once the spiritual epicentre of Late Iron Age Britain navigating by the sun and the stars with no map compass stove or tent and in the coldest winter for many years The Children s Fire records that journey and seeks to lay bare the aching loss of knowing and understanding sacredness as it applies to everything ordinary that brings joy to the human heart It asserts the emergence of a new story the story of a people coming home to a truth made all the more poignant having so painfully broken faith with nature our deeper humanity and the paradise we fouled with such casual disrespect It is a love story and part of a larger narrative that is surfacing all around the world It seeks to reclaim our future and name it beautiful
