Major Works Of Peter Chaadaev:

The Major Works of Peter Chaadaev Petr Iakovlevich Chaadaev, Raymond T. McNally, 1969 The Major Works of Peter Chaadaev Петр Яковлевич Чаадаев, 1969 The Major Works of Peter Chaadaev. A Translation and Commentary [by] Raymond T. McNally, Etc Petr Yakolevich CHAADAEV, Raymond T. McNally, 1969 **The major works** Petr Ja Čaadaev, Raymond T. McNally, 1969 *The Major Works of Peter Chaadaev. A Translation and Commentary [by] R.T. McNally. Introd. by R. Pipes* Petr Jakovlevič Čaadaev, R. T. MacNally, Richard Pipes, 1969 *Peter the Great* Derek Wilson, 2010-01-05 Presents a portrait of the Russian emperor that offers insight into his military strategies contributions as a shipbuilder and use of brutal methods to maintain control and further his vision to bring Russia into Europe **The Image of Peter the Great in Russian History and Thought** Nicholas Valentine Riasanovsky, 1992 The image of Peter the Great Tsar of Russia from 1689 to 1725 has been a central theme of Russian history art and literature This study draws on Russian historical accounts folklore and the arts to demonstrate how the image of Peter has reflected the changing cultural values of Russian people The Cultural Gradient Catherine Evtuhov, Stephen Kotkin, 2003 Is there a sharp dividing line that separates Europe into East and West This volume brings together prominent scholars from the United States Canada France Poland and Russia to examine the evolution of the concept of Europe in the two centuries between the French Revolution and the collapse of the Soviet Union Inspired by the ideas of Martin Malia the contributors take a flexible view of the cultural gradient the emergence interaction and reception of ideas across Europe The essays address three dimensions of the gradient the history of ideas regimes and political practices and the contemporary political and intellectual scene In exploring the movement of ideas throughout Europe The Cultural Gradient brings a new historical perspective to the field of European studies The Oxford Handbook of Russian Religious Thought Caryl Emerson, George Pattison, Randall A. Poole, 2020-09-04 The Oxford Handbook of Russian Religious Thought is an authoritative new reference and interpretive volume detailing the origins development and influence of one of the richest aspects of Russian cultural and intellectual life its religious ideas After setting the historical background and context the Handbook follows the leading figures and movements in modern Russian religious thought through a period of immense historical upheavals including seventy years of officially atheist communist rule and the growth of an exiled diaspora with e g its journal The Way Therefore the shape of Russian religious thought cannot be separated from long running debates with nihilism and atheism Important thinkers such as Losev and Bakhtin had to guard their words in an environment of religious persecution whilst some views were shaped by prison experiences Before the Soviet period Russian national identity was closely linked with religion linkages which again are being forged in the new Russia Relevant in this connection are complex relationships with Judaism In addition to religious thinkers such as Philaret Chaadaev Khomiakov Kireevsky Soloviev Florensky Bulgakov Berdyaev Shestov Frank Karsavin and Alexander Men the Handbook also looks at the role of religion in aesthetics music poetry art film and the

novelists Dostoevsky and Tolstoy Ideas institutions and movements discussed include the Church academies Slavophilism and Westernism theosis the name glorifying imiaslavie controversy the God seekers and God builders Russian religious idealism and liberalism and the Neopatristic school Occultism is considered as is the role of tradition and the influence of Russian religious thought in the West *Tolstoy's Major Fiction* Edward Wasiolek,1978 Edward Wasiolek after much valuable work on Dostoevsky has now written one of the best books on Tolstoy in recent decades This may be in part because of his preoccupation with Tolstoy s most challenging contemporary and the resulting sense of their unlikeness in a common pursuit But there are other unspeculative reasons Few studies of Tolstoy have been so carefully pondered and so firmly organized to convince and not so many show the flexibility and variety of its approach Wasiolek proposes an essentially simple and consistent reading but he advances it with subtlety and discretion Henry Gifford Times Literary Supplement

