William Flayhart

Majesty At Sea The Four Stackers:

Majesty at Sea John H. Shaum, William H. Flayhart, 1981

Majesty at Sea John H. Shaum, William H. Flayhart, 1981

Disaster At Sea William Flayhart, 2005-03-22 Flayhart delivers a gripping chronicle of mishap and mayhem filled with danger and heroism and rich with detail Sea Power A colorful and deadly history of ocean liner disasters from the mid nineteenth century to the present Disaster at Sea is a chronicle of the most frightening episodes in the maritime history of the North Atlantic From 1850 to the present day the Atlantic has been home to hundreds of ocean liners and cruise ships each more lavish than the last all of them symbols of wealth and luxury Perhaps this is why readers have always been fascinated by the lives of these ships and their deaths Many of us know the stories of the Titanic and the Lusitania Both tragedies caused tremendous loss of life even as they made the ships immortal But there are many little known accounts of extraordinary survivals at sea such as the Inman and International liner City of Chicago that jammed her bow into an Irish peninsula in 1892 but stayed afloat long enough for all to be rescued or the City of Richmond that survived a dangerous fire in 1891 and a year earlier the City of Paris whose starboard engine exploded at full speed in the mid Atlantic and yet miraculously still made port Often such tales are forgotten even if the ship sank In 1898 the Holland America liner Veendam hit a submerged wreck and sank at sea but all lives were saved so this vessel s dramatic story seemed less important in maritime history than incidents involving human loss As recently as 2000 the Sea Breeze I sank off the East Coast of the United States while on a positioning voyage but all her crew members were rescued in a heroic effort by U S Coast Guard helicopters These stories and many others are dramatic and acclaimed maritime scholar William Flayhart has spent much of the last forty years in search of material from which to create colorful narratives Author of The American Line 1871 1902 and coauthor of Majesty at Sea and the first edition of QE2 Flayhart retells classic ocean liner disaster stories while bringing to light never before published but compelling episodes in man s ongoing battle with the sea Originally published in hardcover under the title Perils of the Atlantic

RMS Olympic Mark Chirnside, 2015-09-07 Launched as the pride of British shipbuilding and the largest vessel in the world Olympic was more than 40 per cent larger than her nearest rivals almost 900ft long and the first ship to exceed 40 000 tons She was built for comfort rather than speed and equipped with an array of facilities including Turkish and electric baths one of the first ships to have them a swimming pool gymnasium squash court la carte restaurant large first class staterooms and plush public rooms Surviving from 1911 until 1935 she was a firm favourite with the travelling public carrying hundreds of thousands of fare paying passengers and retained a style and opulence even into her twilight years During the First World War she carried more troops than any other comparable steamship and was the only passenger liner ever to sink an enemy submarine by ramming it Overshadowed frequently by her sister ships Titanic and Britannic Olympic s history deserves more attention than it has received She was evolutionary in design rather than revolutionary but marked an ambition for the White Star Line to dominate the North Atlantic express route Rivals

immediately began trying to match her in size and luxury The optimism that led to her conception was rewarded whereas her doomed sisters never fulfilled their creators dreams This revised and expanded edition of the critically acclaimed RMS Olympic Titanic s Sister uses new images and further original research to tell the story of this remarkable ship 80 years after her career ended

The Duchess Of Windsor Greg King,2011-05-01 A sympathetic and believable portrait of the American woman for whom King Edward VIII gave up the throne with photos included Christian Science Monitor A woman s life can really be a succession of lives each revolving around some emotionally compelling situation or challenge and each marked off by some intense experience It was the love story of the century the king and the commoner In December 1936 King Edward VIII abdicated the throne to marry the woman I love Wallis Warfield Simpson a twice divorced American who quickly became one of the twentieth century s most famous personalities a figure of intrigue and mystery both admired and reviled Wrongly blamed for the abdication crisis Wallis suffered hostility from the Royal Family and much of the world Yet interest in her story has remained constant resulting in a small library of biographies that convey a thinly veiled animosity toward their subject The truth however is infinitely more fascinating than the shallow pathetic portrait that has often been painted Using previously untapped sources acclaimed biographer Greg King presents a complete and for the first time sympathetic portrait of the Duchess that sifts the decades of rumor and accusation to reveal the woman behind the legend From her birth in Pennsylvania during the Gilded Age to her death in Paris in 1986 King takes the reader through a world of privilege palaces high society and love with the accompaniment of hatreds feuds conspiracies and lies The cast of characters is vast politicians and presidents dictators and socialites Twenty four pages of photographs reveal the life of the Duchess in all its incomparable glamour and romance A wide absurd cast of characters led by the British royal family Wallis lavish decorati

