Young,2017-10-04 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers

of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or if necessary rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

The Major Tactics of Chess Franklin Knowles Young, 2013-11. This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact or were introduced by the scanning process. We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book. *Major Tactics of Chess* Young Franklin K., 1901. The Minor Tactics of Chess Franklin K. Young, 2017-10-14. Excerpt from *The Minor Tactics of Chess: A Treatise on the Development of the Forces in Obedience to Strategic Principle N*. This contribution to the literature of chess, the authors have attempted to present the elements of a new theory of play. They have confined themselves in the main to the exposition of that part of the System which governs the opening of a game by suggestion; however, if not by definite statement, they hope to have laid before the reader at least the spirit of the complete theory. Leibnitz pronounced chess an exact science. Petroff placed it on a level with the integral calculus, and the great Anderssen declared that its intricacies were more abstruse than the most profound mathematics. The authors of the new theory, agreeing with this trio of distinguished scholars, are tempted to go still further and to assert even at the peril of being

considered somewhat visionary not only that Chess is a real About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
