Machiavellian Legacy Essays In Italian Political Thought:

The Machiavellian Legacy J. Femia, 1998-10-19 What do classical elitists like Pareto and Mosca have in common with Marxists like Labriola and Gramsci In this collection of essays Joseph Femia argues that all four thinkers are united by the worldly humanism they inherited from Machiavelli Their distinctively Italian hostility to the metaphysical abstractions of natural law and Christian theology accounted for similarities in their thought that are obscured by the familiar terminology of left and right The collection includes critical essays on each of the four thinkers as well as an introductory chapter on their links with Machiavelli *The Machiavellian Legacy* Joseph V. Femia, 1998

Political Thought From Machiavelli to Stalin E. A. Rees, 2004-03-12 This is the first book in English to explore the relationship between Stalin's ideas and methods and the practices advocated by Machiavelli and those associated with Machiavellian politics It advances the concept of revolutionary Machiavellism as a way of understanding a particular strand of revolutionary thought from the Jacobins through to Leninism and Stalinism By providing a wide ranging survey of European political thought in the Nineteenth and early Twentieth century E A Rees locates the Bolshevik tradition within the wider European tradition **A HISTORY OF POLITICAL THOUGHT** SUBRATA MUKHERJEE, SUSHILA RAMASWAMY, 2011-08-09 This lucidly written text in its second edition continues to provide a comprehensive study of the classical political tradition from Plato to Marx The book elucidates the fascinating evolution of the history of political ideas through the works of thirteen key political thinkers which includes Plato Aristotle Machiavelli Hegel and Marx The text highlights the decline and revival of classical political theory and portrays the clash of universalism vs localism in the classical tradition It focuses on the recent interpretations of the classical texts for instance feasibility of the ideal State in Plato civic humanism and republicanism in Machiavelli the radicalism of Locke and the contributions to the woman's cause by John Stuart Mill The text is intended for the undergraduate and postgraduate students of Political Science of various universities and for all those who are appearing for the civil services examinations NEW TO THIS EDITION Inclusion of two important liberal thinkers Mary Wollstonecraft the founder of liberal feminism and Immanuel Kant a deontological liberal Addition of an Appendix on John Rawls who is credited as a seminal thinker of contemporary times having played a crucial role in the revival of normative political theory **Gramsci, Political Economy, and International Relations Theory** A. Ayers, 2008-11-10 This book seeks to provide the most comprehensive and sustained engagement and critique of neo Gramscian analyses available in the literature In examining neo Gramscian analyses in IR IPE the book engages with two fundamental concerns in international relations i The question of historicity and ii The analysis of radical transformation *Gramsci's Marxism* Nigel M. Greaves, 2009 This book re-dresses the ambiguity that has arisen around Gramsci's writings in recent times It sets out to reclaim the philosophical linkages to historical materialism and to draw out a more integrated and less fragmented schema that seeks to place Gramsci on equal footing with other philosophers in the Marxist tradition *Science Meets Politics: Machiavelli's Influence and the Birth of*

Political Science Gábor Almási, 2025-05-26 Machiavelli's early influence was more penetrating than has ever been believed and this book explains why. The surprising answer leads the reader into the depths of the history of science connecting Machiavelli's thought to new ways of thinking about experience, history, nature and politics. Machiavelli's works resonated with readers not merely because of the political and moral questions they raised and answered, and this book argues that the ways in which Machiavelli engaged with these questions were of equal importance. His method reinforced the reader's own belief in the importance of an inductive and comparative approach which relied on facts and numbers drawn from history and experience. An impressive book that for a change measures Machiavelli's writings not against 21st century binary schemes but rather against the knowledge categories and strategies of his 16th century contemporaries and successors. Navigating skillfully among texts and authors both well known and recondite, the author shows how the Florentine's ideas prompted and shaped a revolution in Western thought. William J. Connell, Professor of History, Seton Hall University. If you have ever wondered why Francis Bacon frequently quoted and lavished praise on Niccolò Machiavelli, this is the book for you. In it Gábor Almási situates the latter with regard to the science of his time and shows that he was read initially in Italy, then in France, and finally in England as the exponent of an empiricism divorced from theology, metaphysics and morals as pertinent to the study of the natural world as it is to the study of politics. Paul A. Rahe, Charles O. Lee and Louise K. Lee Chair in the Western Heritage, Hillsdale College. *Piero Gobetti and the Politics of Liberal Revolution* J. Martin, 2008-11-24 Piero Gobetti was a radical liberal and critic of Italian politics in the years after World War I; he proposed revolutionary liberalism which guided his opposition to Fascism and inspired key figures in the Italian Resistance. Accessible but critical, this volume offers a balanced assessment of his enduring significance. **Machiavelli, Marketing and Management** Phil Harris, Andrew Lock, Patricia Rees, 2025-06-30 This second, fascinating and cutting-edge text provides insight into the meaning and interpretation of Machiavelli and his works for management, marketing and political thought, and highlights their particular relevance to the manager and policymaker today. By bringing together contributions from authors both academic and practitioner, this book addresses a number of common themes relating to the influences and arguments of perhaps the first political scientist and advocate of sound management and marketing principles. The volume covers a wide range of topics including modern management and leadership, public affairs, technology, marketing, populist and fascist governments, and strategic corporate philanthropy. *Machiavelli, Marketing and Management Revisited* will be of great interest to all practitioners, students and scholars of management, marketing, political science and public affairs. **Encyclopedia of Modern Political Thought (set)** Gregory Claeys, 2013-08-20 This groundbreaking new work explores modern and contemporary political thought since 1750, looking at the thinkers, concepts, debates, issues and national traditions that have shaped political thought from the Enlightenment to post-modernism and post-structuralism. *Encyclopedia of Modern Political Thought* is a two-volume A to Z reference that provides historical context to the philosophical issues and debates that have

