Children's Literature and the Avant-Garde Elina Druker, Bettina Kümmerling-Meibauer, 2015-07-15 Children's Literature and the Avant Garde is the first study that investigates the intricate influence of the avant garde movements on children's literature in different countries from the beginning of the 20th century until the present Examining a wide range of children's books from Denmark France Germany Hungary the Netherlands Russia Sweden the United Kingdom and the USA the individual chapters explore the historical as well as the cultural and political aspects that determine the exceptional character of avant garde children's books Drawing on studies in children's literature research art history and cultural studies this volume provides comprehensive insights into the close relationships between avant garde children's literature images of childhood and contemporary ideas of education Addressing topics such as the impact of exhibitions the significance of the Bauhaus and the influence of poster art and graphic design the book illustrates the broad range of issues associated with avant garde children's books More than 60 full color illustrations demonstrate the impressive variety of design in avant garde picturebooks and children's books

The Collected Works of E. M. Forster. Illustrated E.M.Forster, 2022-07-07 Edward Morgan Forster was an English fiction writer essayist Many of his novels examine class difference and hypocrisy including A Room with a View 1908 Howards End 1910 and A Passage to India 1924 The last brought him his greatest success He was nominated for the Nobel Prize in Literature in 20 separate years Forster had five novels published in his lifetime Although Maurice was published shortly after his death His views as a humanist are at the heart of his work which often depicts the pursuit of personal connections despite the restrictions of contemporary society Sexuality is another key theme in Forster's works Some critics have argued that a general shift from heterosexual to homosexual love can be observed through the course of his writing career The Novels Where Angels Fear to Tread The Longest Journey A Room with a View Howards End A Passage to India The Shorter Fiction The Celestial Omnibus and Other Stories Miscellaneous Stories The Non Fiction Alexandria A History and Guide Pharos and Pharillon Miscellaneous Essays

Crossover Picturebooks Sandra L. Beckett, 2013-06-17 This book situates the picturebook genre within the widespread international phenomenon of crossover literature examining an international corpus of picturebooks including artists books wordless picturebooks and celebrity picturebooks that appeal to readers of all ages Focusing on contemporary picturebooks Sandra Beckett shows that the picturebook has traditionally been seen as a children's genre but in the eyes of many authors illustrators and publishers it is a narrative form that can address any and all age groups Innovative graphics and formats as well as the creative often complex dialogue between text and image provide multiple levels of meaning and invite readers of all ages to consider texts that are primarily marketed as children's books The interplay of text and image that distinguishes the picturebook from other forms of fiction and makes it a unique art form also makes it the ultimate crossover genre Crossover picturebooks are often very complex texts that are challenging for adults as well as children Many are characterized by difficult adult themes genre

blending metafictional discourse intertextuality sophisticated graphics and complex text image interplay Exciting experiments with new formats and techniques as well as novel interactions with new media and technologies have made the picturebook one of the most vibrant and innovative contemporary literary genres one that seems to know no boundaries Crossover Picturebooks is a valuable addition to the study of a genre that is gaining increasing recognition and appreciation and contributes significantly to the field of children's literature as a whole

**Utopianism, Modernism, and Literature in the Twentieth Century** A. Reeve-Tucker, N. Waddell, 2013-05-07 Utopianism Modernism and Literature in the Twentieth Century considers the links between utopianism and modernism in two ways as an undertheorized nexus of aesthetic and political interactions and as a sphere of confluences that challenges accepted critical models of modernist and twentieth-century literary history An international group of scholars considers works by E. M. Forster Ford Madox Ford Wyndham Lewis Naomi Mitchison Katharine Burdekin Rex Warner Yevgeny Zamyatin Thomas Pynchon Elizabeth Bowen James Baldwin Toni Morrison and Ernst Bloch In doing so this volume's contributors prompt new reflections on key aspects of utopianism in experimental twentieth-century literature and nonfictional writing deepen literary historical understandings of modernism's socio-political implications and bear out the ongoing relevance of modernism's explorations of utopian thought Utopianism Modernism and Literature in the Twentieth Century will appeal to anyone with an interest in how deeply and how differently modernist writers as well as writers influenced by or resistant to modernist styles engaged with issues of utopianism perfectibility and social betterment

**Space and Place in Children's Literature, 1789 to the Present** Maria Sachiko Cecire, Hannah Field, Malini Roy, 2016-03-09 Focusing on questions of space and locale in children's literature this collection explores how metaphorical and physical space can create landscapes of power knowledge and identity in texts from the early nineteenth century to the present The collection is comprised of four sections that take up the space between children and adults the representation of real-world places fantasy travel and locales and the physical space of the children's book as object In their essays the contributors analyze works from a range of sources and traditions by authors such as Sylvia Plath Maria Edgeworth Gloria Anzaldúa Jenny Robson C. S. Lewis Elizabeth Knox and Claude Ponti While maintaining a focus on how location and spatiality aid in defining the child's relationship to the world the essays also address themes of borders displacement diaspora exile fantasy gender history home leaving and homecoming hybridity mapping and metatextuality With an epilogue by Philip Pullman in which he discusses his own relationship to image and locale this collection is also a valuable resource for understanding the work of this celebrated author of children's literature

**Literary Cultures and Twentieth-Century Childhoods** Rachel Conrad, L. Brown Kennedy, 2020-09-12 This collection of essays offers innovative methodological and disciplinary approaches to the intersection of Anglophone literary cultures with children and childhoods across the twentieth century In two acts of recentering the volume focuses both on the multiplicity of childhoods and literary cultures and on child agency Looking at classic texts for young audiences and at less widely read and unpublished material

across genres including poetry fiction historical fiction or biography picturebooks and children s television essays foreground the representation of child voices and subjectivities within texts explore challenges to received notions of childhood and emphasize the role of child oriented texts in larger cultural and political projects Chapters frame themes of spectacle self and specularity across the twentieth century question tropes of childhood explore identity and displacement in narrating history and culture and elevate children as makers of literary culture A major intent of the volume is to approach literary culture not just as produced by adults for consumption by children but also as co created by young people through their actions as speakers artists readers and writers