Concise Routledge Encyclopedia of Philosophy Professor Edward Craig,Edward Craig,2013-01-11 The most complete and up to date philosophy reference for a new generation with entries ranging from Abstract Objects to Wisdom Socrates to Jean Paul Sartre Ancient Egyptian Philosophy to Yoruba Epistemology The Concise Routledge Encyclopedia of Philosophy includes More than 2000 alphabetically arranged accessible entries Contributors from more than 1200 of the world s leading thinkers Comprehensive coverage of the classic philosophical themes such as Plato Arguments for the Existence of God and Metaphysics Up to date coverage of contemporary philosophers ideas schools and recent developments including Jacques Derrida Poststructuralism and Ecological Philosophy Unrivalled international and multicultural scope with entries such as Modern Islamic Philosophy Marxist Thought in Latin America and Chinese Buddhist Thought An exhaustive index for ease of use Extensive cross referencing Suggestions for further reading at the end of each entry [Concise Routledge Encyclopedia of Philosophy](#) Routledge (Firm),2000 The scholarship of this monumental and award winning ten volume work is available in one affordable book that brings together more than 2 000 entries from the original in a shortened more accessible format Extensively cross referenced and indexed

God Has Spoken Gerald Bray,2014-10-31 Christian theology didn t develop in a vacuum Understanding the story behind the doctrines that have been debated defined and defended throughout history is crucial for truly understanding the doctrines themselves In this groundbreaking resource professor Gerald Bray traces the history of Christian theology from the early church to the modern era Structured to parallel the order in which orthodoxy gradually matured in response to challenges from both within and without the church this volume tells the story of how Christians have struggled to understand confess and worship the triune God through the centuries

Noplace Like Home Amy C. Singleton,1997-07-31 *Noplace Like Home* uses four masterpieces of Russian literature Nikolai Gogol s *Dead Souls* Ivan Goncharov s *Oblomov* Evgenii Zamiatin s *We* and Mikhail Bulgakov s *The Master and Margarita* to show the successes and failings in Russia s search for home and self Interdisciplinary in spirit *Noplace Like Home* introduces Russian culture for the first time to the field of home studies which explores human identity in terms of man s relationship with domestic space

This broad social context together with general cultural patterns expressed in the novels encourages readers to consider even the most current events in Russian society where identity and stability are again key issues in terms of home homelessness and noplac

Memory, Edited Abby Smith Rumsey, 2023-09-05 An exploration of historical memory and networks of meaning in the context of today's crises of extremism and polarization As authoritarianism continues to rise around the world the stories we tell ourselves about what has happened and what is happening become ever more relevant In *Memory* Edited Abby Smith Rumsey examines collective memory how it binds us and how it can be used by bad actors to manipulate us Bringing forward the voices of a rich cast of Eastern European artists from the past two hundred years from Fyodor Dostoevsky to Gerhard Richter Rumsey shows how their work and lives illustrate the devastation wrought by regimes dependent on entrenched lies to survive This hijacking of the narrative polarizes communities even as it commandeers our future Through an interdisciplinary lens that includes the best thinking from history the arts cognitive science psychology and political philosophy Rumsey lays bare our narratives showing how they are constructed and how they have changed over time Ever aware of resisting the false promise of utopia Rumsey argues that only by confronting the past and reckoning with the crimes that were committed can we ever hope to heal and gain self knowledge *Memory* Edited is an indispensable text for anyone who cares about democracy equality and freedom in our current age of crisis

Russia Alexander Lukin, 2019-02-01 This book is based on the collection of articles centered around Russia and its policies The articles are grouped under three parts The first part contains articles on international relations Russian foreign policy and the situation in the world The main themes they cover include Russian policy in Asia and the Eurasian integration in which Moscow plays the most active role The second part looks at the theorization of Russia's internal processes issues concerning reforms to the communist system its troubled transition from Communism and analysis of the country's current political regime While elaborating on various reforms and transition from the communist system the author has suggested certain alternatives concepts Many of the articles analyze the shortcomings and inconsistencies of the modern Russian political system The third part is devoted to current issues in Russian politics the democratization process growing authoritarian tendencies mass protests and that evaluate the programs and policies of individual leaders The book will be of interest to those specializing in Russian foreign and domestic policy as well as to all those interested in following the developments of this country its role in the world and the global situation in general