shaped attitudes toward democracy citizenship rights property duties justice equality community law power gender race and legitimacy over the last three centuries It profiles major and minor political thinkers and the national traditions both Western and non Western which continue to shape and divide political thought More than 200 scholars from leading international research institutions and organizations have provided signed entries that offer comprehensive coverage of Thought of regions and countries including African political thought American political thought Australasian political thought Australian and New Zealand Chinese political thought Indian political thought Islamic political Thought Japanese political thought and more Thought regarding contemporary issues such as abortion affirmative action animal rights European integration feminism humanitarian intervention international law race and racism and more The ideological spectrum from Marxism to neoconservatism including anarchism conservatism Darwinism and Social Darwinism Engels fascism the Frankfurt School Lenin and Leninism socialism and more Connections of political thought to key areas of politics and other disciplines such as economics psychology law and religion Notable time periods of political thought since 1750 Concepts including class democratic theory liberalism nationalism natural and human rights and theories of the state Theorists and political intellectuals both Western and non Western including John Adams Edmund Burke Mohandas Gandhi Immanuel Kant Ayatollah Khomeini Ernst Friedrich Schumacher George Washington and Mary Wollstonecraft **International**

Bibliography of Political Science Compiled by the British Library of Political and Economic Science, 2000-02 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences **Against the Masses** Joseph V. Femia, 2001-08-02 Given the almost universal assumption that democracy is a good thing the goal of mankind it is easy to forget that rule by the people has been vehemently opposed by some of the most distinguished thinkers in the Western tradition The author attempts to combat collective amnesia by systematically exploring and evaluating anti democratic thought since the French Revolution Using categories first introduced by A O Hirschman in *The Rhetoric of Reaction* Femia examines the various arguments under the headings of perversity futility and jeopardy This classification scheme enables him to highlight the fatalism and pessimism of anti democratic thinkers their conviction that democratic reform would be either pointless or destructive Femia shows how they failed to understand the adaptability of democracy its ability to co exist with the traditional and elitist values But controversially he also argues that some of their predictions and observations have been confirmed by history **Political Ideas in Modern India** Project of History of Indian Science, Philosophy, and Culture, 2006-03-31 The volumes of the Project on the History of Science Philosophy and Culture in Indian Civilization aim at discovering the main aspects of India's heritage and present them in an interrelated way In *Political Ideas in Modern India* an outstanding group of social and political theorists offers a creative reinterpretation of the ideas and principles that have shaped modern Indian society and state The ideas interpreted or analysed include rights freedoms equality social justice

constitutional rule swaraj swadeshi satyagraha class war socialism Hindutva Hind Swaraj syncretic culture composite nationalism and international peace and justice

Political Elites Geraint Parry, 2024-10-31 Elites have been described both as the bulwarks of democracy and its very antithesis *Political Elites* first published in 1969 reviews the literature on the role of elites in politics It deals with both the classic elite theorists Mosca Pareto Michels Burnham and C Wright Mills and with many of the empirical and theoretical works on elites by modern political scientists and sociologists It seeks to clarify the central terms of elite discourse some of which have entered the everyday political vocabulary elitism power elite establishment elite consensus iron law of oligarchy and mass It explores the ways in which the descriptions of power relationships can subtly be infiltrated by the values of the observers For this ECPR Classics edition Professor Parry has added an introduction reviewing significant new developments in elite political science

