## Lyrical Diary:

**The Thaw** Denis Kozlov, Eleonory Gilburd, 2013-01-01 The period from Stalin's death in 1953 to the end of the 1960s marked a crucial epoch in Soviet history. Though not overtly revolutionary, this era produced significant shifts in policies, ideas, language, artistic practices, daily behaviours, and material life. It was also during this time that social, cultural, and intellectual processes in the USSR began to parallel those in the West and particularly in Europe as never before. This volume examines in fascinating detail the various facets of Soviet life during the 1950s and 1960s, a period termed the Thaw. Featuring innovative research by historical, literary, and film scholars from across the world, this book helps to answer fundamental questions about the nature and ultimate fortune of the Soviet order, both in its internal dynamics and in its long-term and global perspectives.

**Poetry in a Divided World** Henry Gifford, 1986-03-31 This book comprises four lectures presented at Trinity College in 1985, concerned with the function and status of poetry in the twentieth century.

Here I Am Alan Huffman, 2013-03-12 Not only does Huffman bring Tim back to life, but he also leads us through some of the most harrowing combat of our generation. Sebastian Junger, New York Times bestselling author of *Tribe*. Tim Hetherington, 1970-2011, was one of the world's most distinguished and dedicated photojournalists, whose career was tragically cut short when he died in a mortar blast while covering the Libyan Civil War. Someone far less interested in professional glory than revealing to the world the realities of people living in extremely difficult circumstances, Hetherington nonetheless won many awards for his war reporting and was nominated for an Academy Award for his critically acclaimed documentary *Restrepo*. In *Here I Am*, Alan Huffman tells Hetherington's life story and through it analyses what it means to be a war reporter in the twenty-first century. Huffman recounts the cameraman's life from his first interest in photography and war reporting through his critical role in reporting the Liberian Civil War to his tragic death in Libya. Huffman also traces Hetherington's photographic milestones from his iconic and prize-winning pictures of Liberian children to the celebrated portraits of sleeping US soldiers in Afghanistan. A powerfully written biography, this is poignant imagery and metaphor for the entire body of this extraordinary artist and humanist's life. The Huffington Post: Huffman excels at heightening the drama, depicting the rapid fire action and constant danger of working among soldiers and guerrillas engaged in battle. The Boston Globe: Huffman vividly chronicles the short life of a man drawn to danger zones to capture the horrors of modern warfare. Los Angeles Times: Celebrate's Tim Hetherington's life. Recounts his last days in Libya in excruciating detail. Time.

*Song in an Age of Discord* H. Mack Horton, 2002 This is a companion volume to the author's translation of Saiokuken Socho's *The Journal of Socho*. Stanford, 2002. The volume gives an overview of the author's life and times, explores the relationships between politicians, patronage, and the creative process, and reads the journal in terms of the standard norms of genres that Socho appropriated and reinterpreted.

Osip Mandelstam Ralph Dutli, 2023-05-30 This is the first full scale biography of Osip Mandelstam to combine an analysis of his poetry with a description of his personal life from his beginnings as a young intellectual in pre revolutionary Russia to his final fate as a victim of Stalinism The myth has grown up that Mandelstam was a gloomy miserable figure Dutli deconstructs this stressing Mandelstam s enjoyment of life There are several underlying themes here One is Mandelstam s Jewish background in pre 1914 Russia which he rejected as a young man but reaffirmed in later life Another is the inescapable impact of Russia s political and social transformation His evolution as a poet naturally occupies a large place in the biography which quotes many of his most famous poems including his devastating anti Stalin epigram He produced wonderful poetry before the October Revolution but did not reach his full poetic stature until the 1930s when in exile in Voronezh He was never an official Soviet poet and it was only thanks to the intervention of Bukharin that he was brought back from utter impoverishment The biography gives full weight to his emotional life beginning with his friendship with two other Russian poets Marina Tsvetaeva and Anna Akhmatova followed by love and marriage to Nadezhda Khazina One of the century s greatest lyric poets Elaine Feinstein Sunday Times Mandelstam s poems are both bold and delicate His imagery can seem both profoundly startling yet entirely natural Robert Chandler Mandelstam was a tragic figure Even while in exile in Voronej he wrote works of untold beauty and power And he had no poetic forerunners In all of world poetry I know of no other such case We know the sources of Pushkin and Blok but who will tell us from where that new divine harmony Mandelstam s poetry came from Anna Akhmatova Russia s greatest poet in the twentieth century Joseph Brodsky      *Marina Tsvetaeva* Simon Karlinsky, 1985 This book is a major critical biography of the poet Maria Tsvetaeva by one of the foremost authorities on her work It draws on a profusion of recent documentation and research some of it hitherto unpublished and encompasses the whole course of her life Professor Karlinsky is careful to supply the reader with the necessary context for understanding the work by setting out the historical political and literary background against which Tsvetaeva s life and literary development evolved A particular feature of the book is a discussion of Tsvetaeva s relationships with her literary contemporaries especially Mandelstam Rilke Akhmatova Pasternak and Mayakovsky and of her emotional involvement with

various men and women that are reflected in her poetry plays and prose Interest in Tsvetaeva s work has grown considerably and this important book will be essential reading both to scholars of twentieth century Russian literature and cultural studies and to all serious students of modern literature      **The Joyce Paradox** Arnold Goldman, 2015-12-22 First published in 1966 By pursuing a group of cognate themes the author relates major critical approaches to the fiction of James Joyce One of the major issues explored is that of the existence of symbols in his fiction and of the quality of Joyce s feelings shown through an examination of the extent of his human sympathies This title will be of interest to students of literature
