wrestling and presenting a variety of common and unusual recipes The Missing Bachelor Farmer: A Nancy Keene Mystery Louise Hathaway, Are you a fan of Prairie Home Companion Have you ever thought of going on a pilgrimage to see the towns that Garrison Keillor had in mind when he created his fictional town of Lake Wobegon If so I hope you will enjoy this book about a precocious teenager who talks her father into taking her to Minnesota on just such a quest He wants to go on a Bob Dylan pilgrimage while there but she has other plans after a bachelor farmer who was last seen at the Chatterbox Cafe goes missing and they join the search party Part travelogue this book also contains pictures from the writer s trip to Diamond Jubilee Luck Luck Area Historical Society, Polk Lake Wobegon Nebraska Educational Journal ,1928 County Ledger, The history of a rural village in Northwest Wisconsin Luck is known as the home of the Duncan Yo Yo company from the 1940s 1960s It is a Danish community in a rural lake filled part of Wisconsin an hour NW of Minneapolis and St. Paul MN St. Peter's Evangelical Lutheran Church, Newport, Rhode Island Edith Sestrom **Bulletin** .1919 Pedersen, 1993 Vikings in the Attic Eric Dregni, 2013-11-30 Growing up with Swedish and Norwegian grandparents with a dash of Danish thrown in for balance Eric Dregni thought Scandinavians were perfectly normal Who doesn t enjoy a good healthy salad Jell O packed with canned fruit colored marshmallows and pretzels or perhaps some cod soaked in drain cleaner as the highlights of Christmas Only later did it dawn on him that perhaps this was just a little strange but by then it was far too late he was hooked and a dyed in the wool Scandinavian himself But what does it actually mean to grow up Scandinavian American or to live with these Norwegians Swedes Finns Danes and Icelanders among us In Vikings in the Attic Dregni tracks down and explores the significant and guite often bizarre historic sites tales and traditions of Scandinavia s peculiar colony in the Midwest It's a legacy of the unique collecting silver spoons a suspicion of flashy clothing shots of turpentine for the common cold and a deep love of rhubarb pie but also one of poor immigrants living in sod houses while their children attend college the birth of the co op movement the Farmer Labor party and government agents spying on Scandinavian meetings hoping to nab a socialist or antiwar activist For all the tales his grandparents told him Dregni quickly discovers there are quite a few they neglected to mention such as Swedish egg coffee which includes the eggshell and Lutheran latte which is Swedish coffee with ice cream Vikings in the Attic goes beyond the lefse lutefisk and lusekofter lice jacket sweaters to reveal the little known tales that lie beneath the surface of Nordic America Ultimately Dregni ends up proving by example why generations of Scandinavian Americans have come to love and cherish these tales and traditions so The Lutheran Witness ,1915 Comfort Women Activism Eika dearly Well almost all of them See lutefisk Tai, 2020-08-04 Comfort Women Activism follows the movement championed by pioneer activists in Japan to demonstrate how their activism has kept a critical interpretation of the atrocities against women committed before and during World War II alive The book shows how the challenges faced by the activists have evolved from the beginning of their uphill battles all the way to contemporary times They were able to change social attitudes and get their message across Yet the ambiguous

position of post World War II Japan s government which has consistently rejected any sign of guilt over its imperialist past has kept the activists on their toes Pivotal and serendipitous turning points have also played a crucial role In particular in the early 1990s the post Soviet world order assisted in creating the appropriate conditions for the movement to gather transnational support These conditions have eroded over time yet due to the activists fidelity to survivors the movement has persisted to this day Tai uses the activists narratives to show the multifaceted aspects of the movement By measuring these narratives against scholarly debates she argues that comfort women activism in Japan could be called a new form of feminism A manuscript of this depth covering such a range of material about the comfort women movement has not previously been available in English I am deeply impressed by the author's scholarly commitment and humanitarian compassion The accounts provided in the book are particularly moving putting a human face on the transnational comfort women movement that has had a global impact Peipei Qiu Vassar College Eika Tai urges a postcolonial understanding of how activists in Japan came to embrace the issue of comfort women make it their own and engage on a transnational multigenerational effort Her book is an absolutely clear rejection of those who portray this historical topic as activism meant to hate Japan Instead she claims that this issue is at the heart of a divided Japan Alexis Dudden University of Connecticut