On Russian Soil Mieka Erley, 2021-06-15 Blending close readings of literature films and other artworks with analysis of texts of political philosophy science and social theory Mieka Erley offers an interdisciplinary perspective on attitudes to soil in Russia and the Soviet Union from the early nineteenth to the mid twentieth century As Erley shows in *On Russian Soil* the earth has inspired utopian dreams reactionary ideologies social theories and durable myths about the relationship between nation and nature In this period of modernization soil was understood as the collective body of the nation sitting at the crux of all economic and social problems The soil question was debated by nationalists and

radical materialists Slavophiles and Westernizers poets and scientists *On Russian Soil* highlights a selection of key myths at the intersection of cultural and material history that show how soil served as a natural national and symbolic resource from Fedor Dostoevsky's native soil movement to Nikita Khrushchev's Virgin Lands campaign at the Soviet periphery in the 1960s Providing an original contribution to ecocriticism and environmental humanities Erley expands our understanding of how cultural processes write nature and how nature inspires culture *On Russian Soil* brings Slavic studies into new conversations in the environmental humanities generating fresh interpretations of literary and cultural movements and innovative readings of major writers

Can Europe Work? Stephen E. Hanson, Willfried Spohn, 1995-12 In *Can Europe Work* Germany and the Reconstruction of Postcommunist Societies eight scholars from the United States and Europe discuss the problems posed for European unity by the collapse of communism and the reemergence of Germany as Europe's strongest state Among the topics addressed are a comparison of nationalism in Western and Eastern Europe the intellectual origins of the often antiliberal and antidemocratic East European nationalism deteriorating popular support for the Polish Roman Catholic Church a comparative analysis of the German nation state in the nineteenth and twentieth centuries German economic influence in East Central Europe the role of Germany in the breakup of Yugoslavia the causes of recession in Eastern Europe and a sobering study of Russia's current economic problems The book is expected to attract a large audience in both North America and Europe among academic specialists on the region as well as those concerned with policy issues arising from the turbulent environment of postcommunist East Central Europe

Dostoevsky and the Riddle of the Self Yuri Corrigan, 2017-10-15 Dostoevsky was hostile to the notion of individual autonomy and yet throughout his life and work he vigorously advocated the freedom and inviolability of the self This ambivalence has animated his diverse and often self-contradictory legacy as precursor of psychoanalysis forefather of existentialism postmodernist avant la lettre religious traditionalist and Romantic mystic *Dostoevsky and the Riddle of the Self* charts a unifying path through Dostoevsky's artistic journey to solve the mystery of the human being Starting from the unusual forms of intimacy shown by characters seeking to lose themselves within larger collective selves Yuri Corrigan approaches the fictional works as a continuous experimental canvas on which Dostoevsky explored the problem of selfhood through recurring symbolic and narrative paradigms Presenting new readings of such works as *The Idiot* *Demons* and *The Brothers Karamazov* Corrigan tells the story of Dostoevsky's career long journey to overcome the pathology of collectivism by discovering a passage into the wounded embattled forbidding revelatory landscape of the psyche Corrigan's argument offers a fundamental shift in theories about Dostoevsky's work and will be of great interest to scholars of Russian literature as well as to readers interested in the prehistory of psychoanalysis and trauma studies and in theories of selfhood and their cultural sources

The Bear Watches the Dragon Alexander Lukin, 2016-09-16 China and Russia two giants dominating the Eurasian landmass share a history of understanding and misunderstanding whose nuances are not well appreciated by outsiders In his interpretation of this

relationship from the Russian point of view Alexander Lukin shows how over the course of three centuries China has seemed alternately to threaten mystify imitate mirror and rival its northern neighbor Lukin traces not only the changing dynamics of Russian Chinese relations but the ways in which Russia's images of China more profoundly reflected Russia's self perception and its perceptions of the West as well As both Russia and China take distinctive approaches to political and economic development and integration in the twenty first century global economy this reinterpretation of their relationship is timely and valuable not only to historians but to all students of international affairs