Liners to the Sun John Maxtone-Graham,2000 This book takes a candid and insightful look at the rich history construction and crew of the great ships

A History of the World in Sixteen Shipwrecks Stewart Gordon,2017-09-05 Shipwrecks as a window on the history of globalization

Perils Of The Atlantic William Flayhart,2003-05-27 Perils of the Atlantic captures the stories of a number of vessels that experienced adventure on the high seas from the tragic loss of the liner Arctic in 1854 to the swift sinking of the Italian Andrea Doria in 1956

Maritime History at the Crossroads Frank Broeze,2017-10-18 This volume seeks to critically review the contemporary state of maritime historiography as it stands at the volume s publication date of 1995 The volume is comprised of thirteen essays each focused on the recent research into the maritime concerns of a particular geographical location listed as follows Australia Canada China Denmark Germany Greece Ibero America India the Netherlands the Ottoman Empire Spain the United States and a final chapter concerning historians and maritime labour in Britain Australia and New Zealand One concern made evident by the collection is the lack of stable identity and cohesive aims within maritime history the subject holds many conflicting definitions and concepts The purpose of this volume is to explore the recent developments in maritime history plus the growth of scholarly interest to

provide a beacon and stimulus for future work and to clearly direct and define maritime historiography toward a solid position in the field of history **Qe2** Ronald W. Warwick,1999 This new edition of the most thorough book on the legendary Queen Elizabeth II includes the refit of the mid 1990s and many new photos of interiors and details Capt Warrick begins with the history of the ship and moves forward to the new owner s plans for the future 150 color photos *Sea Breezes* ,1987

Encyclopedia of North American Railroads William D Middleton,George M. Smerk,Roberta L. Diehl,2007-04-06 Lavishly illustrated and a joy to read this authoritative reference work on the North American continent s railroads covers the U S Canadian Mexican Central American and Cuban systems The encyclopedia s over arching theme is the evolution of the railroad industry and the historical impact of its progress on the North American continent This thoroughly researched work examines the various aspects of the industry s development technology operations cultural impact the evolution of public policy regarding the industry and the structural functioning of modern railroads More than 500 alphabetical entries cover a myriad of subjects including numerous entries profiling the principal companies suppliers manufacturers and individuals influencing the history of the rails Extensive appendices provide data regarding weight fuel statistical trends and more as well as a list of 130 vital railroad books Railfans will treasure this indispensable work **The Olympic-class Ships** Mark Chirnside,2004 Sitting around a dining room table in 1907 the owners of the White Star Line discussed their competition to the newly built Cunard liners Lusitania and Mauretania From that smoke filled room came the first designs of three White Star superliners Olympic Titanic and Britannic Each ship was subtly different Lessons learned from the service of Olympic were put into practice for Titanic With the loss on her maiden voyage of Titanic the hull design was radically changed for the third sister ship The new double hull however did not prevent Britannic from sinking in less than an hour in the Aegean after she hit a German mine in 1916 Illustrated with many rare images of all three vessels only one of which survived in regular service this is the definitive history of the most famous sister ships of all time **Fairplay International Shipping Weekly** ,1981 **Technology and Culture** ,1985 **Ships Monthly** ,1986 **Seaport** ,1981 **Steamboat Bill** ,1997 The American Neptune ,1985 A quarterly journal of maritime history Transactions - The Society of Naval Architects and Marine Engineers Society of Naval Architects and Marine Engineers (U.S.),2004 List of members in vols 1 24 38 54 57
