Murray Leinster, 2010-10-01 Murder Madness Seven Secret Service men had completely disappeared Another had been found a screaming homicidal maniac whose fingers writhed like snakes So Bell of the secret Trade plunges into South America after The Master the mighty unknown octopus of power whose diabolical poison threatens a continent Collier's, 1927 *The Beastly Battles Of Old England* Nigel Cawthorne, 2011-10-06 Throughout history the English have been a warlike lot Often we fight among ourselves there have been a good few civil wars and when we were not slaughtering each other we practiced on our neighbours the Scots the Irish the French When that got too easy we set off around the world to find other people to fight This was usually done with a hubris that invited some ludicrous pratfall In THE BEASTLY BATTLES OF OLD ENGLAND Nigel Cawthorne takes us on a darkly humorous journey through some of our ill advised military actions From the war over a severed ear to a general seeking out his rival's mistresses to even the score it is a miscellany of insufferable arrogance reckless gallantry stunning stupidity massive misjudgements and general beastliness The Reader's Digest, 1926 *The First VCs* Mark Ryan, 2014-07-07 What would you do if you were struck by an enemy bullet in wartime then realised you were still alive For most of us that would be the end of our fight If we were capable of thought while we tried to cope with the pain we'd probably hope to be rushed to hospital so that someone could save our lives But a hundred years ago in the opening battle of the First World War at Mons two young men didn't react like that Lieutenant Maurice Dease and Private Sidney Godley born only weeks apart into sharply contrasting worlds shared the same defiance and steely streak Without a thought for themselves they went back into the action for more sustaining dreadful wounds in the process One man died the other lived pieced back together painstakingly by the Germans who had taken many casualties of their own while overrunning the British position Together and against the odds Dease and Godley became the first winners of the Victoria Cross in the First World War Here Mark Ryan uses contemporary documentation and images to tell their astounding fascinating stories putting the focus on two genuine and ordinary heroes of the Great War **One Chance**
