What are its special features? How does one reach the publisher? The new Hinson includes solo compositions of nearly 2,000 composers with biographical sketches of major composers. Every entry offers description, publisher, number of pages, performance time, style, and characteristics, and level of difficulty. Finck, 1906 **Alan Bush** Stewart Craggs, 2017-11-30 Born in 1900, Alan Bush, the English composer, conductor, and pianist, studied with Corder and Matthay and privately with John Ireland. In 1929-31, he continued to study at Berlin University and had piano lessons with Moiseiwitsch and Schnabel. The present Source Book documents his works, many of which reflect his Communist sympathies and the many arrangements of music by other composers. A wealth of detail is provided, including printed scores, CD recordings, bibliographical material, and manuscript scores, and their locations, the majority of which have been deposited recently in the British Library by the Bush family. A chronology of the composer's life draws on many sources, including letters and scrapbooks. Grieg and His Music Henry T.
