to curiosity pieces and cult class Books critiqued include international bestsellers by the likes of Ian Rankin William McIlvanney Val McDermid and Denise Mina alongside lesser known gems by counter cultural icons such as Hugh C Rae Ray Banks Allan Guthrie Helen FitzGerald and many more