Unravelling Gramsci Adam David Morton, 2007-02-20 Powerful and clarifying The book's combination of careful argument and cogent illustration will make this a landmark volume in Gramscian studies John Agnew University of California Los Angeles and author of *Hegemony The New Shape of Global Power* Morton draws upon an impressive knowledge of Gramsci's writings to provide new insights into key processes in today's world order Anne Showstack Sassoon Emeritus Professor Kingston University and Visiting Professor Birkbeck College University of London *Unravelling Gramsci* makes extensive use of Antonio Gramsci's writings including his much overlooked pre prison journalism prison letters as well as his prison notebooks to provide a fresh approach to understanding his contemporary relevance in the current neoliberal world order Adam Morton examines in detail the themes of hegemony passive revolution and uneven development to provide a useful way of analysing the contemporary global political economy the project of neoliberalism processes of state formation and practices of resistance The book explores the theoretical and practical limitations of how Gramsci's ideas can be used today offering a broad insight into state formation and the international factors shaping hegemony within a capitalist framework

Machiavelli Revisited Joseph V. Femia, 2004 This work attempts to guide the reader through a maze of interpretations of Machiavelli's political opinions The author demonstrates that Machiavelli was an anti metaphysical empiricist who sought to free political thought from all theological preconceptions or residues by challenging the assumption that there exists some unifying pattern that prescribes their proper behaviour to all animate creatures

Fifty Key Sociologists: The Formative Theorists John Scott, 2007-01-24 Covering the life work ideas and impact of some of the most significant thinkers in sociology *Fifty Key Sociologists The Formative Theorists* concentrates on figures in the field writing principally in the nineteenth and early twentieth centuries Including entries on Jane Addams Theodor Adorno George Lukacs Max Weber and Pitrim Sorokin this practical text is presented in an accessible A Z format for maximum ease of use provides full cross referencing and a further reading section for each entry in order to allow the reader to broaden their understanding of the area includes biographical data for each of the figures covered Presenting the key works and ideas of each sociologist featured as well as providing

some critical assessment of their work this is an ideal reference guide for undergraduate and postgraduate students of sociology cultural studies and general studies as well as other readers interested in this important field Using Gramsci Michele Filippini, 2016-11-20 Thought of as one of the world's greatest political theorists Antonio Gramsci's writings push readers to interpret and change the world In Using Gramsci Michele Filippini enlarges upon his seminal works disentangling it from the prevailing orthodoxy in Gramscian analysis The book explores his work on ideology the individual collective organisms crisis and temporality in addition to the more traditional areas of his thought such as hegemony and civil society Through this close examination the use value of Gramscian theoretical instruments to a broad range of disciplines including political science education language cultural studies postcolonial studies anthropology and geography becomes apparent Filippini's approach explicates and emphasises the importance of one of the most popular and enduring Marxist figures

Scientific Statesmanship, Governance and the History of Political Philosophy Kyriakos N. Demetriou, Antis Loizides, 2015-02-11 Over the centuries the question of good or effective governance has undergone several transformations and ramifications to fit within certain social cultural and historical contexts What defines political knowledge What is the measure of expert political leadership Various interpretations perspectives and reconceptualizations emerge as one moves from Plato to the present This edited book explores the relationship between political expertise which is defined as scientific statesmanship or governance and political leadership throughout the history of ideas An outstanding group of experts study and analyze the ideas of significant philosophers such as Plato Aristotle Augustine Machiavelli Hobbes Locke Montesquieu Kant Burke Comte and Weber among others The contributors aim to interpret these thinkers approaches to scientific statesmanship deepening our understanding of the idea itself and decoding its theoretical complexities In the face of the ongoing crisis of the traditional party system and the eroding structures within the new cultural financial and political environment in the era of globalization tracing the connection between Plato's idealist statesmanship to twentieth century modernist politics is an important and ever challenging enterprise one that promises to interest scholars of the history of western political thought philosophy classics and the classical tradition political science and sociology The Struggle for Development and Democracy Alessandro Olsaretti, 2021-12-13 In The Struggle for Development and Democracy Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9/11 attacks These led to divisive culture wars which were compounded by the divisive populist politics This book begins to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash All royalties from sales of this volume will go to GiveWell.org in honour of Alessandro Olsaretti's memory

Machiavellian Legacy Essays In Italian Political Thought Introduction

In the digital age, access to information has become easier than ever before. The ability to download Machiavellian Legacy Essays In Italian Political Thought has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Machiavellian Legacy Essays In Italian Political Thought has opened up a world of possibilities. Downloading Machiavellian Legacy Essays In Italian Political Thought provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Machiavellian Legacy Essays In Italian Political Thought has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Machiavellian Legacy Essays In Italian Political Thought. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Machiavellian Legacy Essays In Italian Political Thought. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Machiavellian Legacy Essays In Italian Political Thought, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure

their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Machiavellian Legacy Essays In Italian Political Thought has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Machiavellian Legacy Essays In Italian Political Thought Books
