An Introduction to Colonial African-American Evangelical Theology Cory J. May, 2025-02-04 Who were some of the early pioneers of colonial African American Christianity Were there specific doctrines that shaped colonial African American evangelical theology Did influential colonial African American Christians prioritize their racial identity above and beyond their Christian identity How did some African American Christians construct their Blackness sense of belonging and existence within shared space with the human Other The genuine Christian faith of many colonial evangelical African Americans has been for some time systematically ignored dismissed and neglected The darker aspect of this agenda at least for some is that when these colonial Christians are discussed their existence is typically reinterpreted through contemporary Western racialized politics The greatest protagonists of this sociopolitical drama have been various influential Black scholars within and outside the academy This project serves as an introductory discourse into the theology and authentic faith of

various colonial evangelical African Americans who influenced the identity sense of belonging and conceptions of shared space for Christians within and outside the colonial Black church The journey this book will take some through is within the conservative evangelical tradition of African American Christianity

Mission and the Coming of God Tim Chester, 2006-10-01 How does the eschatological future impinge on the present Is the kingdom of God present outside the confession of Christ in movements towards social justice Is Christian hope a stimulus to social involvement or an alternative And how does the present impinge on the eschatological future What is the relationship between our actions now and the new creation Is there eschatological continuity between the two Jürgen Moltmann one of our most influential contemporary theologians has had much to say both on eschatology and its relationship to mission This book explores his thought along with evangelical responses to it Eschatology has been central to evangelical debates about social involvement ever since the Lausanne Congress in 1974 The book examines how evangelicals themselves have related hope and mission The book highlights the important contribution Moltmann has made while offering a critique of his thought from an evangelical perspective In so doing it touches on pertinent issues for evangelical missiology The conclusion takes

John Calvin as a starting point proposing an eschatology of the cross which offers a critique of the over-realized eschatologies in liberation theology and triumphalistic forms of evangelicalism. This is a work of major importance engaging with crucial themes and leading Christian thinkers. A must read for all reactive evangelicals. Tim Chester's work is always good but this is the best yet. Martyn Atkins, Principal, Cliff College, Calver, UK. Despite the attention of Moltmann and despite intra-evangelical debate on the nature of mission over the last three decades, the task of bringing Moltmann and evangelicalism into dialogue has remained on the table for some time. Tim Chester takes up the agenda. His combination of practical experience in mission and theological ability equip him well for this task and the result is a study which brings academic reasoning to bear on Christian thought about eschatology and its vital connection with the missionary responsibility of the church. It rewards our careful attention. Stephen Williams, Professor of Systemic Theology at Union Theological College, Belfast. Eschatology in relation to mission is often reduced to plans for 'ohishingi' the Great Commission as soon as possible or to lurid end-time scenarios that feed our fantasy more than they fuel biblical mission. So it is refreshing to have this wide-ranging in-depth study of the theme that engages with one of the most well-known theologians of biblical hope. Jürgen Moltmann alongside a number of renowned evangelical scholars yet stays rooted in the text and vision of the Bible itself. This is searching theology in the service of biblical mission as all theology ultimately should be. Chris Wright, International Director, Langham Partnership International. **Luther on Leadership** David D. Cook, 2017-12-05 As a leader Martin Luther shook the world. Yet oddly enough while a great deal has been written about his life, theology and legacy few authors have taken the time to examine his leadership characteristics. *Luther on Leadership* fills this gap by examining his life in light of modern leadership theories. This book looks at Luther's life from a variety of angles to show why he was such an effective leader. With chapters focusing on Luther as a change agent, transformational leader, adaptive leader and more, this work will help the reader understand why Luther transformed the landscape of Europe. Examining not only his theological contributions but also his contributions in fields such as law, politics, economics and education, *Luther on Leadership* aims to give a holistic picture of Luther as a leader in many areas of society. **American Book Publishing Record**, 2005

Biblical Eschatology Jeong Koo Jeon, 2021-10-01 Jeon's *Biblical Eschatology* explores the pattern of covenant eschatology demonstrated and revealed in the Bible throughout redemptive history. In a sense it is a revolutionary method to freshly examine and look at the entire redemptive history from the perspective of covenant eschatology because the Bible itself is the covenantal canon. Readers will marvel at how the author unpacks the pictorial pattern of covenant eschatology progressively revealed in the Bible. As we live in the Global Mission Age under the grace of God, it is vitally important and necessary to have a proper view of eschatology. Jeon's book will guide believers to a biblically balanced understanding of eschatology and properly equip them with a biblical covenantal and eschatological worldview to live their lives for the glory of God, actively participating in the Global Mission under the guidance of the Holy Spirit as we eagerly wait for the second
